Sir,

Government secondary and Training School for
Women, Erode - Creation of the post of
Drawing Mistress.

I have the honour to submit for the favourable
consideration of the Government the following propo-
sal for the creation of a separate post of Drawing
Mistress in the Government secondary and Training
School for Women, at Erode from the current school
year.

for Women at Erode consists of a secondary school
with classes I-V and Forms I-VI and a Higher Elemen-
tary grade training class in two sections - Junior

There is only one combined Drawing and Sewing Mistress in the school. For the 17 sections in the school 53 periods of Drawing and Sewing work has to be done in a week. The combined Drawing and Sewing Mistress is now doing 28 periods of work. The remaining 25 periods of work is shared by several Secondary grade Assistants in the school in addition to their regular duties. The Inspectress states that a separate Drawing Mistress is essential for the school to cope with the work. It is not desirable to entrust the work in Drawing and Sewing to the Secondary grade Assistants who have already enough work as class teachers. There are separate Drawing and Sewing Mistresses in a good number of secondary and training schools for women. As there is a real and urgent need for a separate Drawing Mistress in the Government Secondary and Training School for Women at Erode, which is a growing institution, I request that the Government may be pleased to create a post of separate Drawing Mistress in the School in the scale of pay of Rs.30-55 from the current school year.

3. The expenditure can be met from the Budget Estimate for 1945-46.

I have the honour to be, Sir,
Your most obedient servant,

For DIRECTOR OF PUBLIC INSTRUCTION.
