Sub: Grant of educational concessions to the children and dependants of P & T., officials on F.S.

Sir,

Please refer to para 3 (4) (i) of the Govt. of Madras, Education & Public Health Department, (Education) G.O. No.610, dated the 20th April 1945, wherein it is indicated, that, for the purpose of obtaining educational concessions to the children and dependants of soldiers, who take part in the present war, a certificate is necessary from the Officer Commanding of the unit in which the soldier concerned is employed.

2. Posts & Telegraphs Officials on Field Service are employed at different outstations both in and outside India and the information regarding the location of the units in which they are employed is not also readily available. Further these officials are transferred from one unit to another without any intimation to the families concerned or to this office. Consequently there is likely to be considerable delay in addressing and obtaining the relevant certificates from the officers commanding concerned.

Notes

20. June 1955

This would probably be 'occasional work' of a
literary character which could be done without
prior sanction - passed to G.S.C. 13.

The D. or. has apparently not taken
but since as the article is to be
contributed at fairly regular intervals
of a month it has :. brought it under
S. R. 2 to G.S.C. 13. ('habitual')
