Sir,

I beg to submit that after serving a period of 3½ years as a combatant of which for 2 ½ years overseas, I have been in Iraq and Persia, I returned to my permanent civil post in the Central Telegraph Office, Madras as my Department wanted me back. I am enclosing a copy of discharge order from my discharge certificant for your perusal.

My two boys Osmond Samuel Viswasam (Form IV) and Oscar David Jesudasan (Form I) of St: Columbia's High School, Chingleput were enjoying military concessions till March 44.

I happened to secede from the free church owing to change in my Faith and joined the Pentecostal Church in Chingleput. The headmaster of St; Columbia's High School which is a free church institution has since raised some objections and managed to stop the military concessions to my boys. He stopped them from writing some of the Half Yearly examination papers and sent the boys out of the school. He insisted on 8 months fee being paid up. I have borrowed Rs 62-4-0 and have paid up their fees and the boys continue in the school as paying students. My pay is only Rs 90/-. I have a large family to support. In my absence from India my family under pressure of evacuation shifted to Chingleput and as the boys could not now be removed in the middle of the year, I am forced to continue to live in Chingleput and attend office in Madras ever day. That means heavy expenses and strain.

I have appealed to the Director of Public Instruction Madras for the continuance of the military concessions, fo which I feel my boys are entitled to as I have served in

4

this war both within India and outside when the war situation was very grave. My services were very much appreciated by the Military authorities.

I request you to consider the case and pass early orders so that my boys may continue to have the Military concessions which boys of parents like myself who have rendered military services are enjoying without any objection being raised.

I beg to remain,
Sir,
Your most obedient servant,

V.S.Jesudasan

Honored Sir,

Sub - War Educational Concessions for discharged Soldiers -

I humbly beg to submit herewith Copy of Proceedings L Dis 79/W-45 dated 18.1.1945, of the Director of Public Instructions, Madras, not granting educational Concessions for my son S. Ramachandran studying in VI form, & my daughter S. Neelayathakshi, studying in IV form, in Kalyanasundaram High School, Tanjore, and request your honor to kindly recommend grant of educational Concessions in my case also, under the circumstances noted below:-

I am a discharged Soldier, with a military Service of about 9 months, as Havildar in the Canteen Stores Department, and my son and daughter have been given educational Concession during the year 1943-44.

I was enrolled as a Havildar on 23.2.43 and discharged on 13.11.43. I submit herewith copies of my appointment order, and extract from my discharge certificate. The Educational Concession for 44-45 has been refused on the ground that I shall be deemed to have been discharged from Military Service for inefficiency.

I beg to submit that the actual facts are not so. The discharge Certificate has to be considered along with my appointment order.

After an interview at Bombay in January 1943, I was selected as a Viceroy's Commissioned Officer, and I was given to understand at the time of my interview, that I will be made a V.C.O within one month, soon after the formalities connected with my Commission were completed, and that I will be enrolled as a Havildar in the first instance. After sometime when I requested for my promotion as V.C.O as per the order, the Officer Commanding, Canteen Services Personnel Depot, told me that I was not strong enough to hold the post of V.C.O

that if I liked, I may continue to serve as a Havildar, or have the option for obtaining a discharge. Thus it may be seen that in consequence of my being not up to the Standard of trade for which I aspired & for which I was enrolled, I was given the option of discharge, and it does not mean, that I was not up to the Standard as a Havildar, as the Officer Commanding clearly told me that he will be glad to have me as a Havildar for which he considered me to be efficient. In this connection I beg to point out that I was not enrolled merely as a Havildar, found unfit after 9 months & then discharged. It may be clearly seen that no Havilder will be discharged as unfit after a service of 9 months.

Under the circumstances stated above I humbly request your honor to kindly consider my discharge in the light of my appointment order, as a soldier of 9 months service & recommend sanction of educational concessions for the year 1944-45,

I for School fees & SSLC Public examination fees & books concession in respect of my son S. Ramachandran studying in the VI th form &

II School fees & books concession in respect of my daughter S. Neelayathakshi studying in the IV th form both in the Kalyana Sundaram High School, Tanjore.

for which act of kindness, justice & generosity I shall ever be grateful & indebted to your honor.

In this connection, I beg to state that my brother S. Narayanaswamy of the Burmah Railways is a 2nd Lieutenant & Liason Officer at Jullundar now, and my brother in law K. I forward herewith, for favour of disposal, a petition dated the 5-4-'45 from Mr.V.S.Jesudasan, for the restoration of educational concessions to his children, who are studying in St. Columba's High School, Chingleput.

2. Mr.V.S.Jesudasan was a clerk in the Central Telegraph Office, Madras, wherefrom he was deputed, in July 1940, for field service with No.1 Line of Communication Telegraphs. After completion of Field Service in India and Overseas, for a period of nearly 3½ years, he was demobilised and discharged, by order of Officer Commanding. No.1 Depot, Indian Signal Corps, Jubbulpore. In the discharge certificate issued to Mr.Jesudasan, his conduct and character, while on field service, have been certified as 'Exemplary'. On discharge from field service, he has been, in the usual course, readmitted to civil duty in this department.

3. Enquiries made from the Headmaster, St. Columbas High School, Chingleput, show, that the educational concessions, that had been sanctioned to the children of Mr.V.S.Jesudasan, were withdrawn solely on the

30

on the ground that Mr.Jesudasan is no longer in active military service - Vide enclosed letter dated the 16-4-'45. from the Headmaster to the Supdt. of P.Os., Chingleput Division.

4. Under para 3 of the Govt. of Madras, G.O. No.12, dated the 2-1-'42, the educational concessions granted to a student may be discontinued when the parent of the student is discharged from Military service by a court martial or for misconduct or inefficiency. As Mr.Jesudasan was not discharged on conviction by a court-martial or for misconduct or inefficiency, it would appear, that there is justification to consider Mr.Jesudasan's application, for a restoration of the educational concessions to his children. If the concessions are restored, I presume, that Mr.Jesudasan will be reimbursed the school fees paid by him since the concessions were stopped.

If there is no objection, I request that I may kindly be informed of the final orders passed on Mr.Jesudasan's application.

Through The Postmaster-General, Madras.

Sir,

My children were enjoying military educational concessions upto April 1940. The Headmaster of St.Columbas HighSchool Chingleput, has suddenly withdrawn the concessions as I since understand, on the ground that I have been discharged from the military service. I understand that the educational concessions can be granted in respect of children whose parents have been honourably discharged from military service.

My character has been certified as exemplary.

I pray that the educational Authorities may be directed to restore the concessions with retrospective effect from ~~January~~ June 1944. I may mention in this connection that a petition has already been submitted by me direct on 15-1-1945 for which I have not received a reply though the school year is drawing to a close.

War. Educational concessions to the children and dependants ~~of~~ soldiers' discharged from the defence forces.

—

para 3. (N) According to the orders in GO No: 12 Edn D/ 2.1.43 the educational concessions sanctioned by this Govt in connection with the present war should not be granted or continued where the "soldier" was discharged from military service by order of court-martial or for misconduct or inefficiency. In October last the D.P.I addressed the Govt. regarding the ~~first~~ continuance of educational concessions for the daughter of a soldier who was discharged from military service "in the interests of the service, as having outlasted his usefulness". This expression was explained by Technical Recruiting Officer, Madras, as meaning that in spite of long service and opportunity the man had failed to make satisfactory progress. In Memo No: 51526 C-1 Edn D/ 31.10.44 the D.P.I was informed that the ~~first~~ educational concessions need not be continued in the case of the daughter of the "soldier" as he should be deemed to have been discharged from military service for inefficiency.

p37 (M)

The Director has now asked for the orders of Govt. cf. a few similar cases. It does not appear that a general ruling can be given as asked for by the ~~Dir~~ Govt at A on page 2 cf. as circumstances of each case may vary. It may not also be possible for the Govt. to address the military authorities in each

case whether the 'soldier' deserves the Concession. There is a D. Soldiers Board in each D. of which the Collector is the President. It may perhaps be laid down that ~~every discharged soldier must obtain a certificate from the D. Soldiers' Board~~ the grant or continuance of the Concessions will in future be subject to the condition that the discharged soldier obtain a certificate from the D. Soldiers' Board that he ~~is~~ is eligible for the Concessions. Public (War) may see for remarks.

— It is doubtful if the Dt. Soldiers' Board will be of ~~any~~ much use in the context.

29/8/45

Please trace the origin of the expression "misconduct or inefficiency" employed in para 3 (c). It might probably be necessary to address the G. of I. (for education) if the expn had been put in at their suggestion. & the manner of implement

The term "misconduct or inefficiency" was first adopted in connection with the educational concessions sanctioned for the children and dependants of soldiers who served in the last war, on the recommendation of the Madras Soldiers' Board. — please see G.O. No: 831 Edn d/ 4.7.1919 and No 510 Edn d/ 26.2.34. It was applied to the present concessions in G.O. No: 12 Edn d/ 2.1.43.

(F) — do —

7/4/45

So far as concessions in connection with the present war are concerned, Lt.Col. (~~Major now~~) Phythian-Adams made the following suggestion in October 1942:-

(N) 11 nf

" ** I should like to suggest that cases of men discharged from the service by order of court- ... or for disgraceful conduct, and that cases

---

25

of recruits discharged as unlikely to become efficient soldiers within 6 months of their enrolment should be barred from eligibility."

In the course of the discussions, Sir George Boag as Adviser, recorded the following minute:-

(N) 10 nf

> " ** I think we might very well prescribe a minimum period of service - 6 months or a year - as qualifying for the educational concessions - with an understanding that in deserving cases a shorter period would be admitted. ** "

(N) 12 nf

N/13 nf

The foregoing provisions were embodied in para 3 of G.O.No.12-Edn., dated 2-1-1943, with the ~~condition~~ period of approved service ~~being~~ reduced to 6 months. It follows from this that children and dependants of all soldiers discharged with approved service for not less than six months should continue to get the concessions for their full course if they are otherwise eligible.

p16 cf of (I)

In proceedings L.D. No. 79-W/45 dated 18.1.45, the Director of Public Instruction, Madras, ordered that educational concessions should not be continued on behalf of my children as I was deemed to be discharged from military service for inefficiency. (Copy enclosed) I.

p8 of GO No. 1010 Edn / 9.7.45 (i)

In February 1945, I appealed to the Government praying for the Continuance of the Concessions submitting in detail the circumstances under which I was discharged.

p437 of (i)

In G.O. No MS-1010-Edn, dated 9.7.45, I was referred again to the Director of Public Instruction for orders on my petition. (Copy enclosed) II.

p3 infra

I submitted several petitions to the Director of Public Instruction from August to December 1945, and at last in Proceedings RC 3085/W-45 dated 11.12.45, I have been informed that I am not eligible for the Concessions, as I should be deemed to have been discharged from military service for inefficiency thus Communicating the original order against which I appealed to the Government. (Copy enclosed) III.

p4 infra

p4 infra

I humbly beg to submit, that the order Communicated by the Director of Public Instructions, Madras in his proceedings R.C. 3085/W-45 dated 11.12.45, is not in agreement with the G.O. No M.S. 1010 Edn dated 9.7.45, Communicated to me; for ~~it~~ the order adds other categories of discharge under "inefficiency" while the G.O is very clear and definite.

[illegible]

p43 of (I)

My humble petition to Government has been Considered by the G.O as an admissible case, for concessions, and I have been referred by the G.O to the Director of Public Instruction for orders on my petition and not to his previous orders: The Director of Public Instruction states in his order that I should be deemed to have been discharged for inefficiency and thus a new Construction is added which is not in the G.O.

pp8-9 of (I)

In my humble petition to the Government, I have submitted in detail the circumstances of my discharge and I have also humbly stated that members of my family have served in the war, (my father in the last Great War and my brothers in the recent ~~world~~ war) and in Consideration of them, I most humbly request your honour, to issue orders for the continuance of the Concessions for the education of my children, as otherwise it would be impossible for me to give them education.

Awaiting your honors early & favourable orders

I beg to remain
Most Honored Sir
Your most obedient servant
S. Srinivasan

C.No.57999-e. From Sri S.Srinivasan, Discharged Havildar, Madura, petition dated the 19th December 1945.

WAR- Grant of educational concessions to his children and dependants.

...

I/1-2 CF

In his letter dated 9th Jan.1945 the D.P.I. raised the question whether educational concessions could be granted or continued to ~~the~~ children and dependants of soldiers who were discharged from the army for various reasons. In G.O. No.1010 Fdn., dated 9th July 1945, the Director was informed that the concessions should be granted or renewed, as the case might be, in all cases in the which the discharge certificate of the 'soldier' concerned showed at least six months' service with no indication that the discharge was for unsatisfactory service, mis-conduct or inefficiency or was brought about by an order of Court-martial. At the same time, ~~a petition~~ ~~from~~ Sri Srinivasan, who was discharged from the Army, was ~~forwarded~~ referred to the D.P.I. for ~~disposal with reference to the~~ orders on his petition for the grant of edn. concessions to his children ~~cited above~~. The D.P.I., after examining the case, considered that Sri Srinivasan should be deemed to have been discharged from military service for inefficiency and that his children and dependants were not eligible for the concessions. Srinivasan has now appealed against the orders of the Director.

pp1-2 CF

//From the original petition of Sri Srinivasan on pp.8-10 of G.O.No.1010 Fdn., dated 9-7-45, it is seen that he had served for 264 days in the Army and that he was discharged because he was not "up to the standard of trade for which he was enrolled under the Indian Army Act". Sri Srinivasan points out that he was originally enrolled as an Havildar with a promise of promotion as V.C.O. and that after sometime

for the promised promotion, he was told that he was not up to the standard for appointment as V.C.O. and that he was allowed the option of obtaining a discharge. His contention is that he was quite fit to be a Havildar and that, therefore, there was no question of his being found inefficient ~~in~~ during the period of his service. All these are not, however, clear from Srinivasan's discharge certificate. ~~and~~ It is ~~not~~ also stated in the certificate that he was ~~not~~ discharged at his own request. The only reason for discharge given in the certificate ~~as~~ is as stated above, "in consequence of not up to the standard of trade for which enrolled". In these circumstances, it does not seem that there are sufficient grounds for interfering with the orders already passed by the Director in the matter. Sri Srinivasan may be informed accordingly. For orders.
