R.C.No.649-E/44 dated 22-5-1945.

Sir,

Sub: Physical Education - Amalgamation of the offices
of the Regional Physical Directors with those of the
Divisional Inspectors - Proposals.
Ref: Government Order No.423 Education, dated 20-3-45.

With reference to the last sentence of the G.O. referred
to above, I have the honour to state that I have examined the
possibility of amalgamating the offices of the Regional Physi-
cal Directors with those of the Divisional Inspectors and placin
them under the immediate supervision of the Divisional Inspector.
I am of opinion that the offices of the Regional Physical Direct
may be attached to those of the Divisional Inspectors provided
adequate accommodation is provided for and they may be placed un
the latter's immediate supervision, the control in respect of
technical matters continuing to rest with the Adviser to Govern
on Physical Education. The amalgamation of the Regional physica
Director's Office with that ~~xxx~~ of the District Educational Office
does not seem to be advisable and may not serve ~~any~~ real purpose,
as the Regional Physical Director is an officer having jurisdic-
tion over 6 districts corresponding to that of the Divisional
Inspectors where as the District Educational Officer who is in
charge of a single district will not be able to deal with Physical
educational matters of all the six districts.

PHYSICAL EDUCATION--Officers of the Regional Physical
Amalgamation with those of the Divisional Inspector
Schools.

Reference:- G.O.No.Ms. 1060 Edn. dated 16.7.1945.

I have the honour to state that the officers of the
Regional Physical Directors of Guntur, Anantapur, Madura and Co.
have been amalgamated with those of the Divisional Inspectors
of schools of the respective divisions with effect from 1.8.45.
The Divisional Inspector, Madura, however reports that "there is
not even an inch of space" in his office to accommodate the
Regional Physical Director's office. Hence the office of the
Regional Physical Director, Madura, will remain where it is
located at present.

I have the honour to be,
Sir,
your most obedient servant,
