Sir,

BUDGET - Elementary Education Fund - 1945-46 - District Board,
North Arcot.

Ref: (1) G.O.No.Mis.646, Education dated 25-4-1945.

The accounts of Elementary Education Fund for 1944-45 have been closed with a surplus balance of Rs.49,405--10--7. Taking into account this amount as opening balance for 1945-46 and receipts as shown in the budget approved in the above Government order the total receipts of the District Board works out to Rs. 6,79,216. The increase in the opening balance over that originally estimated for is due to the fall in expenditure in respect of repairs to school buildings during 1944-45. Out of a sum of Rs.10,000 provided for only Rs.2,570/- was spent in 1944-45.

2. For 1945-46, a sum of Rs.25,000/- will be required to make payment of liabilities for the repairs to school buildings that have been sanctioned for execution during 1944-45 but in progress. The Inspecting Officers have adversely remarked that many of the school buildings are in most decaying condition and require immediate repairs. The Director of Public Instruction has also reported to Government that 78 schools are not provided with adequate accommodation. The provision of Rs.10,000/- made in the budget under 'Repairs to Buildings' is proposed to be raised to Rs.35,000/-. Besides extra provision is necessary for payment of dearness allowance at enhanced rates sanctioned in G.O.No.1173, L.A. dated 28-5-1945. Particulars of receipts and expenditure for 1945-46 as revised are shown below:

All possible sources have been tapped and a maximum education tax of one anna per rupee has been levied. In spite of this the closing balance ends in deficit for 45-46. The Government in their order No. 1173, L.A., dated 23-5-45 have stated that proposals are under consideration to augment the resources of District Board to wipe off the deficit.

The arrears of toll compensation of Rs. 2,01,000 to wipe off deficit and to pay enhanced dearness allowance to staff sanctioned by Government, has been taken into account for general funds of the District Board and that too was found to be insufficient to meet the demand and a separate reference has been made about it. The only source that can be adopted is the levy of school fees for classes 6 to 8 and this will approximately bring an income of Rs. 15,000. This may not be justifiable on the face of enhanced levy of education tax on the ryots. The Board too may not accept such a proposal.

I, therefore, request that the Government would be pleased to sanction the extra amount required for the payment of enhanced dearness allowance and to wipe off deficit under Elementary Education Funds.

Elementary Ed. Fund - deficit for 1945-46

According to the figures furnished by the O.S.B. North Arcot in his letter quoted above there will be a deficit of about Rs 2.79 lakhs in the EE Fund account at the end of 1945-46. Means etc. may be devised for avoiding the deficit. The A. A. Dept. may be requested to say whether any and what additional contribution can be made from the general fund towards the deficit. 2. The file may be sent to L.A. for remarks.

The P.S.B. N. Arcot has since furnished figures relative to the actual closing balance on 1-4-45, and the extra cost involved in payment of S.A. and the outstanding bills on 1-4-45. After taking into account all the figures, and the toll compensation, and the compensation and arrears toll Compensation grants sanctioned to the Board in the current year the general account of this Board is expected to close with a deficit of Rs 1,06,344. The increase in income from six pils land cess, entertainment tax and stamp duty may just be sufficient to wipe out this deficit. The Board will not therefore

be able to contribute any ^{total} amount from its general funds to the Elementary Edu. fund. The deficit in the E.E. fund will therefore have to be met by a Govt. grant.

With these remarks the file may be passed on to Finance Dept. a.s.

Finance (Exp. B) Dept.

The Elementary Education Fund Account of the North Arcot District Board for the current year is expected to close with a deficit of Rs 2.79 lakhs after taking into account the opening balance of Rs 49,405. The expenditure on payment of dearness allowance at Govt. rates debit to the E.E. Fund account in this case is estimated at Rs 3.31 lakhs - vide Annexure on p.6 C.F. L.A. have noted that the District Board will not be able to contribute any additional amount from its general funds to the Elementary Education Fund, even after taking into account the additional income accruing to the Board under arrear toll compensation, entertainment tax, etc. A Government subsidy will, therefore, have to be given to wipe off the anticipated deficit in the E.E. Fund account.

Finance may suggest that a lump sum subsidy of Rs 2 lakhs may now be sanctioned. ^{provisionally} The question of sanctioning an additional subsidy, if any, required may be examined later and sanctioned in February 1946 on receipt of the R.E. for 1945-6 when we may have a clearer idea of the financial position of the Dt. Board. (Both the General Account and the E.E. Fund Account).

(The expenditure can be met from the provision of Rs 23.70 lakhs ^{included} in the current year's budget under "37. Education 1. Primary - Grants to local bodies for primary education - A. Local Bodies - I Ordinary areas - A.I.4 Teaching" for grants to local bodies for payment of dearness allowance.)
