Sir,

Sub: Continuance of the temporary posts of upper division
clerks and attender in the office of the Director
of Public Instruction.

The sanction accorded in G.O.No.Ms.784 Education
dated 20-5-1944 for the employment of two Upper Division clerks
and one attender (Rs.19-30) in my office, for work connected
with war will expire on 31-7-1945. As the work for which they
have been employed continues to exist and to increase, I
have the honour to request that Government may be pleased to

2. Necessary provision for the continuance of these
posts beyond the date of the present sanction has been made

R.C.No. 36-A/42 dated 17th March, 1946.

Sir,

ESTABLISHMENT--Office of the Director of Public Instruction, Madras--Temporary staff employed for work connected with war--continuance--Sanction requested.

Reference:-Government Memorandum No. 37793-2 B Edn., dated 21.9.1945.

I have the honour to submit below the particulars called for in para 2 of the Government Memorandum referred to above.

Number of currents received and dealt with by the two upper division clerks sanctioned for war work.

1944 - 1945.

1945 - 46.

6,225

5,650*

*Eleven months only - till the end of February 1946.

2. The particulars furnished above show that though hostilities have ended, the volume of work connected with war dealt with by the two upper division clerks continues to be the same in the current year as in 1944-45. Almost all the items of work enumerated in my letter R.C.No.36-A/42 dated 24.8.1945 - disposed of in the Government Memorandum referred to above continue to be done in my office. There is, therefore, justification for the further continuance of the two posts of upper division clerks.

As the Office of the Director of Publicity has been closed down from 1.3.1946, it is not likely that propaganda literature will continue to be received in large quantities for distribution. The temporary post of attender will not, therefore, be required after the expiry of the present sanction i.e. from 1.8.1946.

With the further continuance of the temporary staff of two upper division clerks, the circumstances under which the post of a Junior Superintendent was sanctioned in G.O.No.2013- Education dated 28.11.1945 will continue to exist justifying the need for the further retention of the post of Junior Superintendent.

P.T.O.

3. In the circumstances I request that the sanction of Government may be obtained for the further continuance of the post of a Junior Superintendent and two Upper Division clerks for a period of one year from 1.8.1946.

4. Necessary provision has been made in the Budget Estimate for 1946-47.

I have the honour to be,

ENCLOSURES _____

SPARE COPIES _____

I have the honour to state that the post of attender cannot be abolished immediately for the reasons stated below.

during this month (April 1946) the War literature mentioned in Annexure 'A' were distributed as detailed therein. Although the Department of publicity has been abolished, War literature continue to be received in my office for distribution to colleges and schools through my subordinate officers. I have mentioned in Annexure 'B' a list of such literature received recently and the sources from which they have been sent. These have yet to be distributed. As War literature continues to be received, the post of attender in the war section is necessary for their distribution as this work cannot be entrusted to the permanent staff.

In the circumstances, I request that the Government may be pleased to allow the continuance of the post of attender till the 31st July 1946 as sanctioned originally in G.O. Mis. No. 1037 Education dated 13th July 1945.
