U.O. Note No.Ref.7801/44-S. dated 29-11-1944.

NATIONAL WAR FRONT - Stationery Water-proof capes and water-proof bags - Supply requested. (2)

The Editor, Madras War Review, reports that the cycle peons who carry tappals, photo proofs etc. to and from Government Press, Madras, get themselves and the tappals completely drenched when attending to their duties on rainy-days as a result of which the work in his office suffers considerably, and requests the supply of two water-proof capes and two water-proof bags for the use of the peons. The Provincial Organiser endorses the Editor's request, and Government may therefore be requested to accord necessary sanction for the supply of these articles.
