Sub: WAR - Children of soldiers - Free Boys
Hostel at Vellore.

I have the honour to invite the attention of Government to G.O.No.662 Ednl, dated 27-4-45 sanctioning the opening of a free boys hostel at Vellore for the children of soldiers who have served or are serving in the present war. In consultation with the Collector of North Arcot, the District Educational Officer fixed up four street houses in Vellore for the location of the hostel. These could accommodate about 125 inmates and as these were the only available houses, their selection was approved by me.

2. The District Educational Officer now writes to me that so far only 20 applications for seats in the hostel have been received and of these only 5 are found to be eligible for admission. He doubts whether the number will reach 40 even by the middle of this month. He states that the hostel building belonging to the Sri Mahant's Devasthanam High School, Vellore, is vacant and has requested for my orders whether this building can be fixed up for the hostel if the authorities are willing to let it for rent. This building is reported to accommodate about 25 or 30 boys and is very near the schools in the town besides having electric and water conveniences.

3. I request to be informed whether in the circumstances stated, I may permit the District Educational Officer to open the hostel with the existing eligible applicants.

Sir,

SUBJECT:- Opening of a free boys' hostel at Vellore.

Ref:- G.O.No.662, Education, dated 27-4-45.

In connection with the opening of a free Boys' hostel at Vellore for the children of Soldiers, Government in their order referred to above have sanctioned the appointment of (i) Warden on a Salary of Rs.30/- per mensem (ii) a Deputy Warden on Rs.15/- per mensem and (iii) a clerk on Rs.30/- per mensem. The main control over the hostel will be by the Deputy Warden who will be a departmental officer drawing in addition to his pay an honorarium of Rs.15/- per mensem while the warden on a salary of Rs.30/- will only be a Manager of hostel. I submit that the nomenclature appears misleading and suggest that that the Deputy Warden who will be a Departmental Officer may be designated as the Warden with an honorarium of Rs.15/- per mensem while the full-time Warden who will be a non-official on Rs.30/- may be designated as the Manager.

2. On a suggestion from the Secretary, Madras Provincial Sailors, Soldiers and Airmen's Board, Bangalore, I have agreed to the ~~appointment of ex-servicemen for the posts of (full-time) and clerk. These people will work under instructions from the Departmental Officer - Part time Warden on Rs.15/- per mensem.~~ *the warden*

3. I request the favour of early orders of Government.

The D.P.I. is informed that he may proceed to open the hostel sanctioned in G.O.No. 662-Edn., dated 27-4-1945, with such number of eligible inmates as ^{may be} available. But the size of the establishment and other items of expenditure should be commensurate with the number of students residing in the hostel. The Director is requested to consider whether it will not be sufficient to employ, in the first instance, a departmental officer as Warden, on a special pay of Rs.15 a month as proposed by him, and one ~~cook~~, one servant and one scavenger, all to be paid at market rates, taking into account also dearness allowance at present rates. The D.P.I. may propose the employment of a Manager on Rs.30 p.m. when the strength of the hostel reaches a figure which would justify the course.

2. The Government sanction the grant of a special advance of Rs.100 (Rupees one hundred only) to the D.E.O., N. Arcot, for the upkeep of the hostel. The advance will be debitable to "Deposits and advances - Advances not bearing interest - Advances repayable - c. Special advance - A. Advances to hostels".

and that so far there have been only 20 applicants, of
whom five alone are seen ^{to be} eligible for admission. The

Government are authorising the Director to proceed with
the opening of the hostel even with the limited number of
inmates available, in the hope that, as the existence
of the hostel comes to be more widely known and its
advantages sufficiently realized, there will be an

accession to its strength. I am to enclose for your
information a copy of the proceedings and to request that
such publicity as may be considered desirable may be
given to the provision of this hostel, preferably through

Govt. Letter No. 31257-G-3 dated 18-7-45 to the
Civil Liason Officer, Bangalore.

The District Educational Officer, North Arcot reports that 57 applications have so far been received and of them only 6 are from the Children of soldiers. The Divisional Inspector of Schools, Coimbatore Di, therefore, suggests that these six students may be admitted into a hostel attached to one of the local schools and their expenses met by the Government. I recommend that the suggestion of the Divisional Inspector may be agreed to as it is not economical to run at Government cost a separate hostel for half-a-dozen students. If, however, in the course of the year the strength shows perceptible improvement steps will be taken to open a separate hostel.

2. Pending the orders of the Government I am advising my Divisional Inspector not to proceed with the arrangements for the opening of the hostel.

Hostel at Vellore for children of "soldiers".

C.F.1-2: Reference is invited to "K"/55-57

C.F., containing the D.P.I.'s proposal for opening a free boys' hostel for the sons of "soldiers" who have served or are serving in the present war, to "K"/47-51 W.F., containing the notes on the subject for consideration at the Advisers' meeting and the decision taken at the meeting, and to the order at "K"/103-4 C.F., sanctioning the opening of the hostel. The Director reports that there is no prospect of securing at present anything like 200 boys for whom the hostel project was devised and that so far, there have been only 20 applicants, of whom five alone are seen eligible for admission.

The Director asks for orders whether, in the circumstance, he should proceed with the opening of the hostel with such number as may be available. He has in view the hiring of a private building capable of accommodating 25 or 30 boys. It would be a pity to drop the scheme because the numbers just now are not encouraging. It may be hoped that the number will increase when the existence of the hostel comes to be better known and its advantages sufficiently realised.

C.F.3-4: In the establishment sanctioned for

the hostel, the designations of Warden with a remuneration of Rs.30 p.m. and of Deputy Warden with a remuneration of Rs.15 p.m. were taken from the Director's proposals themselves - "K"/C.F. 56 and 104. Were this hostel definitely attached to a specific Government college, the Principal would be ex-officio Warden with no allowance and a member of the college staff, Deputy Warden, receiving an allowance of Rs.30 or 15 p.m., according as he belongs to the gazetted or non-gazetted service. Were the hostel one attached to a school, a member of the school staff (Subordinate Service) would be the Warden

with an allowance of Rs.15 - G.O.No.1344-Edn., dated 6-3-1925. In either case, the manager, if any, employed would have to be paid for by the inmates of the hostel. The hostel now in question is not one attached to a definite institution. Such students as may occupy it would probably be attending different institutions.

The Director now proposes that a departmental officer may be the Deputy Warden on an honorarium of Rs.15 p.m., and that he may be designated the warden, while instead of the Warden there may be a Manager (non-official) on Rs.30 a month. There is no objection to the proposal being sanctioned, but perhaps it is better to retain the designation of Warden, following A above, for the departmental officer.

C.F.5: A permanent advance of Rs.100 may be sanctioned as suggested. But it will have to be called a "special advance", following the terminology used by Finance in a similar connection recently.

The primary question is whether the hostel itself should be opened, having regard to the small number of students now available. In that case, it will be necessary too to make a corresponding reduction in the size of the establishment, allowed for the hostel on the supposition that it would have about 200 inmates. The remarks of the Finance Department may first be invited.

Free Boys' Hostel at Vellore for Children of "Soldiers".

(K)

In G.O. no. 662 Edn. dt 27.4.45 the Govt. sanctioned the opening of a free boys' hostel, sufficient to accommodate a maximum of 200 boys, at Vellore, for the use of the children of soldiers serving in the present war. In the beginning of last month the D.P.D. reported to Govt. that only a few applications for seats in the hostel ~~were~~ had been received out of which only 5 were eligible. In the circumstances, the D.P.D. asked for Govt. permission to rent a building which would accommodate about 25-30 boys. The Govt. asked the D.P.D. to proceed to open the hostel with such number of eligible inmates as might be available. At the same time the C.L.O., Bangalore, was requested to make arrangements to give wide publicity to the existence of this hostel.

are remote, in view of the fact that it is already more than a month since the schools and colleges were reopened after the vacation, and many of the eligible students might have already joined the schools and colleges in the various districts not knowing that a free hostel was going to be opened at Vellore. In the middle of the term, it will not be possible for these students to go leave the schools where they are studying for the sake of joining the free hostel at Vellore.

In the above circumstances, the D.P.9's recommendation may be accepted. For orders. Public (War) and Finance may see.

- The Advisers' meeting considered the following proposals:-
- (1) the Vellore hostel scheme; and
 - (2) - (a) the provision of free boarding and lodging for all eligible children living in recognized hostels (anywhere in the Province); or
 - (b) the provision of a limited number of special scholarships for deserving poor children of the eligible class, covering hostel fees, in whole or in part.

The decision was to start the hostel at Vellore, open to 'eligible' students from any part of the Province. "K"/50-51 N.F. Now that the hostel is not an immediately feasible proposition, it is not clear whether there will be justification for meeting the boarding and the lodging expenses of only the six students who are said to be at Vellore, after their admission to a school hostel is arranged. That treatment, if decided on, will probably have to be extended to similar students elsewhere in the Province, also.

Special decision
in view of the fact
that the hostel is
not an immediately
feasible proposition

The D.P.9 will doubtless review the position if the circular produces a decent no. of applications.

Please see E.P.H. note on pgs 1-2 above. Before the decision was taken to start a hostel for the children and dependents of soldiers who have served in the present war, the Madras Prov. Soldiers Board reported that there were 207 students studying in the college and secondary schools at that place. The D.P.9 men proposed that the total number of inmates in the hostel may be restricted to 200.

3 of 2/ The D.P.9 has now reported that there are only 6 qualified applicants from the children of soldiers, and in view of the factors mentioned in para 3 of E.P.H. note on pgs 1-2 above, there is not likely to be any material increase in the number. As a minimum staff of 1 Warden, 1 Cook, 1 servant and scavenger will be needed to run a hostel irrespective of the number of inmates, it will be very expensive to start it for the sake of 6 students. The recommendation of the D.P.9 in para 1 of his letter on pgs 3 of 2 is, in the existing circumstances, the best suited and economical arrangement and Fin may suggest that it may be adopted for the present. This need not necessarily affect the decision in E.P.H. note on pgs 1-2 of 27.4.45, as it can be given effect to and when there is an improvement in the strength in the cost of the year.
