Madras Educational Service - Sri A.V.Hari-
hara Ayyar and Sri N. Subba Rao, Offg.
District Educational Officers - Completion
of probation in the Madras Educational
Service.

With reference to Government Orders Ms.No.
1270 Edn., dated 8-9-1942 and No.505 Edn., dated
3-4-43 Sri A.V.Harihara Ayyar and Sri N. Subba Rao
commenced their probation in category 4 of class II
of the Madras Educational Service (i.e.as District
Educational Officers) on 24-8-42 and 20-4-1943,
respectively. They have completed the prescribed
period of probation in the above category on 17-1-45
and 3-5-1945, respectively, as shown in the enclosed
statement.

2. Having been over 45 years of age at the time
of their appointment as District Educational Officers
with reference to the exception provided by the recent
amendment to Rule 8(a) of the Special Rules for the
Madras Educational Service, the two officers need not
pass the account test for Executive Officers. However
both the officers have passed the above Test.
Sri A.V.Harihara Ayyar had already passed the Deputy
Inspector's Test - Part II(Tamil). His mother-tongue
is Malayalam and he has submitted the enclosed certi-
ficate from the District Registrar of Assurances,
South Malabar to the effect that the District Educa-
tional Officer can read and write Malayalam. He need
not, therefore pass any further tests during the
period of his probation. Sri N. Subba Rao had already
passed the Deputy Inspector Test - Part II in Telugu.
In G.O.No.Ms.1355 Edn., dated 1-9-1941 his qualifi-
cation in Kannada was deemed as equivalent to a pass
in that language under Part II of the Deputy Inspector
Test. Hence he need not also pass any further tests
during the period of his probation.

3. The work and conduct of the two officers have
been satisfactory. I have, therefore, the honour
to recommend that Government may be pleased to declare
Messrs. A.V.Harihara Ayyar and N. Subba Rao to have
satisfactorily completed their probation in
category 4 of class II of the Madras Educational
Service on 17-1-45 and 3-5-1945 respectively.

The people are not expected to use kinkit lights
 at night because the enemy will find it easy to
 find out the town.
 We are aware of war there is no ships
 must sail and so people cannot find out
 the price of articles. The price of articles are
 at a high level because of the necessity.
 People cannot get kinkit oil to light
 their houses. Poor people are suffering it is the poor
 people who suffer most. They cannot get even
 wood today. People are also find it difficult
 to get sugar also.
 But there is also good aspect also.
 Andia many people find it difficult to get
 work. So when there is war large number of them
 get work in military. The poor people are
 going to work in the military. An enemy coastal
 force in Andia there is also another organization
 that is A.R.P. This force helps already for
 road protection. The coastal towns are in
 of being bombed and so this is organized to
 take precautions. Large number of people can
 work in the A.R.P. During war time
 people will co-operate together.

Ref:- Your Telephone Message, dated 24-8-1945.

Sri N. Subba Rao, while officiating as District Educational Officer, South Kanara, was transferred to Anantapur. He was relieved at Mangalore on 8-6-1943 f.n. But he could not join duty at Anantapur immediately as the then District Educational Officer, at Anantapur had to continue in his post till 21-6-1943 A.N. in connection with the conduct of the special tests examinations. Hence Sri N. Subba Rao was instructed to join duty at Anantapur on 21-6-1943 A.N. and accordingly he was granted an extension of joining time under Subsidiary Rule 5(b) under F.R.106. As the period from 8-6-1943 to 21-6-1943 was treated as joining time that period may also be counted towards probation in the Madras Educational Service. In these circumstances, the Accountant-General's Statement may be accepted and Sri N. Subba Rao declared to have completed his probation on 19-4-1945 A.N.

Respectfully sheweth:—

(1) that, on account of the present war conditions, the market prices of rice, cloth, kerosene, gingilly oil, coconut oil and other necessaries of life have abnormally increased. This is clear even from the index tables published by Government.

(2) that, in Malabar, the rise in price has been the highest in the Presidency.

(3) that, consequently, the memorialist finds it extremely hard to maintain himself and his family on his present salary of Rs. 200.....

(4) that, owing to the inadequacy of his present salary to meet the abnormal cost of living, he is running into debt and will soon be no longer
