Sir,

Sub: Teachers' College, Saidapet - Revival of the
two posts of Secondary Grade Assistants -
placing the post of a Woman Secondary grade
Assistant on a time-scale of pay - sanction -
Requested.

34579

In connection with the submission of retrenchment
proposals called for in confidential/special circular memo
No.333 R.S-1 Finance (Retrenchment) Department dated 4-8-1931
I reported in my letter Roc.No.1853 C/31 dated 2-10-31
that two posts of Secondary grade assistants in the model
high school attached to the Teachers' College, Saidapet, would
be kept unfilled. The Principal of the College has reported
that in view of the increasing strength in the lower forms
of the school, there is a definite need for the employment
of two more secondary grade assistants.

2. The strength of Forms I to III of the Model High
School, Teachers' College, Saidapet as on 6-7-1945 is given
below.

Form	A.	B.	C.	Total.
III	41	40	-	81
II	36	36	36	108
I	40	40	40	120

I permitted the opening of a third section in each of the
forms I and II and under the powers vested in me I sanctioned
the employment of two secondary grade Assistants on a
fixed pay of Rs.30/- p.m. each for the third section in Forms
I and II for the year 1945-46. The need for the continuance
of these two posts is definite. I therefore request that
Government will be pleased to sanction the revival of the
two posts referred to in para (1) above so that the two
posts now sanctioned by me may be brought under the appro-
priate scale of pay. If this is not permissible I request
that the Government may be pleased to sanction the employ-
ment of two secondary grade teachers on the usual scale
of pay for the third section in each of the Forms I and II,
for two years from this school year 1945-46.

3. In this connection, I may state that I sanctioned
in the year 1941-42 the post of a secondary grade assistant
on a fixed pay of Rs.30/- p.m. in the Women's branch for the
Kindergarten section attached to the college and the post
is continued year after year from 7-1-42. I request that
Government will be pleased to sanction the above post also
for a period of 2 years in the appropriate scale of pay from
7-1-45 the date from which the post has been continued by me
for another year.

I submit below the circumstances under which this
additional post of secondary grade teacher in the Women's
Branch was sanctioned by me:-

p.t.o.

The Secondary Grade Training Department in the Teachers' College, Saidapet had a staff of 1 Headmaster, and 2 L.T. Assistants. As a measure of retrenchment in 1931 one post of L.T. Assistant in this Department was abolished. It was found difficult to manage the work of this Department with 2 members only viz. 1 Headmaster and 1 L.T. Assistant. When the scheme of work in Training schools was reorganised in 1940-41 there was a definite need for an additional L.T. Assistant in the Secondary grade Training Department of the Teachers' College. I examined the time table of the Model High School staff and the Kindergarten section and found that one L.T. Assistant who was working in the Kindergarten section could be made available for the Secondary Grade Training Department and accordingly I transferred the L.T. Assistant in the Kindergarten section to the Secondary Grade Training Section. But the Principal pointed out that in the place of the L.T. removed from that section a post of Secondary grade teacher (woman with qualification in music) might be sanctioned. As there was a need for such a post having regard to the large number of girls in that section I sanctioned a post of Secondary grade teacher. The post was filled up from 7-1-42.

Re. 3917 C/45 dated 30-10-1945.

Sir,

Teachers' College, Saidapet - Conversion of a post
of Secondary grade teacher from the Men's Branch
to the Women's Branch - Orders solicited.

In their order No. Ms. 1352 Mn., dated 4-9-45,
Government sanctioned the employment of a secondary grade
teacher for each of Forms I and II of the model High School,
Teachers' College, Saidapet. The Principal of the College now
requests that in the circumstances stated in his letters Nos.
259 D/44 dated 1-10-1945 and 17-10-1945 (copy enclosed) one of
the posts referred to above may be converted into a Women's
Branch post to enable him to appoint a Woman to that post.

2. I therefore recommend that one post of secondary
grade teacher sanctioned in the G.O. referred to above may be
sanctioned in category 5 of class IV of the Madras Educational
Subordinate service.

I have the honour to be, Sir,
Your most obedient servant,

P. R. U. Savor
for Director of Public Instruction.

k.h. 31-10.

30/11/45

Copy of Re. No. 259 D/44 dated 1st October 1945 of the
Principal, Teachers' College, Saidapet.

I request that you will be so good as to convert one of the
two posts of Secondary Grade Assistants sanctioned for the
College up to the end of the school year 1946-47 in para 1 of
G.O. No. referred to above into one in the Women's Branch as I
have no application from a men candidate for the post and
I have in hand the application from a woman secondary grade
T.T.C. holder. Recently there has been a transfer of 3 Secondary
grade men teachers as Junior Deputy Inspectors and I have
filled those places by men and as such I request that this
post may be converted into one in the Women's branch. I
request the favour of early orders as the Class is without a
teacher.

The Women applicant referred to is also qualified in music
and her appointment will be of value to so many girl pupils
reading in the school.

Copy of letter dated 17th October 1945 of the Principal,
Teachers' College, Saidapet.

The vacancy was advertised in the Fort Saint George Gazette
dated 14-8-45 page 312. In response to this advertisement only
two applications were received. The applications were considered
and both the applicants were appointed.

In my letter Re. No. 259 D/44 dated 1-10-1945 I have already
stated that no more applications have been received from men
candidates and that I have on hand one application from a woman
secondary grade T.T.C. holder.

I therefore request that one of the posts may be converted
into that one in the Women's branch as already pointed out
in my letter referred to above. Early orders may kindly be passed
as the class work suffers for want of a teacher.
