Paragraph 19 of draft: The first sentence of paragraph 10 of G.O. No. 484, Public (Services), dated 5-3-1941 regarding the application of the age limit with reference to 1st July of the year of selection has been omitted from the corresponding paragraph 19 of the draft G.O. The omission is presumably based on the presumption that the order embodied in that sentence has been given effect to by amendments to the special rules for all the services with which the Commission is concerned. The special rules for the following services have however not yet been amended:-

- Madras Educational Subordinate Service.
- Madras Ministerial Service (Probationary Revenue Inspectors).
- Madras Judicial Subordinate Service (Official Receiver).
- Madras Public Health Service.

Before the sentence in question is omitted from the comprehensive G.O. the special rules for these services should first be amended so as to provide for the application of the age limits with reference to the 1st July of the year of selection. Otherwise the sentence will have to be retained.
