ALL PROVINCIAL GOVERNMENTS AND CHIEF COMMISSIONERS.

SUBJECT :—Supply of Government priced publications to the National Central Library, Chungking.

The National Central Library, Chungking, which is a Chinese Government Institution, has requested for the supply to it of Government-publications relating to social, economic, educational, and cultural developments of India and books on post-war planning and development. It has been decided that such of the Government of India publications on these subjects may be supplied to the Library, free of charge, as are available for sale to the public under war-time conditions. It is requested that, if there is no objection, similar action may be taken in respect of Provincial Government publications.

It has also been decided that a number of non-Government publications on these subjects at a cost not exceeding Rs. 500 per annum may be supplied to the Library and that arrangements should be made to obtain in return publications issued by the Government of China, etc. The publications received will be catalogued and placed separately in the Imperial Secretariat Library for the use of Government Departments and the public.

2 To avoid the usual practice of preliminary censorship before despatch, the publications may be sent officially through the Indian Agency General, Chungking, care of the Chinese Relation Officer, Calcutta, for transmission to the library.
