Re. No. 26370-45-R.

Office of the
Provincial Textile Commissioner,
Egmore, Madras, 21st June '45.

From Sri S. Rajam Ayyar, B.A.,
Provincial Textile Commissioner.

To The Secretary to Government,
Education & Public Health Department,
Fort St. George, Madras.

Sir,

Sub: Stationery - Supply of flat file cases.
Provincial Textile Commissioner.
Ref: G.O. No. Ms. 1573, Education, dated 23rd August
1943.

Government in their order cited above were pleased
to sanction the supply of 250 flat file cases to the Provincial
Textile Commissioner's Office. The Superintendent of Stationery
reduced the supply by 50% and supplied only 125 flat file
cases in April 1945. This supply is quite insufficient to
meet the requirements of this office.

Since the sanction of 250 flat file cases in 1943, the
work of this Department has increased considerably both in
volume and in complexity on account of the promulgation of
several control Orders and consequent increase of staff. This
office, at present, consists of 6 Gazetted Assistants and 84
ministerial servants. There are 14 sections each dealing with

Section heads have to submit a different subjects. The clerks and number of papers every day to the both Provincial Textile Commissioner and the Gazetted Assistants both at headquarters and in camps. Much difficulty is experienced in submitting papers and in keeping them in tact without adequate number of flat file cases. Hence I request that Government may be pleased to sanction the supply of 500 flat file cases and the Superintendent of Stationery may be asked not to reduce it by 50% as was done before. The quantity now ordered for is quite essential and it represents the irreducible minimum. Hence I request early orders for its supply.
