Grant - Madras Olympic Association

no 7492/45. From the D.P. 2 Ac no 84E/43 3 17.2.45

The Madras Olympic Association's resolution refers to its p. 11. It is not having received the usual govt grant for the last two years. It has not guaranteed any recurring grant to the association as the term 'usual grant' might appear to imply. Applications for grant are considered as they are received from the Assn. - Please see the summary at H-6-7 of, up to the stage at which the assn. received its most recent grant in a sum of Rs 500 in 1942-43. Its subsequent applications were rejected for the reasons recorded at pp 3-8 of the ref. (N), the gist of which was that ordinary subscriptions and membership fees were sufficient to pay the expenses.

2. There is no information in office as to whether Mr Dixon has moved in the matter, as is mentioned at p. 2 of. Finance may see for remarks with particular reference to Mr Dixon's communication, if any, before circulation.

This deptt may agree with the views of B & P. H. above at A above. (Please see latest order at H-4-5 N.F. 2 G. 1532 E.P.H. 10.11.43.) N.F. 6 para 2 of B & P. H. 4's note above it is submitted that no communication from Mr. Dixon has been received in this deptt in regard to this matter.

The work of the Madras Olympic Assn. is stated explained
in the letter from the Secretary of the Assn. on p 4CF.

a grant will be favourably considered. - Perhaps the D.P.G.
may be asked to obtain & furnish a statement of receipts
& charges of the Assn. for the year 1944-45.

A draft T.M. is submitted below for approval

One would have expected the
association to make out a clear case for
subs. and with details of the income and
exp. The Assn. has merely made certain
general statements: -

pp 4-5: general statements: - ~~Assn.~~ which do not
carry the point or further that the stage
at which the request was rejected last Sep.
N/ w.f.s. We may tell the D. P. G. that
the matter cannot be considered this year
and that if sufficient details are given to
the sign of the above that the expenses are not
required, if not covered by subscriptions the case may be
brought forward as a Part II item for 1946-47
not completed - 66EF

From the statement of receipts & charges of the Assn. for 1944-45, on p 8 of. it will be observed that the Assn. was able to meet the expenses for the year from donations subscriptions & entrance fee for tournaments and that there was a closing balance of Rs 196 against the opening balance of Rs 58. Presumably the Association carried on its activities in a limited scale having regard to its income. I order whether the Association's request for a grant will be favourably considered.

There appears to be no case for a grant now on the basis of the figures at p 8.
