Sir,

Sub: GRANT-Elementary Education-Construction of a school building in Ammankoilpatti Street-requested.

*****

The Municipal Ammankoilpatti Elementary School building which is now housed in a small rented building is not found suitable for the purpose and is insufficient to accommadate the present strength. Further the building has no open space for play ground and garden and even sanitary conveniences. At present for want of accommadation in the school one ~~xx~~ class is held in a seperate building slightly away from the main school. No other suitable building is available also in the locality. So the Municipal Council, Sivakasi in accordance with its aim to house its schools in its own building acquired a site in the locality measuring o-93 acre with the approval of the District Educational Officer, Ramnad in the year 1942.

Plan and estimates were prepared for the construction of school building at the site in accordance with the instructions the Director of Public Instruction who has in his letter R.C dated 29-7-44 stated that the [illegible] is suitable for school purp estimated cost of constructing [illegible] building comes Rs. 11,000 building is to accommadte five [illegible]ss rooms.

As instructed by the Director of Public Instruction the plans and estimate have already been sent to the Superintending Engineer for techinical san[illegible] On receipt the same this will be submitted to the to the Director [illegible]ublic Instruction forthe administrative approval.

As t[illegible] no sufficient amount to meet the cost of construction of the bu[illegible] in the Element ry Education Fund. The Council has in its resol[illegible]on No. 160 dated 18-8-44(copy enclosed) resolved to request the Government for a half grant of the estimated cost viz. Rs.5500. The Council is prepared to meet the other half from its general fund. I request that the Government may be pleased to sanction the grant applied for at an early date.

REF:- My Roc. 5102/44 dated 23-10-44

p24 n.f.

In submitting herewith a copy of the letter of the Director of Public Instruction, according administrative sanction for the estimate of Rs. 11000/- for the Construction of the above school building, I request that Government may be pleased to state when the grant and loan applied for can be expected.

It is the wish of the Council to make the new School building vailable for occupation in the next school year and this can be achived f the work is started this year itself. Tenders are being called for, for he work and the current year's schedule of rates on basis of which the stimate of Rs.11000/- was prepared, will hold good, if the agreement for the xecution of the work is entered into this year itself. Technical sanction to the estimate has already been accorded by the Superintending Engineer .W.D.) Trichinopoly.

I request the favour of an early orders.

"The Commissioner has submitted a fresh estimate for Rs.11,000 ba on type design C.A.No.31/1941 as suggested in this office.

1. The roof proposed is a double collard roof (using palmyrah ra and collars) but design C.A.No.31/1941 provides one king post truss for room which arrangement is better. The common rafters may however of palm

2. Instead of Mangalore tiles over flat tiles embodded in lime pan.tiled roof over flat tiles may be adopted if cheaper.

3. The foundations have been taken down 2 ft. in hard gravel or strata. This appears unnecessary. It is enough if the foundations are down to 5 ft, below ground level. The local P.W.D.Assistant Engineer m consulted again in this regard. Fro sand filling, a vertical face is g It may be given a slope during erection.

Part II Scheme 1945-6.

Construction of a school building in Ammankoilpatti Street

The proposed construction of a school building is roughly estimated to cost Rs 11,000. The Municipal Council ~~is~~ has applied for a half grant of Rs 5,500. The D.P.I. reports that detailed plans ~~balance~~ and estimates have not yet been received from the Commissioner for scrutiny by the Consulting Architect and ~~that the~~ subject to revision, a provision of Rs 5,500 for 1945-6 is recommended by him.

2. The letter from the Municipal Commissioner, Sivakasi and the resolution of the Council show that the Council is prepared to meet the other half of the expenditure from its general funds. The examination of the financial position of the Municipal Council by the L.A. Deptt. has disclosed that the Council cannot find the amount required to meet its share of the cost from the closing balance. L.A. Deptt. have suggested that a loan may be given to meet the Council's share of the expenditure and that ~~it~~ the Council will be able to

the annuity from its funds.

Government provide every year a sum of money for the payment of subsidies to local bodies towards the cost of constructing elementary school buildings. The amounts provided during the last three years were

1942-43	Rs.0.34 lakhs.
1943-44	Rs.0.04 "
1944-45	Rs.0.03 "

For 1945-6, it is necessary to consider only ~~xxxxxxxxxxxxxx~~ ~~xxxxxxxxx~~ four works.

Municipal Council, Tuticorin - Extensions to two school buildings (Elementary School for Girls, Melur, and Elementary School for Boys, Sevandakulam): These works, estimated to cost Rs.6,950, were approved and a subsidy equal to one-half

(T)

12

of the estimated cost was provided in the current year's budget. The Council was, however, unable to take up the works. The estimate, as now revised, is Rs.11,900. The D.P.I. recommends a subsidy of one-half of this amount.

Municipal Council, Sivakasi - Construction of a building for the Elementary School for Boys, Ammankoilpatti: The estimate for this work is Rs.11,000. The D.P.I. has recommended a subsidy equal to one-half of the estimate.

Municipal Council, Chidambaram - Provision of a latrine for the Girls' School, Ambalathadimadam Street: The estimate is Rs.210. The subsidy may be Rs.105.

2. It is proposed to provide a sum of Rs.11,600 in the next year's budget, as noted in the summary at the top.

PART II SCHEME FOR 1945-46.

[Subject.--Loan to the Ml.Cl., Sivakasi, for the construction of a building for the Ammankoilpatti Elementary School.]

Summary.

Head of account.	Item of expenditure.	Total loan required. Rs.	Loan required in 1945-46. Rs.
Loans and advances bearing interest - c. Loans to Municipalities - C. Loans for educational purposes.	Construction of a building for the Ammankoilpatti Elementary school.	5,500	5,500

The rented building in which the Ammankoilpatti Municipal Elementary School is ~~now~~ housed is not suitable for the purpose and is insufficient to accommodate the present strength. No other suitable building is available in the locality. The Council ~~has~~ therefore ~~decided~~ proposes to construct a building at an estimated cost of Rs.11,000 on a site acquired for the purpose. It is proposed to make provision in the budget for 1945-46 for the payment of a subsidy not exceeding

Rs.5,500 to the Council. As the Council is unable to meet the other half of the cost from its general funds, it has applied for a loan of Rs.5,500 repayable in twenty annual instalments with interest at 3½ per cent. per annum. The Council can meet the annuity of Rs.387 from its funds. As it is desirable that local bodies should be encouraged to provide suitable buildings of their own for their elementary schools, the loan applied for, viz., Rs.5,500, may be granted and necessary provision made in the Annual Estimate of Expenditure for 1945-46.

Please see the notes from page 15 above, and the letter from the Commissioner, Sivakasi Mpty, at p 31 e.f. The L.A. deptt may be requested to state whether the Council will ~~be~~ be able to meet the enhanced cost (Rs. 2,400) from its general funds. If this is not possible, this deptt may recommend that the grant and loan promised to the Council for the works may be enhanced from Rs 5500 to Rs. 6,700 each.

The question whether the Sivakasi Ml. Cl. can meet Rs 2400 from its general funds towards the enhanced cost of the proposed school building is examined below. On the basis of the Sivakasi Ml. Cl. for 1945-46 as approved by the Govt. the council's Genl. Acct. ordinary will close with a balance of Rs 2400 against the prescribed ~~minimum~~ closing balance of Rs 2336. The council will get an addl. income of Rs 9751-2-0 towards the payment of arrears of toll compensation. But ~~in view of~~ the large additional expenditure which the council will have to meet as a result of the orders increasing the payment of D.A. and W.A. to municipal employees at ~~the~~ the enhanced Govt. rates ~~recently~~ ~~enhanced~~ will have to be found from the additional income referred to above. ~~may have to be utilised for this purpose~~

20

So the Council ~~is not [illegible] able to~~ cannot set apart Rs 2400 from its general funds to meet the enhanced cost of the construction of the school building. This Dept may however agree to the grant and loan promised to the council being enhanced from Rs 5500 to Rs 6700 as recommended by the E & P.H. Dept at A on p 18 above. ~~With these remarks the file may be passed on to the Finance Dept now.~~

The annuity for the repayment of a loan of Rs. 6,700 in 20 years at 3½ % per annum is Rs. 471 while that for Rs. 5500 is Rs. 387 as noted already. — see p 3 above —. The difference in the annuity Rs. 84 is small & the M.C. will be able to repay the higher loan if sanctioned. The file may be passed on to the Fin. Dept.

The revised estimate is now Rs 13,400 and on the principle already agreed to, a subsidy of Rs 6700 & a loan of Rs 6700 may be paid. It will not be possible for the M.C. to find the excess of Rs 400/- from its general fund
