From

H.W.M. Sadleir, Esq., M.A. (Contab),
Secretary to the Inter-Provincial Board for
Anglo-Indian and European Education

To

The Secretary to the Government of Madras,
Education and Public Health Department,
Madras

Dated Simla, the 18th June 1945

28972

Subject: Payment of salary and dearness allowance to an
officiating Secretary to the Inter-Provincial Board
for Anglo-Indian and European Education from the
Board's Reserve Fund during the absence on leave of
the permanent Secretary in England.

Sir,

I am directed to say that since I took up service with the Board on the 31st August, 1940, the Board has not found it possible to permit me to take the long leave needed to enable me to pay a visit to England, because of the great increase in its work in recent years and chiefly because of the responsibilities it undertook in order to make the Cambridge Local Examinations available during the difficult war period not only to candidates from Government recognised Anglo-Indian and European schools but also to a large number of evacuee candidates, who but for the war would have taken these or similar examinations in England. I shall complete on August 30th next, five full years' service with the Board, and the Board now feel that if it expects me to give the maximum personal efficiency to my duties I must be granted long leave as soon as possible after the Cambridge Examinations of next December are over. In 1939, when Mr. Edmonds, the then Secretary to the Board, went on leave to England the work of the Board was so light that it was possible for the then Chairman to do it as an addition to his regular work as Director of Public Instruction, Punjab; for this extra work the Chairman did not claim or receive any remuneration from the Board. In view, however, of the great increase in the work of the Board and the responsibilities undertaken in connection with the Cambridge Examinations, the Board are of the opinion that no arrangement such as was made for Mr. Edmond's period of leave, is possible for my period of leave, and that therefore they must engage a suitable substitute to carry on my duties whilst I am away. Since, however, it is not possible to meet the salary and war allowance of the substitute, which is estimated at Rs. 5,875/- for the full period of my leave, out of the Board's annual income of Rs. 30,000/- contributed by the Central and Provincial Governments, I am to request the Government of Madras to permit Rs. 1361/7/- which is its share of the Rs. 5,875/- worked out on the same basis as its contribution to the Board's annual income, to be met from the Board's Reserve Fund in which the Government of Madras has Rs. 1,439/14/- to its credit. In this connection I am to refer you to your letter No. MS. 1217, dated the 6th August, 1941.

2. I am to request the Government of Madras to give their most sympathetic consideration to the matter dealt with in this letter and to favour the Board with a reply at a very early date.

I have the honour to be,
Sir,
Your most obedient servant,
H.W.M. Sadleir
Secretary

Salary and allowance to the officiating
 Secy to the Inter-Provincial Board for Anglo-Indian
 and European Edn

The Secretary to the Inter-Provincial
 Board for Anglo Indian and European education
 requests this Govt. to contribute a sum of
 Rs 1361-7-0 towards the payment of salary and
 dearness allowance to the officiating Secretary
 to the Board during the absence or leave of
 the permanent Secretary in England. The total
 salary and allowance of the substitute is
 estimated at Rs 5875 of which Rs 1361-7-0
 represents this Govt's share, worked out on the
 basis of this Govt's contribution to the Board's annual
 income. The Secy suggests that this amount
 may be met from the Board's Reserve Fund
 in which this Govt. has a credit of Rs 1439-14-0
 This sum of Rs 1439-14-0 ^{annex} ~~app~~ represents
 apparently from the savings in the
 Contribution paid by this Govt. in 1940-1
 which was allowed to be retained by
 the Board as 'Reserve' with a rider that it
 should be returned to the Govt. upon normal times set in.
 The Secy has apparently
 addressed other Provincial Govts also in
 the matter. There may be no objection
 to agree to his proposal, if other Govts
 agree. Draft subd:
 Finance may see for remarks. write
 particularly to 'K' about and for advice whether this Govt's agreement is
 SO he contingent on other provincial units say

Finance (Exp.B).

E.P.H. note on p.1 above may be perused. In letter No. 1217 Edn. dated 6-8-1941, the Govt. agreed to allow the Inter Provincial Board for Anglo-Indian and European Education to retain the savings in the contribution paid by them in 1940-41 to serve as a reserve subject to the condition that the unspent balance, if any, of the Madras contribution in the reserve fund should be refunded to this Govt. in due course when normal times return. This Govt's share in the Board's ~~share~~ Reserve Fund is Rs 1,439-14-0.

2/ The Secretary of the Board is going on leave and a substitute is proposed to be appointed. The Board proposed that, in the circumstances stated in ~~the~~ the letter on p.1 C.F., it may be permitted to debit a sum of Rs 1361-7-0 being this Govt's share of the salary and war allowances of the substitute, to the Reserve Fund mentioned in para 1 above. E.P.H support the proposal, and suggests ~~this Government's agreement need not be contingent on the agreement of other units.~~ The present reference from the Board seems to be only a copy of its letter to other ~~units~~ ^{Govts. concerned} and presumably the other units ^{Govts} have also been addressed and they would agree to the proposal of the Board. This Department may agree with E.P.H and ~~that~~

~~condition need be insisted upon~~ and accept the draft letter.

what this Govt agrees to is that its share of the actual cost of the substitute according to the usual distribution of to a maximum of Rs. 1361 7/2 = (for this Govt's share) may be met from the amount at the credit of this Govt in the Board's Reserve Fund.
