No. Roc.9186-E3-41 dated 22---5---1945.

Sir,

Sub: Buildings - Departmental - L.F.Chatram - Satyamangalam -
Utilization of a portion - additional accommodation - Board
Higher Ele. School, Satyamangalam - Permission - requested.
Ref: Collector's Letter L.Dis.No.1194/44 d/1-4-44 and No.3362/44-A1
dated 1-3-45.

The strength and attendance of Board Higher Elementary school, Satyamangalam, as per monthly return for April 1945 are 643/502 while the number of school places available in the present school buildings is only 400. No rented building is also available in that locality. The materials of the old Deputy Tahsildar's Office at Satyamangalam have been sold in auction and the District Board applied for the alienation of the site occupied by the old Deputy Tahsildar's Office building for the construction of the school house. The Board of Revenue has accorded permission to enter upon the land (S.F.No.165 F of Satyamangalam village) for school purposes pending sanction of alienation - vide copy of the letter Ref.No.3362/44-E1 dated 1-3-45 of the Collector, Coimbatore enclosed.

h3 infra The District Board Engineer, Coimbatore, has been requested to submit necessary plans and estimates for the construction of temporary sheds on the above sites which is adjoining the present school building.

10-2
The chatram at Satyamangalam is located within hundred yards from the school building and it has two good portions independant of each other. One portion may be utilized for the school and the other for the use of travelling public. There will be no inconvenience to the public even if on half of the building is entirely set apart for the school as the other independent portion is more than sufficient for the use of the travellers who are very few. Moreover there is also a good rest house which can accommodate two families at a time and so the chatram is very rarely used by the officers.

Pending construction of the temporary sheds on the site I applied to the Collector of Coimbatore for permission to hold a few classes in the L.F.Chatram at Satyamangalam which is an endowed one. The Collector in his L.Dis.No.1194/44 d/1-4-44 (enclosed) has replied that if the District Board wants the use of the chatram for the school purposes the Government may be addressed in the matter.

As no suitable buildings is available for rent for the growing need of the school which is subjected to adverse remarks by the Educational authorities for want of accommodation, ~~some~~ of the classes have to be accommodated in the chatram till temporary sheds are constructed for which the District Board Engineer has already been addressed. I request that Government may be pleased to accord the permission applied for.

Sub: Local boards - District Board - Coimbatore - building for Boys' school, Satyamangalam permission to occupy a portion of the local fund chatram at Satyamangalam - refused - reconsideration - orders passed.

Read: Letter's Roc.No.9186/E4/DB/41 d/3-2-44 and 4-3-44 from the President, District Board, Coimbatore.

As the occupation of the local fund chatram at Satyamangalam by the school

will cause inconvenience to the public and camping officers the permission applied for its occupation cannot be granted. If the District Board still wants the chatram, the Government may be addressed in the matter.

2. The Deputy Tahsildar, Satyamangalam should submit proposals for permitting the District Board, Coimbatore to occupy the site occupied by the old Deputy Tahsildar's Office buildings at Satyamangalam pending alienation after the war.

Read: From the Collector of Coimbatore, No.Rc.3362/45-A1 dated 8-6-45.

The Board of Revenue, has accorded permission to the District Board, Coimbatore, to enter upon S.No.165-F of Satyamangalam village, for using it for school purposes pending sanction of alienation and has called for alienation proposals. The Board's orders quoted above were communicated to the President, District Board, Coimbatore, on 1-3-45 and proposals for the alienation of land and revenue have been called for from the Deputy Tahsildar, Satyamangalam. The proposals have not yet been received.

2. The President, District Board, now writes that the District Board Engineer has been asked to submit necessary plans and estimates for construction of temporary sheds on the site which adjoins the present school building and requests permission to hold a few classes in a portion of Local Fund Chatram at Satyamangalam pending construction of the temporary sheds as no suitable buildings are available for rent. The request of the President, District Board, has already been considered more than once. The Tahsildar and the Revenue Divisional Officer, Gobichettipalayam, have reported that if a portion of the chatram is given for school purposes it will greatly inconvenience the touring officers camping in the chatram and the public. The President, District Board, was therefore informed in this office L.Dis.No.1194/44 dated 1-4-44 that the permission applied for cannot be granted and that if the District Board still wants the Chatram the Government must be addressed in the matter.

3. The Local Fund choultry is an endowed institution solely intended for use by the travelling public. If however in the circumstances now reported by the President, if the Government are pleased to permit the use of one portion of the choultry for school purposes, permission may be granted subject to the condition that the District Board should take urgent steps to construct temporary sheds on the site of the old D.T's Office, to be alienated in its favour and vacate the choultry as early as possible.

Reference:

Submitted to the Government.

2. The Board agrees with the Collector.

3. If the Government are pleased to grant temporary permission to the District Board for the use of the portion of the chatram for school purposes, the Board recommends that a time limit may be imposed for the construction of the temporary sheds on the site agreed to be alienated.
