R.O. No. 137-A/44

Office of the
Director of Public Instruction,
Madras, Dated 11-1-1945.

From Dr. B. D. Day, D.Sc. (Lond.), F.R.I.C.
Offg. Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sub: Government Training School for masters, Negapatam -
lease of District Board building for a period of 5
years - permission requested.

I have the honour to state that in G.O. No. 232-Edn., dated 7-2-1940, Government authorised me to take over lease of the District Board building, at Negapatam for a period of 5 years on a monthly rent of Rs. 110/- for locating the Government Training School for Masters, Negapatam. The lease-deed expired by 29-6-1944. The District Board, Tanjore, wants a room of the building for locating its Overseer's Office and the Board will make necessary alterations in the building giving a separate entrance to the overseer's office. The Overseer's Office will have nothing to do with the school which will be quite separate from the Overseer's office. The Board has also agreed to reduce the rent proportionately from Rs. 110/- to Rs. 100/- a month from the date on which the Overseer's Office is shifted to this building. The Public Works Department has certified that the rent of Rs. 100/- is reasonable. The Overseer's office has not yet been shifted to the school building and as soon as it is shifted I will sanction a rent of Rs. 100/- to the building under the powers delegated to me under item 49 of appendix 7 of the Madras Financial Code Volume II. As it is very difficult to get a suitable building at Negapatam to locate the school I request you to be good enough to obtain orders of Government to take the building on lease for a further period of 5 years from 29-6-1944. I have obtained a copy of the Board's resolution to lease the building to Government for a period of 5 years on a monthly rent of Rs. 110/- till the date of occupation of one room by the Overseer's Office and thereafter at the rate of Rs. 100/- per month.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

(1) The class should be held for 10 months instead of 9 months as at present.

(2) The number of admissions to the class should be raised from 40 to 50.

(3) All the 50 students should be paid stipends of Rs. 12 each per month instead of only Rs. 7 students as at present.

In justification of the above cases the Director states as follows:-

It is proposed that the period of training be extended from nine to ten months in order to bring it in conformity with the men's training course, which lasts for ten months and as the same course is more or less followed now in the women's section also. More teachers have to be trained to meet the present demand for technical training. Instructional staff is very scanty. As the course is a costly one, coming after a training school leaving certificate course or a degree course, very few girls are able to meet the cost of the course without some sort of aid from the State. Hence the need for increasing the number of students will be met. The demand is met."

The Government have recently sanctioned a grant of Rs. 10,000 in the compound of the Y.M.C.A. College of Technical Education, Salda, for use as hostel for the students of the technical training class. No provision is therefore necessary for rent for the hostel building.

The cost of the proposal to continue the class for another year is as shown in the summary above. Students coming from outside this Presidency will, as in the past, be admitted to the class without prejudice to the admission of students from within the Presidency. A fee of Rs. 10 per month will be levied from such students.

This department supports the proposal of the Director and recommends that the necessary provision may be made in the budget for 1942-43.

E. C. Wood,
9-12-41.

Note by the Finance Department.

The proposal may be considered as a part II scheme for 1942-43.
