To

The Secretary,
Education Department,
Government of Madras, M A D R A S.

Sir,

I have the honour to inform you that the Madras University Commission visited our College on 9-4-45 and suggested that there should be one Government nominee on the Managing Body of the College, who holds the status not lower than a Divisional Inspector of Schools or Deputy Director of Public Instruction.

I, therefore, request that you will be pleased to nominate a member to be on the Managing Body.

The Divisional Inspector of Schools, Anantapur, who is very near to Bellary may be nominated to serve in the Managing Body if this is agreeable to the Authorities.

I have the honour to be,
Sir,
Your most obedient servant.

Y. Manabalaiah
President,

COLLEGES AND SCHOOLS (Private management) - Membership of Government officers on Managing Bodies - Orders passed.

READ:- From the President, The Madras Veerasaiva Vidyavardhaka Sangha, Bellary, dated 14/15th June 1945.

ORDER:-

The Government do not consider it desirable, on principle, that departmental officers should be connected with the management of aided educational institutions. They, therefore, regret that they cannot nominate the Divisional Inspector of Schools, Anantapur, to be a member of Managing Body of the Bellary College.

2. The Director of Public Instruction is requested to inform Sri P. Bhadriah, Divisional Inspector of Schools, that he should resign his membership of the Managing Committee of the P.R. College, Cocanada.

(By Order of His Excellency the Governor)

(o/c.)

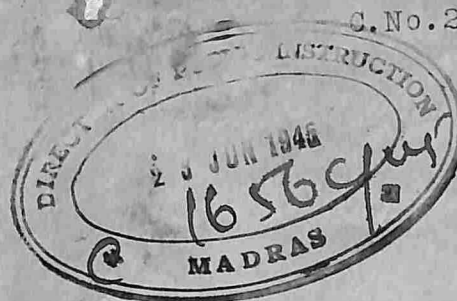

Secretary to Government.

To the Director of Public Instruction.

C.No.26936. From the President, The Madras Veerasaiva Vidya-
vardhaka Sangha, Bellary, dated 25-6-1945.

New college at Bellary - Managing Body - Nomination
of a Government member.

Statute 6 at p.304 of the Madras University
Calendar, Vol.I-Part I, provides that every college should be
managed by a regularly constituted Managing Body on which the
teaching staff shall be represented by at least the Principal.
The presence of a Government officer on this Body is not part
of the provisions in the Statute; nor is it clear from the
current letter that the University has made it a condition of
the grant of affiliation to the college in this instance. Possi-
bly, it is a suggestion by the University.

2. It is true that with refce. to analogous
provisions in the Andhra University Act, the Government have
permitted their officers to serve on the Governing Body of the
Lady Hope College, Guntur. But that college is managed by a
municipal body and the Government were specially interested in
the college making a good beginning. The position of aided
colleges is somewhat different and this is the first instance of
a suggestion having been put forward ^{to Govt.} for placing on the Managir-
Body a Govt. officer of the rank of the Divisional Inspector of
Schools or the Deputy D.P.I. Colleges under private manager
are usually assisted under the provisions of the Grant-in-Aid
Code, and there is a considerable number of them. Though there
are precedents for Govt. officers of the type of the District
Collector being on the Committees of some of such colleges, the
presence of an educational officer of the status in question on
the Managing Bodies of these colleges is likely to create
embarrassing situations. The D.P.I.'s remarks may first be
obtained u.o.

Since circulating the note above, I
came across the account given at p.402 of the
current vol. of the Andhra Univ. Annual Re-
view which shows that the Department of

His Excellency the Governor wishes to
impress upon every person holding a position in
any Department of Government his duty to
maintain a spirit of alert and confident energy.
His Excellency has reason to fear that some
Government servants have not been sufficiently
alive to this duty and have allowed their morale
to be impaired by a pessimistic and defeatist
infection. His Excellency wishes again to
remind all servants of his Government of the
words addressed by the Prime Minister to His
Majesty's servants in the United Kingdom in
June 1940. He expects them all, and specially
those in high places, "to set an example of
steadiness and resolution. They should check
and rebuke expressions of loose, ill-digested
opinion in their circles or by their subordinates.
They should not hesitate to report, or if neces-
sary remove, any officers or officials who are
found to be consciously exercising a disturbing
or a depressing influence and whose talk is
calculated to set up alarm and despondency.
Such conduct is unpatriotic, it is treacherous
and it is unworthy of the fighting men who on
the sea, on land and in the air are discharging
their much more arduous duties so fearlessly
and so gallantly.

is an managing committee of the P. N. College,
 Cocanada. The Dy. D. P. I. was good enough to
 tell me that the Dy. D. P. I. had the D. P. I.'s
 permission to serve on the committee. It is not clear
 whether this committee is the same as the "Governing
 body" provided by the Andhra Univ. Laws or independent
 of it. Whatever may be, the position of the Dy. D. P. I.
 on this college committee may have to be
 reviewed with refer. to the decision which was be
 taken at the general meeting held in the Dy. D. P. I.
 note on previous page.

2. On principle, I do not consider it desirable that my
 Departmental officers of any status should associate themselves
 officially with the affairs of aided colleges in any manner.
 If this principle is agreed to Sri P. Shadrian may be advised
 to resign his membership of the advisory committee of the
