I have the honour to state that in para 1 of the scheme approved in the Government Order referred to above, the Inspectress of Girls Schools, IV circle, is mentioned as one of the administrators of the fund under reference, as the Government Training School for Woman, Tanjore, was then under her jurisdiction. At present the school is under the jurisdiction of the Inspectress of Girls Schools, III circle. As the designation of the controlling authority of the school is likely to vary according to changes in the jurisdiction of Inspectress of Girls Schools, it is proposed to substitute the following.....

following for "The Inspectress of Girls Schools, IV Circle" appearing in the scheme.

"The Inspectress of Girls Schools of the Circle".

2. In view of the above, the following amendment is submitted for approval.

AMENDMENT.

In the schedule approved in Government Order No. Ms. 1415 L.E. dated 8--6--1934 - first sentence of para 1 -

The humble memorial of K. M. Kombi Achan

Assistant Master, Board Boys School, Pullode
Malhūr.

Respectfully sheweth :—

(1) that, on account of the present war conditions, the market prices of rice, cloth, kerosine, gingily oil, coconut oil, and other necessities of life have abnormally increased. This is clear even from the index tables published by Government.

(2) that, in Malabar, the rise in price has been the highest in the Presidency.

(3) that, consequently, the memorialist finds it extremely hard to maintain himself and his family on his present salary of Rs. 20.....

(4) that, owing to the inadequacy of his present salary to meet the abnormal increase in the cost of living, he is running into debt and will soon be on the verge of insolvency.

(5) that his present position, therefore, demands immediate pecuniary relief.

(6) that, realising the difficulties of their low paid servants, Government themselves have sanctioned varying rates of dearness allowance to their servants and have permitted Local Boards to grant similar allowance to their servants.

(7) that, private employers like factory owners and quasi public agencies like Railway Companies have also given generous aid to their low paid employees to allow them to tide over these difficult times

(8) that the Malabar District Board has not yet granted the dearness allowance allowed in G. O. No. 2788, L. A. dated 19—9—'42 to its servants and

(9) that, therefore, he humbly prays that the benign Government may be pleased to consider his present pitiable circumstances and to issue immediate orders to the District Board making it obligatory to grant dearness allowance to the memorialist at the rates sanctioned to Government servants treating the expenditure as a prior charge on District Board funds.

For which act of justice and generosity, the memorialist shall, as in duty bound,
