Sir,

Subj: Requesting sanction to subscribe to the journal "Man in India" - Annual subscription of Rs.15/- if sanctioned, can be met from the Library budget allotment under 'Books and Periodicals'.

I have the honour to state that this Library has been getting the journal "Man in India" from its Editor, in exchange for the Madras Museum bulletins, but due to financial instability, the former is unable to continue it on the same basis. As the journal is very valuable both to the Museum Superintendent and the Curators as well as for Scientific workers, this Library has to subscribe to it from where it has ceased to come.

I have therefore the honour to request the Government will be pleased to accord sanction to subscribe to this journal meeting its cost of Rs.15/-
