R.CL. No. 54/44, Dated 6th December 1944.

Subject:- Madras Educational Service - Dr. S. Kalyanaraman,
Officiating Professor of Physics, Presidency Col-
lege, Madras - Application for leave.

IN his letter dated 20th November 1944 Dr. S. Kalyanaraman, Officiating Professor of Physics, Presidency College, Madras, stated that he was not doing well and requested that he may be granted leave on half average pay without Medical Certificate for one month and one day from 10th November 1944 with permission to avail himself of the Christmas holidays from the 11th December 1944 to the 1st January 1945. The Principal, Presidency College, Madras reported that the Professor was seriously ill and in submitting the application for leave expressed his doubt whether Dr. Kalyanaraman would be fit to join duty on the 2nd January 1945.

2. In this connection I may inform Government that Dr. S. Kalyanaraman was on leave for 15 days during July--August 1944 for reasons of health. By the time he could be got examined by the Medical Board he rejoined duty after producing a Certificate of Physical Fitness to return to duty from a Registered Medical Practitioner. However, the history of his medical case showed

P.T.O.

showed that his condition was not quite satisfactory. He has again fallen ill and has applied for leave on half average pay without Medical Certificate. In view of the Principal's report that the Professor was seriously ill and his doubt as to the Professor's fitness to rejoin duty on 2-1-1945 and also in view of the last medical case report, I considered it desirable to have him examined by the Medical Board and obtain the Board's opinion as to the period of leave that would be required for the restoration of his normal health. In consultation with the Surgeon-General with the Government of Madras, the Professor was instructed to appear before the Medical Board on 2nd December 1944. But the Professor stated that he could not appear before the Board on 2nd December 1944 as his medical Attendant thought that it was not advisable for him to move from his bed. He, therefore, requests that he may be permitted to appear before the Medical Board after a fortnight. I am consulting the Surgeon-General again in regard to the Professor's request.

3. In the circumstances stated above I have the honour to state that I shall submit to the Government the leave application of Dr. S. Kalyanaraman with my recommendation thereon, after he is examined by the Medical Board. / A

In continuation of my Confidential letters CL.No.54/44 dated 20th Novr. 1944, and 6th December 1944, I have the honour to state that Dr. S. Kalyanaraman, officiating Professor of Physics, Presidency College, Madras, has been recommended leave for 8 months from 10-11-'44 by the Medical Board which examined him on 16-12-1944. I am separately submitting my recommendation to Government for the grant of the leave recommended by the Board.

As the vacancy in the post of Professor of Physics is a longstanding one, the question of making a regular appointment to the post has to be considered. Accordingly, I propose to transfer Sri T.M. Margasahayam Chettiar, Lecturer in Physics, Government College, Kumbakonam, to officiate as Professor of Physics, Presidency College, and Sri V.N. Viswanatha Ayyar, officiating Professor as officiating Additional Professor of Physics in the same College. Sri T.N. Seshadri, who was appointed in G.O.No.Ms.1813, Edn., dated 1-12-1944 to act as Additional Professor of Physics, under emergency provisions, will revert to the Subordinate Educational Service, on relief by Sri V.N. Viswanatha Ayyar. The resultant vacancy in the post of Lecturer in Physics, Government College, Kumbakonam, has to be filled. I recommend that Sri A.G. Narasimham, Assistant Lecturer in Physics, Government College, Kumbakonam, may be appointed to

My dear Mr. Austin,

PRESIDENCY COLLEGE,
MADRAS.

31-12-44.

Personal

Dr. S. Kalyanaraman, Professor of Physics, Presidency College, had to go on leave, in November, due to sudden illness. In the interests of the advanced courses of studies, such as the Honours and M. Sc. (Research), I had proposed an interim arrangement to fill up the vacancy. This arrangement was accepted and came into force from the beginning of this month. Now that Dr. S. Kalyanaraman's leave is to be extended, I hear that there is a proposal to change the existing arrangement and to bring in Mr. T. M. Margasahayam Chettiar who has had no experience of Honours teaching or research, and who ~~in~~ in my opinion will not be a good choice. I feel strongly that in the interests of the students, the college work should in no way be disturbed, particularly during the closing term just before the University examinations, and I therefore strongly recommend the continuance of the present arrangement, atleast till the college closes for the summer vacation.

With best regards,

Yours sincerely,

T. Austin Esq, C. I. E.

Indefinite, as the funds, to continue the present temporary

30/1/44

D. Deg has since written in a
private - I am inclined to agree
with him that temporary arrangements
may stand for till college closes.

12/1/44

As noted by Secy, the acceptance of Mr. Dey's
proposal will mean that Mr. Nair will be
kept out of the promotion from about the middle of
March 44 to the end of March 45, about 4 1/2
months.

(K) action having
the effect of
do not contemplate the withdrawal of promotion
for more than three months. For the present
instance, Mr. Nair's post in the Subordinate
Revenue is Rs 227 1/2 + War allowance of Rs 22 3/4.
If promoted to the Provincial Revenue his post will
be Rs 230 + war allowance of Rs 50. He stands
to lose Rs 30 a month.

It is understood that Mr. T. N. Seshadri took
charge of the emergency appt. made at (W) on
(T) 6.12.44 under G.O. 4021 P.W.D. 9.1.43, the
comm. should be cancelled well in advance, if the
appt. is likely to continue beyond a period of 3
months. That can be done and the reasons given
by Mr. Dey will probably be sufficient. But
the real question is what, if that stated above
about Mr. Nair, it may have to be
considered too whether he should be granted an
relief with refer. to the last sentence of (K).

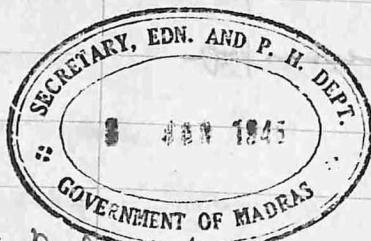

I do not
think the temporary
arrangement is
inadequate for
the purposes of
the present emergency
appt. as it will
be sufficient to
do the work which
is being done by
the present holder
of the post.

Another alternative would be to promote Mr.
Nair to the post of the Provincial College,
releasing Mr. Seshadri to the Subordinate Revenue
but, retaining Seshadri who will continue his
teaching work without interruption. Another
adv. post. from the Provincial College could be
transferred to Tirunelveli. All this can be
arranged D.O. with D. P. J. for later. In
view of the urgency of the matter the
can now perhaps be circulated to Mr. D. N. with
refer. to Mr. E. J. being sure. Undoubtedly the case
may be refer. to Mr. E. J. for information after which

dislocation, is a greater or less extent, in the
and actions, & as the main idea now is to avoid
dislocation, we may proceed with the proposed
to continue the present temporary arrangement (A2's minute
at p. 2 ante) ; the Commission's consent may
be sought, as indicated at R at p. 3 ante.

Spent in office.
Proposed minutes with regard to

Roc. No. 6017-B/39.

Memorandum—No. 49498-A/39-2, Education, dated 1st March 1940.

Instructions have been issued by the Director of Public Instruction recently that only teachers who possess at least the trained teacher's certificate of the secondary grade should teach English in elementary schools. District Boards and Municipal Councils are informed that teachers thus employed to teach English in elementary schools should be granted pay at the rates prescribed for secondary grade trained teachers. If any local body is unable to grant this pay, it should not introduce the teaching of English in its schools.
