Sir,

Sub: Engineering College - Guindy - Purchase of
stores from America through the Agency of the
India Supply Mission - United States of America
Estimates under which the Expenditure has to be
provided orders requested.

The Engineering College, Guindy, has to purchase some
stores from America and hitherto it is the custom to include
the expenditure on stores purchased in America also in the
High Commissioner's Budget. In his letter No.S.822/44 LHB,
dated 8-3-1945 the Director General India Store Department,
Black Pool, stated that the funds placed in the High Commissioner's
Budget will be used only for the stores purchased through his
department, and as the supply of stores from America now entails
placing of the orders by the India Supply Mission, United States
of America the cost of the stores will have to be adjusted through
the accounts of that Mission. In the circumstances, I request you
to be good enough to let me know whether I should continue to make
provision for the supply of stores from America in the High
Commissioner's Budget in pound sterling or in the budget of the
College of Engineering, Guindy under 37. Education, in rupee
currency. I request that early orders may be passed so as to
make the necessary changes in my Estimates for stores from
"Europe which is due with Government on 5-7-1945.
