S i r,

Sub: MADRAS EDUCATIONAL SERVICE - Recruitment (Direct) Estimate of the number of candidates to be selected for - Reported.

--

With reference to paragraph 14 of G.O.No.2705, Public (Services) dated 25-11-41, as amended by Government Memo. No.44359-1 Public (Services) dated 12-12-41, I have the honour to state that by the retirement of the following officers in the Men's Branch on the dates noted against each, six vacancies will arise in the permanent cadres of both the Indian Educational Service and the Madras Educational Service during 1945:-

Indian Educational Service.

1. Sir R.M. Statham, M.A., C.I.E., I.E.S., .. 4--9-1945.

Madras Educational Service.

2. Sri J. Satyanarayanamurti .. 1--2-1945.
3. " D. Lakshminarasimham .. 20--5-1945.
4. Mr. Joseph Franco .. 9-10-1945.
5. Khan Bahadur Moulavi Muhammad Sahib Bahadur .. 16-10-1945.
6. Sri P. Raghavacharya .. 17-11-1945.

In addition to the above vacancies, the following five vacancies have also to be taken into account for purposes of the estimate:-

	Nature of vacancy.	Date from which vacant.
7.	Death of Md. Kutbuddin Sahib Bahadur ..	7-2-1944.
8.	Death of Sri P. Tyagarajan ..	10-4-1944.
9.	Resignation of Sri S.B.Bondade	14-6-1944.
10.	Permanent retention of the post of Lecturer in Chemistry, Government Victoria College, Palghat ..	2-7-1944.
11.	Expiry of the period of re-employment of Mr. C.R. Porrett, M.B.E. ..	15-3-1945.

(2) Vacancy No.1:- This vacancy in the post of Director of Public Instruction will arise consequent on the retirement of the present Director.

(3) Vacancy No.2:- This Philosophy vacancy of Sri J. Satyanarayanamurti (Lecturer in Education) is the first one in the subject which arises after the introduction of the Statutory Rules. The Government have decided that this post should be reserved to be filled by direct recruitment by the appointment of a person who has rendered war service. They have, however, stated that this vacancy may be temporarily filled by transfer - vide Government E & P.H. Endt. No. 4327 A/44-4 dated 26-2-44.

(4) Vacancy No.3:- This History vacancy of Sri D. Lakshminarasimham has to be filled by direct recruitment and reserved for a qualified candidate with war service. The last History vacancy of Sri T.M. Kelu Nedungadi was filled by transfer. There is, however, no objection to the vacancy of

of Sri D. Lakshminarasimham being filled by direct recruitment, temporarily, without prejudice to the claims of a war service candidate. But considering the fact that there are already three* probationers promoted from the Subordinate Educational Service who are awaiting reappointment in the Madras Educational Service, I request that this History vacancy may be temporarily filled by transfer instead of by direct recruitment- pending the appointment of a war service candidate.

* Sri C.V.Narayanan.
" R. Subba Rao.
" D. Venkat Rau.

Vacancy No.4:- This History vacancy of Mr. J. Franco has to be filled by transfer as the vacancy of Sri D. Lakshminarasimham has to be reserved to be filled by direct recruitment.

Vacancies Nos. 5, 6 & 8:-

(a) Retirement of Khan Bahadur Moulavi Muhammad Sahib Bahadur, Deputy Director of Public Instruction.
(b) Retirement of Sri P. Raghavacharya, District Educational Officer, Chingleput.
(c) Death of Sri P. Tyagarajan, District Educational Officer, Salem.

All the three vacancies relate to the Administrative section of the Men's Branch of the Madras Educational Service.

A statement showing chronologically the permanent vacancies that arose or will arise in Class II of the Madras Educational Serivce after the retirement of Sri S. Satchidanandam Pillai is given below:-

1.	Sri S. Satchidanandam Pillai	28--7-43	D.R.
2.	" R.M. Savur	1--9-43	P
3.	" M.R. Subrahmanya Ayyar	1-12-43	P
4.	Mr. Abdul Ali Sahib Bahadur	15-2--44	P
5.	Sri P. Tyagarajan (death)	10--4-44	D.R.
6.	" P.K. Pattabhirama Sastri	15-10-44	P
7.	Khan Bahadur Moulavi Muhammad Sahib Bahadur	16-10-45	P
8.	Sri P. Raghavacharya	17-11-45	P

Note:- D.R. means direct recruitment.
P -do- Promotion.

Against each vacancy, the method of recruitment is indicated. According to the order in the above statement, the vacancy of Sri P. Tyagarajan has to be filled by direct recruitment and should be reserved for a suitable candidate who has rendered war service. Pending the appointment of a war service candidate, Sri P. Tyagarajan's vacancy may be filled by direct recruitment in the ordinary way. This vacancy may therefore be included in the estimate.

The resultant vacancies in the posts of District Educational Officers consequent on the retirements of Khan Bahadur Moulavi Muhammad Sahib Bahadur and Sri P. Raghavacharya have to be reserved for recruitment by transfer.

Vacancy No.7:- This vacancy in the post of Lecturer in Economics is the first vacancy in "Economics" which arises after the introduction of the Statutory Rules. The Government have decided, in another connection - Vide E & F.H. letter No.4327A dated 26th February 1944, that the first vacancy which arises after the introduction of the Statutory Rules should be reserved for a direct recruit. Accordingly the vacancy in the post of Lecturer of Economics should be reserved to be filled by a direct recruit with war service. This vacancy may be included in the estimate.

Vacancy No.9:- This Physics vacancy caused by the resignation of Sri S.B. Bondade from the Madras Educational Service has to be filled by transfer as the last Physics vacancy of Sri M. Chayappa has to be

be filled by direct recruitment and reserved for a qualified candidate with war service.

Vacancy No.10:- The temporary post of Lecturer in Chemistry, Government Victoria College, Palghat has been ordered to be retained permanently with effect from 2-7-44 - Vide G.O.No.Ms.1064 Edn., dated 17-7-44. As this Chemistry vacancy has occurred earlier than that of Dr. B.B. Dey's, the method of recruitment in regard to the latter will be altered. The Chemistry vacancy of the Government Victoria College, Palghat, has to be filled by transfer as the last Chemistry vacancy of Sri P.A. Narayana Ayyar has been reserved to be filled by direct recruitment of a war service candidate. The Chemistry vacancy of Dr. B.B. Dey has, therefore, to be filled by direct recruitment - vide Director's remarks against vacancy No.1 in this office letter Cl.No.23/43 dated 2-9-43 and against vacancy No.4 in the Director's letter Cl.No.8/44 dated 10-2-44.

Vacancy No.11:- In their Order No.Ms.385 Edn., dated 10-3-44 the Government sanctioned the re-employment of Mr. C.R. Forrett, M.B.E., Adviser to Government on Manual Training for a period of one year from 15-3-44. The post of Adviser has already been reserved to be filled by direct recruitment of a candidate with war service. As there is no possibility of securing the services of a suitable candidate temporarily till a war service candidate becomes available, I request that Government may be pleased to re-employ Mr. C.R. Forrett, M.B.E., as Adviser to Government on Manual Training for a further period of one year from 15-3-45 or until such time as a suitable and qualified candidate with war service becomes available for appointment, whichever is earlier.

4. Anglo-Indian, Christian or Non-Asiatic
5. Brahman.

This position is being announced in the Commission's notification inviting applications.

Sir,

Subject:- Madras Educational Service - Direct Recruitment - 1944: District Educational Officer and Lecturer in Economics: Communal rotation.

***

WITH reference to the Government Confidential letter Ref.No. 43317-2-A. Edn., dated 19th September 1944, the Madras Public Service Commission in its Notification on pages 771--772 in Part II of the Fort St. George Gazette dated 17th October 1944 has invited applications for one appointment of District Educational Officer and one appointment of Lecturer in Economics in the Madras Educational Service (Men's Branch). In paragraph 2 of the Notification it is stated that selection will, if possible, be made from among members of the Scheduled Castes for one of the appointments, and from among candidates belonging to the Muhammadan community for the other. According to the above rule, in case a Muslim candidate is selected for the post of District Educational Officer the post of Lecturer in Economics will go to a candidate belonging to the Scheduled Castes or to any other Non-Muslim community.

2. In this connection I may point out that the vacancy in the post of Lecturer in Economics has occurred in the Government Muhammadan College, consequent on the death of Muhammad Kutbuddin Sahib Bahadur--Vide my remarks against Vacancy No.7 in my letter Cl. No. 48/44, dated 5th September 1944 submitting the Estimate of Vacancies in the Madras Educational Service for 1945. According to Rule 3 (a) of the Special Rules for the Madras Educational Service any appointment to be made to the service in a post attached to the Government Muhammadan College, should, if a qualified and suitable candidate of the Muhammadan Community is available, be made only from that Community, though the appointment on that occasion should, under the general rules regarding communal rotation be made from any other Community. In accordance with the above rule which supersedes the general communal rule, I have the honour to request that the Government may be pleased to advise the Commission to select a suitable and qualified candidate from among the applicants belonging to the Muslim Community. Even according to the general Communal rotation one of the two vacancies advertised has to go to a Muslim candidate and so, the selection of a Muslim candidate for the post of Lecturer in Economics, while satisfying the provisions of the Special Rules, will not also in any way affect the rule regarding the Communal rotation. In this connection, I also invite the attention of the Government to their ruling contained in their letter No. 3708 (S)-C.4. Education, dated 22nd December 1942 addressed to the Secretary, Madras Public Service Commission in regard to the selection of a Muslim candidate for appointment to the post of Assistant Lecturer in Economics in the Government Muhammadan College, Madras.

3. I may also point out in this connection that the post of District Educational Officer for which a Scheduled Caste candidate (Mr. C. Ganesamurti) was selected and the post of Professor of Botany for which a Brahman was selected (Mr. T.N.Venkatanathachari) do not find a place in the Communal Roster furnished to the Commission by the Government.

I have the honour to be, Sir,
Your most obedient servant,

Dear Mr. Subrahmanyam,

Madras Educational Service - - Recruitment - Direct - Appointment of a District Educational Officer.

***

WITH reference to your D.O. No.43317 A.6/44, dated 29th January 1945 I suggest that Sri L. Bullayya may be posted to Nellore to undergo training under the District Educational Officer, Nellore, Sri A. Padmanabha Reddi. As regards the period of training, I may point out that most probably the candidate will desire to undergo the L.T. or B.Ed. course during the next academic year, in which case he will have to be relieved in July next to enable him to join the Training College. Then, the actual period of training under the District Educational Officer, Nellore, will be for about 5 months, assuming that he will join duty at Nellore during the middle of February. I, therefore, recommend that the period of training under the District Educational Officer may be for a period of 5 months in the first instance, which may either be curtailed or extended as may be found necessary, later on.

Yours sincerely,

P.T

Sir,

I beg to offer the following for your kind perusal and sympathetic consideration.

I belong to the Moplah community, a backward community of Malabar. I have passed the B.A.(Hons.) degree examination with Mathematics as optional subject securing a first class and standing fourth in the Presidency and first in St. Joseph's College, Trichinopoly. I was the first Moplah to pass this examination with such a high rank. I was working as an Assistant Lecturer in Mathematics in Government Brennen College, Tellicherry and I am now undergoing training in the Teachers College, Saidapet.

The Madras Public Service Commission has called for applications for the post of a District Educational Officer in the Madras Educational Service. The minimum qualifications are a first or second class B.A. or B.A.(Hons.) and L.T.

I wish to apply for the above post, but I am not eligible to do so as I have not passed the L.T. examination. I understand that the result of the selection will be announced only in February. By that time I will complete my course of training in Teachers College and can report for duty, in case I am selected, for by the end of January I can put in the required number of days of attendance equal to 75% of the total number of working days.

Under these circumstances I pray that The Madras Public Service Commission may be requested to consider me as one of the candidates eligible for the post in spite of the fact that I have not completed my L.T. course.

I beg to request that the result of this petition may be communicated to me as early as possible because my application for the post must go through the Director of Public Instruction and reach the Madras Public Service Commission before 14th November.

Dated, Fort St. George, the 10th November 1944.

Sir,

Recruitment (Direct) - Madras Educational Service (Men's Branch) - District Educational Officer and Lecturer in Economics.

Ref:- Your letter No.4201-B1/44-1, dated the 12th October 1944.

I am directed to say that two candidates belonging to the Mappilla community, Messrs. P.V. Abdur Rahiman and V. Abdulla Kutty, who now undergo training in the Teachers' College, Saidapet, have applied for the relaxation, in their case, of the rule relating to the possession of the L.T. or the B.Ed. qualification, in order that they may apply for the post of District Educational Officer referred to in my letter No.43317-2-A-Edn. dated the 19th September 1944. The Government propose to consider these applications only in the event of its turning out that no technically qualified Muslim candidates have applied to the Commission in response to its advertisement. I am accordingly to request that, if there is no objection, information

actually

on the point may be furnished to the Government after the applications have been tabulated.

2. I am to add that ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ the post of Lecturer in Economics referred to in my letter mentioned above is one attached to the Government Muhammadan College, Madras. It is now seen that with reference to rule 3(2)(a) of the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941 recruitment for appointment to this post should be made in accordance with the proviso to rule 3(a) of the Special rules relating to the Madras Educational Service. It is regretted that in my previous letter attention was not directed to the rules in question.

Your obedient servant,

Secretary to Government.

No.4201-BV/44-3, dated 18th November 1944.

Sir,

Recruitment (Direct) - Madras Educational Service (Men's Branch) - District Educational Officer and Lecturer in Economics - Your letter Ref. No.51281-A.2, dated 10th November 1944.

I am to say that the number of candidates from each community who are prima facie qualified and who have applied for one appointment of District Educational Officer and one appointment of Lecturer in Economics advertised by the Commission is as follows:--

	NUMBER OF APPLICANTS FOR	
	District Educational Officer	Lecturer in Economics.
Scheduled Castes ..	1	1
Muhammadan ..	2	6
Christian ..	-	1
Non-Brahman (Hindu) ..	4	13
Brahman ..	2	5

According to paragraph 2 of your letter cited, the appointment of Lecturer in Economics should be made only from the Muhammadan community.

65

There are six Muhammadan applicants who are prima facie qualified for this appointment.

The other appointment viz. that of the District Educational Officer, should, according to the rule of communal rotation, be made from the Scheduled Castes community or, if a successful candidate from that community is not available, then from the Non-Brahman (Hindu) community. There are one Scheduled Caste and four Non-Brahman (Hindu) applicants who are prima facie qualified for this appointment. Only if none of these applicants is successful, there is a chance for the Muhammadan community.

2. I am in this connexion to bring to the notice of the Government that Sri L. Bullayya, B.A.(Hons) (Second Class), who is a Scheduled Caste candidate has applied for appointment as Lecturer in Economics. As, however, it now transpires that this appointment should be made from the Muhammadan community only, the Scheduled Caste applicant referred to cannot be considered for it. He does not possess the L.T. or B.Ed. degree and is therefore not qualified for the other appointment viz. that of the District Educational Officer. In view of the fact that the Scheduled Castes have the first preference for that appointment, the Commission considers that if any relaxation of the rule relating to the possession of the L.T. or B.Ed. degree qualification is to be made, there is a prima facie case for making it in favour of this Scheduled Caste candidate rather than in favour of the two Muhammadan candidates referred to in paragraph 1 of your letter cited.

3. I am to ask for very early orders as the competitive examination for this recruitment is to take place on 12-12-1944.

Your obedient servant,

Secretary.

Sir,

Recruitment (Director) - Madras Educational Service (Men's Branch) - Dt. Educational Officer
Lecturer in Economics

I am directed to acknowledge the receipt of your letter No.4201-B1/44-3, dated the 18th Novr. 1944, and to say that, as two technically qualified Muhammadan candidates have applied for the post of D.E.O., the Government do not propose to consider the question of relaxing the rule relating to the possession of the L.T. or the B.Ed. qualification in the case of the two Mappilla candidates mentioned in my letter of the ~~12th October.~~ 10th Novr. On the same ground, they do not consider it necessary to relax the rule in favour of Sri L. Bullayya

Madras Educational Service - Estimate of the number of candidates to be selected for direct recruitment.

The D.P.I. has forwarded the estimate of the number of candidates to be selected for direct recruitment to the M.E.S. (Men's Branch) during 1945-46. The estimate calls for the following remarks:

(1) Retirement of Sir R.M.Statham, D.P.I.: Sir R.M. Statham is due to retire on 4-9-45. The resultant vacancy in the M.E.S. can be settled only after Govt. decide who should be promoted as D.P.I. If, however, the Govt. decide to re-employ the present Director, no vacancy in the M.E.S. will arise. After 4-9-45, the following I.E.S. officers will be in service:-

(a) Rao Bahadur K.Ananda Rao,
(b) S.R.U. Savoor, and
(c) Dr. K.C. Chakko.

For orders how the resulting vacancy consequent on filling the post of the D.P.I. will be taken into account for purposes of the present estimate.

(2) Retirement of Sri D.Lakshminarasimham, Lecturer in History: The recommendation of the Director that this post should be reserved for direct recruitment and ~~reserved for~~ a qualified candiate with war service may be accepted. The Director, however, suggests that this vacancy may be filled temporarily by transfer with reference to rule 3(2) of the War Service Personnel Recruitment Rules. In view of the fact that there are already three probationers in the subject, the Director's suggestion may be accepted.

(3) Death of Sri P.Tyagarajan, D.E.O.: The Director's recommendation that this vacancy may be reserved for a direct recruit who has rendered war service may be accepted. The Director suggests that the vacancy may be filled temporarily by direct recruitment (by selection of a candidate by the Commission). Therefore this vacancy may be included in the estimate to be sent to the Service Commission.

P 1c 9

Sir Statham will probably be reemployed. In any event the vacancy may be left out of account in the present estimate. 11.9.44

(4) <u>Death of Md. Kutbuddin Sahib Bahadur, Lecturer in Economics</u>: The Director's suggestion that the vacancy in the post of Lecturer in Economics should be reserved to be filled by a candiate with war service and that it may be filled temporarily by direct recruitment, may be accepted. The vacancy may be included in the estimate to be sent to the Commission.

(5) <u>Retirement of Dr.B.B.Dey, Lecturer in Chemistry</u>: As stated by the Director, the permanent vacancy in the post of Lecturer in Chemistry should be set apart for promotion and the vacancy caused by the retirement of Dr. Dey should be reserved to be filled by a candiate with war service. The vacancy may be filled temporarily either by direct recruitment or by transfer as required by rule 3(2) of the War Service Personnel Recruitment Rules. The Director, however, suggests that it may be temporarily filled by transfer from the ~~Subordinate~~ Educational Subordinate Service as there are already two persons in the approved list. The suggestion of the Director may be accepted.

(6) <u>Expiry of the period of re-employment of Mr.Porrett, Adviser on Manual Training</u>: The post has already been reserved to be filled by the direct recruitment of a candidate with war service. Mr. Porrett was re-employed by G.O. ~~No.1148-Edn., dated 16-8-43,~~ and No.385-Edn., dated 10-3-44. The Director recommends that he may be re-employed for a further period of one year from 15-3-45. Extract has been taken for separate action.

The position set out by the Director in regard to the other vacancies is correct.

For orders on the points raised above.

9.9.44

In the result Commission may be asked to select for nos. (3) & (4) above for temporary recruitment.

From the D.P.I. C.No.2681-C/44 d. 11.9.44.

The estimate of vacancies in the women's branch for 1945-46 since received from the D.P.I. calls for no special remarks. The position stated by him against each vacancy ~~arising~~ is correct.

The vacancy arising consequent on the retirement of Miss Y.K. Kousalya will have to be filled in accordance with the proviso to rule 5 of the General Rules relating to provincial & Subordinate services. The normal method of recruitment / alternately of direct recruitment & transfer will not apply to this vacancy as Miss. A.K. Joshua ~~is a probationer in the post~~ started probation in the W.E.S. long before the statutory Rules came into force. The Commission may be informed that the estimate of vacancies in the women's branch is nil.

The special rules for the M.E.S. came into force from 1st August 1935 - page 118 of the Madras Services Manual, Vol.I, 1940 edition. By virtue of Miss Joshua's acting appointment as Professor (Lecturer) in Natural Science from November 1932 to the end of 1933, she should be considered a probationer with reference to rule 36(c) of the Madras Provincial and Subordinate Service Rules, which are now current, and by virtue of the proviso to rule 5 of the same rules, she has a right to be appointed to the post in the Natural Science Unit which will be vacated by Miss Kasualya on 15-7-1945; ~~and~~ the vacancy should, therefore, ~~to~~ be left out of account in applying the ratio of appointments alternatively by direct recruitment and by transfer, prescribed in rule 2(e)(2) of the Special rules relating to the M.E.S.

The petitioner who is ~~the~~ a student in the Teachers' Training College, Saidapet posseses the qualification in (1) above but not the L.T. degree or the equivalent thereof referred to in (2) above. He requests that he may be exempted from this qualification and permitted to apply for the post. He is a moplah and [illegible] was working in the Government Brennen College, Tellicherry, before he joined the L.T. course.

Probably a short term 'emergency' appt: given by D.P.I.

It may be noted that for want of a suitable Muhammadan candidate the turn allotted to a Muhammadan according to the communal rotation rule has been passed over once before. Attention is invited, in this connection, to the note on pages 9-14 of G.O.No.1764 Edn., dated 9-12-42 wherein the rule requiring L.T qualification was relaxed in favour of a scheduled ~~class~~ candidate.

As matters now stand, the appts, if made, will be temporary pending availability of a war-service candidate

It is for consideration whether any relaxation of the rules will be allowed in this case also and if so the D.P.I. may be consulted. For orders.

Last date for submission of application to the Commission is 15.11.44

from the D.P.I. Rc. No. 3101 C/44 dated 1.11.44.

The D.P.I. has forwarded the application of another Asst. Lecturer Mr. V. Abdulla Kutty Sahib now undergoing training in the Teachers' College, Saidapet. He has observed that there is no chance of a Muslim being selected to the post of the ~~[illegible]~~ that the vacancy in the post of a Lecturer in Economics is in the Govt. Muhammadan College & that a Muslim Candidate has to be selected for it.

p.4 C.F.

The Director apparently refers to the proviso to Rule 3(a) of the Special Rules relating to the M.E.S. It may be noted that the vacancy in the post of a Lecturer in Economics is one reserved to be filled by a Candidate with war service, ~~and that~~ it is now proposed to fill it temporarily by direct recruitment. | A

2.11.44

The implication of "A" above is that the reserved vacancies, when they come to be filled by war service men, should be made irrespective of the communal rules. But the vacancy in the post of Lecturer in Economics in the Mahammadan College, although reserved ~~xx~~ ultimately to be filled by a person with war service, is now to be filled temporarily by a direct recruit in the usual manner. The Director had not said previously that this temporary appointment should be made in accordance with rule 3(a) of the Special Rules for the M.E.S. and so specific attention of the Commission was not drawn to the rule in the communication sent to them (C.F.8). A copy of this letter was also sent to the Director.

(Rule 3(1)(b) of the War Service Personnel Recruitment Rules.)

2. As the Director's present intention appears

45 11 -3-

to be that the Muhammadan College vacancy should be filled with due regard to rule 3(a) of the Special Rules, it is for consideration whether a further letter should now be sent to the Commission asking them to select according to rule 3(a) or whether the matter may be left to the D.P.I. who will ordinarily sit along with the Commission for interviewing candidates and making selections. The latter is preferable at this stage. Iso that case orders are necessary as on B & the D.P.I. may be told D.O. as at C above. | C

pp 24-25 of Vol II Bk No 49

Attention is invited to rule 3 (1)(a) of the War Service Personnel Recruitment rules. Rule 3(a) of the Special rules will operate with reference to the post in the Muhammadan College. (It is a pity this was not pointed out by the D.P.I. previously, nor noticed here). I am afraid the informal arrangement suggested at C above will not do: we will have to inform Commission definitely that selection for this post will have to be made with reference to that rule. Whether the post is to be advertised for, accordingly, afresh, may be left to the Commission.

As to B at p. 2 ante -

I would suggest that the question of relaxation should be considered only if it turns out that no technically qualified Muslim candidates have applied in response to the advertisement. The Commission may be asked for information on this point & may also be told that we have these two applications pending consideration and propose to deal with them as above.

Letter No. 51281 A.2 dated 10.11.44 to the P.S.C p.10 C.F.

from the M.P.S.C. No. 4201-B1/44-3 d 18/11/44. pp.12-13 C.F

The letter from the M.P.S.C. calls for the following remarks:- pp.12-13 C.F.

Para 1 of the Commission's letter - Taking into account, pp.12-13 C.F. for purposes of Communal rotation, the vacancy in the post of Lecturer in Economics in the Mdn. College, which should be filled only by a Muslim Candidate, under the proviso to rule 3 (a) of the Special rules relating to the M.E.S, the Commission has made its observation at 'A' on p.13 C.F. If this vacancy is not included in the Communal rotation, the vacancy in the post of D.E.O. should first be offered to a scheduled Caste Candidate and if no candidate from this Community is forthcoming, it should go to a Muslim candidate.

There appears to be no reason why it shd: not be.
[illegible] [illegible] 22.11.44

46 p.13 C.F. 13

Para 2 of the Commission's letter. Sri L. Bullayya a scheduled caste candidate has applied for appointment to the post of Lecturer in Economics. ~~As~~ A Muslim candidate has to be selected for this vacancy of lecturer; the Public Service Commission states that the Scheduled Caste candidate cannot be considered for the vacancy in the post of the D.E.O. as he does not possess the necessary qualification of L.T. degree of the Madras University or the B.Ed. degree of the Andhra University. With reference to para 1 of the letter on page 10 c.f., the Commission suggests that, if relaxation of the prescribed qualification ~~in this respect~~ is made, it may be done in favour of this scheduled caste candidate. It may be noted that one qualified scheduled ~~caste~~ caste candidate has applied for the post of the D.E.O. — on p.12 C.F.

For orders whether in the circumstances the question of relaxing the rule requiring the possession of the prescribed qualification will be considered in favour of Sri Bullayya and if so, whether on the anology of G.O.1764 Edn., d/9-12-42, the suggestion of the Public Service Commission will be accepted or the D.P.I. should be consulted in the first instance. If the former course is decided upon, Public may see before circulation.

[illegible]
21.11.44

On the basis of the Secy:'s note approved in circulation - pp 3 - 4 ante; there is no reason for exempting either of the two Mappilla candidates (c.f.) from the L.T. exam. The implication of the commission's suggestion at 'P' on p.13 c.f. is that this S.C candidate (Sri. Bullayya) has some cause for a sense of disappointment when he now sees ~~that~~ the lecturership for which he is qualified is to go to a Muslim and that an exemption from L.T. to enable his ~~candidature~~ case being considered in connection with the D.E.O's appt: will remove that cause to some extent and also widen the field for choice to that post, in so far as there will then be two S.C candidates to select from instead of the matter being considered with refer: to the single S.C technically qualified candidate. || But that will be open to the general objection to exemption raised on p. 3 ante. If the suggestion is to be followed up better to consult D.P.I. ~~Draft [illegible]~~ S 22.11.44

Their appl.ns may be rejected. [illegible] [illegible]

[He has however had no fee to pay for the appln.]

On the former, I think

This case also need not be taken up for exemption, either; the reason may be indicated to the Commission.
