Longevity of the residents considerably increased.
with the said hope constantly working in my mind
beg to submit the following for your consideration and im-
mediate action and necessary orders.
we have noted with pleasure that the Government
pleased to appoint a second class Health Officer to the M-
unicipality of Ongole and I await the day when all-most all
Municipal towns (Third class) are provided with such offi-
cers. As at present, the commissioners, who happen to
be lay-men and quite un-qualified to function as Health Officers
are in charge of the Municipality and its Health and quality
officers of the cadre of Sanitary Inspectors, who have put
special training are under their control. It is needless to
say that most of these officers are wholly or partially sw-
