Sir,

Sub: Movement of Waste Paper from Chingleput etc.,
to Tenkasi.

Ref: Your letter No; L. Dis E.1857/45 (CS) dt. 29.3.'45

I am prepared to assist with movements from M.S.M. stations to Ellore but not to Tenkasi. This involves some cross movement as despatches of Waste Paper are being made from Madras for the Mysore Paper Mills at Bhadravati. Would it be possible to arrange for all movements of Waste Paper from stations on the M.S.M. Madras to Bangalore to be taken over by the Mysore Paper Mills? If you
P.T.O.

will advise me what the outstanding movements are from such stations for Ellore I will issue specific directions for these to be made.

Letter/Ref. No. 21667 B/45-2 Edw dated 13.6.45

To the Manager,
Salvation Army Social Services,
Waste Paper Department, No. 60, Broadway, Madras.

Sir,

Sub: Waste Paper - Disposal-1945-46 -- Difficulties in railway transport.

The Regional Controller of Railway Priorities was requested to provide facilities for the transport of wastepaper from Trivellore to the Salvation Army Sorting Depot at Tenkasi, but he has expressed his inability to assist in the movement as it involves cross movement. A copy of his letter is enclosed.

In view of this decision, waste paper collection which were hitherto booked from ~~Broadway~~ stations ~~on the M.S.M. Railway~~ to the Sorting Depot at Tenkasi for supply to the ~~Andhra~~ ^{only} Paper Mills should ~~be~~ ^{be} sent to the Sorting Depot at Ellore or the Andhra Paper Mills. I am to request you to suggest at a very early date ^{the} modifications to be made

Letter from the Salvation Army no 107/7-45 d. 12.7.45
The Salvation Army has not suggested any
regrouping of the districts so that all the waste paper
collections booked from the B.G. stations in the N.S. Ry
may be sent to the sorting depot at Ellore for
supply to the Andhra Paper Mills instead of a portion
being sent to Tenali for supply to the Punalur Paper
Mills. under the existing grouping of districts.

2. In his letter on p 7 of the Regional Controller
of Railway Priorities has refused to permit movement by
rail from B.G. stations in the Chingleput dt to the
sorting depot at Tenali for supply to the Punalur Paper
Mills. In regard to this, the collector of Chingleput has
already been instructed to arrange for the transport of
waste paper from Tiruvellore by country carts or other means
of transport to the nearest Ry Stn on the S.Ry. So
far no difficulty has been brought to notice in the

p 7 of 7 (E)

disposal of waste paper under this arrangement - It seems therefore unnecessary to order that the waste paper collections booked from the B.G. stations in the chingleput should be sent to Ellore. with ref. to the letter on p 70F

20/7/45

3 Besides chingleput there are other districts in Group A. mentioned in G.O. no 1066 Eon D 17.7.44 having B.G. stations in the MGR. (for ex. N. Arcot, Malabar Salem, Coimbatore & South Kanara) from which waste paper collections are now booked to Tenkasi. The Regional Controller of Railways Priorities has not objected to the movements of paper from the B.G. stations in these districts. If the collections in these districts are also diverted to Ellore, the supply to Punalur Paper Mills will be considerably curtailed. no action need therefore be taken to alter the distribution now.
