Copy of letter from the Assistant Accountant-General, Office of the Accountant-General, Madras, No. T.15.I.S.C.2928 dated the 14th February 1945:-

Sub: Permanent Civil Government servants deputed to military duty-
Last pay certificates - Issue of - Instructions.

The Military Accounts Officers have brought to the notice of this office that last pay certificates have not been received by them on behalf of a number of permanent civil Government servants deputed to services paid for from the Defence Services Estimates. The attention of the heads of the offices under your control may kindly be drawn to the exception below (2) of the "Rules regulating the preparation of Last Pay certificates" (vide Appendix 4 to the Central Government Compilation of the Treasury Rules Volume II.) under which

the last pay certificates of non-gazetted Government servants transferred from one circle of audit or province to another can be given by them. They may now be required to review all cases of deputation to Military duty and to arrange for the issue of the certificates wherever it has not been done already.

2. It may be stated in this connection that it is presumed that formal orders sanctioning the deputation have been obtained and placed on record in each case where civil Government servants have been permitted to take up employment in the military department either in a military or civilian capacity. Any omissions in this regard may kindly be got rectified by obtaining the requisite sanction of the competent authority in each case.

26 JUN 1945

20282 A/c
With reference to para 2 of Accountant-General's
Circular mentioned above I have the honour to forward
herewith a list of permanent employees of this office who
have been deputed to Military Department either in a
Military or Civilian capacity and request that sanction of
Government may please be accorded for their transfer to the
Military Department.

2.As regards para (1) of the Circular regarding
issue of last pay certificates, I have to state that

they

-2-

they have not been issued as the whereabouts of the men transferred were not known and no intimation were given at the time by the Military Department except that they had been recruited for military duty to enable me to retain their liens in their substantive posts.

In two cases only viz., in that of A.C. Kesavalu, Reader and V.K. Rajagopalan, Lino Operator, they have been issued at the request of the Military Officers concerned 4 months and 2 years and 3 months respectively after their recruitment. The certificates in the cases of others will be similarly issued, and when they are called for by the Military Officers concerned. I may mention here that all these employees have been paid up to the last day before the date of their transfer.

Superintendent.
