Office of the Director
of Public Instruction,
Madras, 29th June 1945.

My dear Subramanian,

Please refer to the conversation we had on the telephone yesterday. Dr. Rudra informs me that he would be able to spare two Assistant Instructors to join the college of Engineering at Coimbatore immediately. He would not, however, be able to spare immediately the services of Major Paul, his Professor of Mechanical Engineering, as stated by him previously, and recommends that Mr. N.R. Narasimhamurthi, Superintending Engineer, Pykara Electric System, Coimbatore may be put in charge of the administration of the college pending the appointment of the permanent Principal. The Chief Engineer (Electricity) whom I consulted in the matter has stated that it would be possible to spare the services of Mr. Narasimhamurthi for one or two hours every day for looking after the administration of the college pending the permanent arrangement. This may be agreed to. The teaching work can be carried on by the two Assistant Instructors and by the

(p.t.o.)

- 2 -

Assistant Professors of Mathematics, Physics and Chemistry whom I am trying to select from the Education Department.

2 I have received a letter from Mr. G.D. Naidu this morning in which he informs me that His Excellency had decided to open the college on the 9th July. I think it will be very necessary to send Dr. Rudra on special duty to Coimbatore for about 10 days to make the preliminary arrangements before the inauguration of the college and also to remain there until the college has started working. Dr. Rudra is prepared to start for Coimbatore on the evening of the 4th July when he finishes the admissions to the Engineering College, Guindy and remain in Coimbatore for about 10 days for the purpose.

Yours sincerely,

Sri M. V. Subramanian, I.C.S.,
Secretary to Government,
Edn. & Public Health Department,
FORT ST. GEORGE.

Edn. and P.H. Dept.

Para 1 of the D.O. The D.P.I. has not made it clear how long Mr. N.R. Narasimhamurthi, Suptg. Engineer,

Education and P.H. Deptt.

D.O. No. 29506(A) C-2 dated 2.7.45

Dear Dr. Dey,

Proposed Engineering College at Coimbatore.

Please see your D.O. dated the 29th

June 1945. There is no objection to your instructing Dr. Rudra to proceed to Coimbatore for making the preliminary arrangements connected with the opening of the new Engineering College..

2. I am to suggest that you may address Government officially through the Chief Engineer (Electricity) in regard to the proposal to place the Superintending Engineering, Pykara Electric System, in administrative charge of the new college, as a temporary measure. It will be necessary to have an idea of the possible duration of the

4

part-time arrangement and of the extra remuneration ~~XXXXXX~~, if any, which ^{shd} ~~xxx~~ be paid to him.

Yours sincerely,

30-6-45

D.O.No.327-A/45.

Director of Public Instruction,
M a d r a s, 3rd July 1945.

Dear Subramanian,

30572

4 - JUL 1945

REF: Your D.O.No.29506(A)-C-2, dated the 2nd July, re: the proposed Engineering College at Coimbatore.

I am instructing Dr. Rudra to proceed to Coimbatore on the 4th evening and to remain there to make the preliminary arrangements connected with the opening of the new Engineering College.

As regards the proposal to place the Superintending Engineer, Pykara Electric System in administrative charge of the new college, as a temporary measure, I have reconsidered the matter as the Chief Engineer (Electricity), Mr. G. Sundaram, has informed me that the Superintending Engineer, Pykara Electric System would be able to spare only about one hour approximately per day for looking after the administrative work of the college. At the beginning, this work will be both onerous and heavy and I feel that it is essential that Dr. Rudra be placed on special duty at the new college of Engineering, Coimbatore, pending arrangements being made for the appointment of Principal and the other superior staff of the College. Dr. Rudra

has agreed to my proposal and has stated that the person next to him in seniority in the College of Engineering, Guindy, namely Mr. Sitaraman, may be placed in charge of the College at Guindy during his absence at Coimbatore. I request that this proposal of mine may kindly be approved and that Dr. Rudra, during the period of his special duty, be paid an allowance which may be one-fifth of his present pay.

Yours sincerely,

M.V. Subramanian, Esq., I.C.S.,
Secretary to Government,
Edn. & Pub. Health Department,
Fort St. George.

Education and P.H. Department.

COLLEGE, Engineering, Guindy - Sitaraman,
Sri K.S., Professor - Appointed to hold
additional charge as Principal.

READ:- From the D.P.I., No. 327-A/45,
dated 3-7-1945.

ORDER (MS.) No. 1022 Edn., dated 11.7.45

Sri K.S. Sitaraman, Professor of Civil Engineering, College of Engineering, Guindy, is appointed to hold additional charge of the post of Principal of the college during the absence of Dr. J.J. Rudra, on other duty. Sri Sitaraman will be granted a charge allowance not exceeding 1/5th of his pay, for the period he holds the additional charge.

from the D.P.I., D.O. dated 29/6/45.

Para 1 of the D.O. The D.P.I. has not made it clear long Mr. N.R. Narasimhamurthi, Superintending Engineer, the Pykara Elec. System, should be in charge of the administration of the new college and what remuneration, if any, he should be given for the period. He may be asked to make clear these points

Para 2: Under M.T.A. Rule 52(b), the Director has power to instruct Dr. Rudra to proceed to Coimbatore on duty. The Director apparently wishes to do this with the knowledge and concurrence of Government.

A draft D.O. is submitted. P.W. may see with reference to para 2 of the draft, before circulation.

Specid. A. Narasimhamurthi
relate to the Coimbatore
College to be given
in the 4/7/45

(Issued as D.O. No. 29506(A)-C-2, dated 2-7-1945.)
C.No. 30572. From the D.P.I., D.O. No. 327-A/45, dated 3-7-45.

The main file about the opening of the Coimbatore Engineering College is in circulation to H.E. The sanction of the Governor-General to the scheme in general is yet to be obtained and cannot be had much earlier than the 9th July, the opening day of the college. It is only afterwards that formal orders sanctioning the college and the employment of the staff will be issued. A decision as to the appointment of a Principal or for making other arrangements for carrying out the duties of Principal will necessarily take a little time

In the meantime, it is of course necessary for some responsible officer to be on the spot, give a start to the college and also remain there for a short time until it is put into proper working order. The Director's original proposal was that Dr. Rudra should proceed to Coimbatore to-day and stop there for 10 days and that the Supdtg. Engineer, Pykara Elec. System, should be in administrative charge of the college as a temporary measure.

That has now been modified into one of placing Dr. Rudra on special duty, pending arrangements for the appointment of the Principal and the other members on the superior staff of the college, as it is seen that the Supdtg. Engineer cannot find the requisite time to attend to the duties connected with the college. The suggestion as to Dr. Rudra's special duty may be accepted. It is

difficult to say how long the arrangement should inure. For the present, it may be for not more than a month from to-morrow, the 5th July. Dr. Rudra may also be given a special pay of 1/5th of his present pay. (Rs. 1,000 p.m.)

2. The Director further proposes to put Mr. Sitaraman, Professor in the Guindy College, in (additional) charge of the Principalship of the Guindy College during the absence of Dr. Rudra. It will be necessary to give him also a charge allowance which may be 1/5th of his substantive pay of Rs. 900.

3. The case may be sent to the Finance Dept.

The proposal in para 2 above is agreed to in the Fin. As regards para 1 above it does not seem to be quite clear why Mr. Rudra should be given special pay. In all likelihood, he will not have heavy work and may therefore be put on special duty for a month on his present pay.

Ed P. K. 5.7.45

For orders with particulars

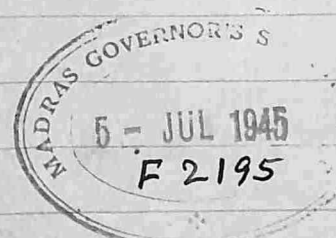

Refer to P above

5.2.45

S. 1. 5.7.45
A. A. K.

Fin no 1051 es-A-1
5-7-45

The work of organizing the college on sound lines will be heavy at the outset. Dr. Rudra will be put to some inconvenience & involved in additional expenditure as the result of this temporary deputation. A special pay of Rs 200/- per month may be allowed for this special duty, in addition to his usual pay. The usual allowance for additional charge may be given to Mr. Sitaraman.

The orders above in so far as they relate to Dr. Rudra have been incorporated in the draft G.O. in the top file, sanctioning the opening of the Coimbatore College.

2. A draft order appointing Mr. Sitaraman to hold additional charge of the post of Principal of the Guindy college is put up.
