S i r,

Sub: Sri P. R. Subrahmanian, Physical Director, Presidency
College, Madras - Recommending a special pay of Rs. 25/-
per mensem.

In submitting herewith the petition of Sri P. R. Subrahmanian Physical Director, Presidency College, Madras together with the Endorsement of the Principal thereon, I have the honour to state that there is no vacancy in the 1st Grade of the category of Physical Director's to which Sri P. R. Subrahmanian can be promoted. But taking into consideration the fact that the Presidency College is the biggest institution in the Presidency and also having regard to the recommendation of the Principal, I consider that the Physical Director richly deserves encouragement. Accordingly I recommend that the Government may be pleased to sanction as a special case a special pay of Rs. 25/- per mensem with effect from 1-4-1945 for the post of Physical Director of the Presidency College, Madras.

I have the honour to be,

To,

The Director of Public Instruction, Madras,

Through

The Principal, Presidency College, Madras.

Sir,

I have been the Physical Director of Presidency College the Premier institution of the Presidency from ~~1930~~ July 1930. I was specially recommended to this post by the then Principal Mr.P.F.Fyson, who even then assured me a great future in this profession.

I have to my credit very good reports about my work in the college year after year by successive Principals. In spite of an excellent record of service in this premier college where the needs of a large body of students have to be catered to in almost all forms of sports and games, the promotion to the higher grade namely grade I. has not been given to me.

I have put in a total service of 15 years in this college with 1200 students on the rolls. In addition the financial responsibilities involved are the highest when compared to other colleges as well. I request you kindly to consider me as a special case and ~~give me the~~ place me in Grade I. I also request that it may be granted with retrospective effect..

I am enclosing for your perusal the extracts from the annual reports of the college by successive Principals from 1930 up to date. I am also enclosing two certificates from two of my Principals testifying to my conduct, character and efficiency.

I beg to remain

Sir,

Your most obedient servant,

Submitted to the Director of Public Instruction, Madras,
and strongly recommended.

Mr. P.R. Subramanian has been a very zealous and enthusiastic worker and the value of his services as the Physical Director of the College can by no means be exaggerated. On all occasions when he has been called upon to undertake work in connexion with the conduct of sports or other extra curricular activities of the College, he has been unsparing in his efforts to make them a complete success. His powers of organization are remarkable. His efforts on the occasion of the Centenary Celebrations of the College in 1940 received high praise from all quarters. The work of the Physical Director of Presidency College is by no means an easy job and cannot be compared in quality or quantity with that of a Physical Director in other Colleges. The Department of Physical Education in Presidency College has considerably expanded in its activities and the students of the College have been made to take a genuine interest in games only through his efforts. The work of the Physical Director of the College is responsible and heavy. He has not only to deal with a large staff of subordinates but also finance amounting to Rs. 15,000 annually. I may say from my personal experience that all this work has been carried out very satisfactorily with a view to efficiency and economy. The request is very moderate and reasonable. It is a concession long over due.

PRESIDENCY COLLEGE, MADRAS.
March, 29th.

Mr. P.R. Subramanian was specially recommended by me to the newly sanctioned post of Physical Director of this College last year because of his sterling qualities. He has an independent and quiet mind, a passionate loyalty, and enthusiastic readiness to spend himself in the service of his duties which have endeared him to all here. They enabled him to organize this year and carry through with success a new series of inter class competitions which brought into the playing field a far larger number of students than had been accustomed to appear there; and at the College sports to run a series of team events without any hitch or delays.

While I should be sorry to lose his services I consider him well deserving of higher post and to be certain by his common sense and enthusiasm to raise the standard of work of those under him.

22nd, June, 1943.

During the past nine years, as Principal of Presidency College, I have come into daily contact, with Mr. P. R. Subramanian, the Physical Director of the College. He was also for three years Deputy Warden of the College Hostel. In these capacities he has been in entire charge of a huge and varied programme of sports and athletic activities embracing the interests of nearly a thousand students. He has shown aptitude and adaptability in organising and producing interesting programme of sports, drama, lectures and musical entertainments, all of a high standard.

His organising and administrative ability is of a high order. He has taken responsibility for the complete organisation of his department, which he has discharged with efficiency. In administrative matters he is careful and thorough.

He is a man of courteous manners and excellent character and in my opinion, is one who can be relied upon.

Sub: Sri P.R. Subramanian, Physical Director, Presidency
 College, Madras -- Request for promotion to I Grade
 of the Physical Director

With reference to Government Memorandum No. 13519-5/45-2
 Edn., dated 16th May 1945, I have the honour to state that Sri A.
 Padmanabha Naidu, Physical Director, Government Muhammadan College,
 Madras and Sri E.K. Varadhan, Physical Director, Government Brennen
 College, Tellicherry are in the I Grade. The former cannot be dis-
 turbed from the Muhammadan College as he is quite indispensable for
 that college and the latter though he is doing good work at Telli-
 cherry may not be quite suitable for the Presidency College. Sri P.R.
 Subramanian has been serving in the Presidency College with effect
 from 7-7-1930. The Principal of the college reports that he is a
 very efficient Physical Director and that he is quite indispensable
 for the college. I consider that any other Physical Director --
 especially any one from Second grade College will not be suitable
 for the Presidency College.

In the circumstances, I reiterate the recommendations
 already submitted on behalf of Sri P.R. Subramanian in my letter R.C.
 No. 865 C/45, dated 4-4-45. In case these recommendations are not
 acceptable, I request that the post of Physical Director in the
 Presidency College may be included in the 1st Grade so that Sri P.R.
 Subramanian may be promoted to that grade with reference to rule
 30 (b) (ii) (2) of the Madras Provincial and Subordinate services
 Rules.

In reply to Government Memorandum No. 13519-C/45 dated 21.7.1945, I have the honour to state that ever since Sri P.R. Subrahmaniam took charge of his post in 1930 as physical Director, Presidency College, Madras, he has served the college with devotion and successive Principals have spoken highly of his merit, capacity and work. I have known his work personally while I was the Professor and Principal of the college and I consider him a most useful member on the staff of the college. In view of the above, I reiterate my recommendation already made to Government in my letter R.C.No. 865-C/45 dated 5.6.1945 and request that Government may be pleased to sanction a third post in the first grade of Physical Directors for the Presidency College, and Sri P.R. Subrahmaniam Ayyar be appointed to the post.

2. I may add that Sri E.K. Varadan, Physical Director, Government Brennen College, Tellicherry, who desires to continue in his present post would not be quite suitable for the Presidency College, Madras.

To The Secretary to Government,
Education and Public Health Department,
Sir,

Sub: Grant of selection grade scale of pay
Physical Director, Presidency College, Madras.

57930

I have the honour to submit herewith a copy of petition dated 16-1-46 from Sri P.R. Subramanian, Physical Director, Presidency College, Madras, requesting that in consequence of his promotion to the first grade he may be paid the old selection grade scale of pay.

The old scales of pay for Deputy Inspectors and Schools Assistants and Physical Directors were identical viz., 75-5-100-10-150 in the Ordinary grade but the Deputy Inspectors and School Assistants had the selection grade scale of Rs.150-10-250 and for the Physical Directors, the selection grade did not exist in the old scales.

In G.O.No.714 Edn., dated 12-5-1942, the pay of the Physical Directors was revised: I Grade Rs.130-15/2-190, II Grade Rs.70-9/2-115-10/2-125. On the restoration of the 1933 scales of pay, the pay of the Physical Directors was also enhanced to Grade I, Rs.140-15/2-200 and Grade II, Rs.70-10/2-130.

When the Accountant General, Madras was consulted regarding the admissibility of selection grade to Physical Directors promoted to the I grade, who had drawn pay in the old scale, he has stated that the selection grade scale of pay is not applicable to Physical Directors. Vide copy of his letter No.T.9.VI Edn.82 dated 21-6-1946 enclosed.

In view of the remarks of the Principal, Presidency College,

Madras and in view of the fact that the old scale of pay for the Physical Directors is identical with that of the Deputy Inspectors and School Assistants (without selection grade), I recommend that Government may declare that such of the 2nd grade Physical Directors as have drawn pay in the old scale, may draw pay in the scale of Rs.150-10-250 when they are promoted to the I Grade.

Copy of petition dated 16-1-46 from Sri P.R.Subramanian, Physical Director, Presidency College, Madras.

I was appointed as Physical Director of Presidency College in July 1930 in the old scale of pay namely Rs.75-5-100-10-150.

Though appointed to the colleges Physical Directors were placed only in the grade of School Assistants and Deputy inspector of Schools for purposes of pay namely Rs.75-5-100-10-150 selection grade 150-10-250.

In the proceedings of the Director of Public Instruction Re.865-C/45 dated 21-9-45. I was promoted to the selection grade but my pay instead of being fixed on the old scale has been fixed on the new revised scale namely Rs.130-15/2-200.

I request the Director to be so good as to grant me the old scale of pay the same as in the case of School assistants and Deputy inspector of schools who are promoted to the selection grade in the old scale namely 150-10-250.

MRC.589/45, dated 16-1-46 of the Principal, Presidency College, Madras.

Submitted to the Director of Public Instruction Madras and recommended. Sri P.R.Subramanian was appointed as Physical Director of this college on 7-7-1930 in the scale of Rs.75-5-100-10-150 (Old scale) in para with the Senior Deputy Inspector of Schools and school assistants, which had two grades ordinary in the scale of Rs.75-5-100-10-150 and selection in the scale of 150-10-250 (both--old scales). With effect from 1-7-1942, the cadre of Physical Directors was divided into 2 grades I and II as that of the Deputy Inspector and school assistants--vide G.O.No.Mis.714 Edn & P H of 12-5-42, communicated in Proceedings of the Director of Public Instruction No.1974/42 dated 10-5-1942.

 Sri P.R.Subrahmanian, Physical Director,
 Presidency College, Madras - Grant of special
 pay.

 Please see the letter from the D.P.I. ^{page 1 of 1}. There is a
 Physical Director in each of the Govt. Arts and Training
 Colleges. The total number of Physical Directors is 11. These
 are persons who after taking a University degree have undergone
 one year's course of training in Y.M.C.A. College of Physical
 Education. Their pay was as follows:-

Old scale .. Rs.70--150.
 Revised scale .. Rs.70--130.
 (New revised scale (since cancelled) Rs.70-125)

2 In 1942 the posts of Physical Directors in Government Arts and
 Professional colleges ~~were~~ ^{were} formed into a separate cadre and
 the cadre was divided into two grades as follows:-

1st grade .. Rs.130-15/2-190
 II grade .. Rs.70-9/2-105-10/2-125

(20 per cent of the total number of posts in the cadre ^{being}
 be in the first grade i.e., 2 out of the 11 posts will be
 in the first ~~in~~ grade and the rest in the 2nd grade).

3 Subsequently in connection with the restoration of the
 1933 scales of pay the pay of Physical Director was fixed as
 follows:-

Physical Director, 1st grade. 140-15/2-200
 -do- 2nd grade. 70-10/2-130.

(20 per cent of the total number in the cadre being in the
 first grade).

4 Sri P.R.Subrahmanian, Physical Director, is drawing the
 maximum of Rs.150/- in the old scale of Rs.70--150. His

request is that he may be promoted to the first grade. The

D.P.I. says that there is no vacancy in the first grade and

recommends the grant of a special pay of Rs.25/- p.m. from 1-4-45 for the post of Physical Director in the Presidency College. Special pay is usually granted for specially arduous nature of the duties or for specific addition to the work of responsibility. The Principal's endorsement at p.4 C.F. would indicate that the work of the Physical Director in the Presidency College is more taxing and involves greater responsibilities than in other colleges. On this ground, there appears to be a case for adding a special pay for the post of Physical Director in the Presidency College.

May be sent to the Finance Department for remarks.

The file deals with the request of Mr. P. R. H. Subramaniam, Physical Director in the Presidency College, Madras for promotion to the 1st Grade. The D.P.I. has proposed to allow a special pay of Rs 25/- to that post since there is no vacancy in the first grade. ESPH agree with the Director's views

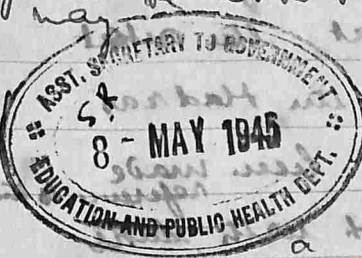

2. It is stated at 'A' on p.1 C.F. that Presidency College is the biggest institution in the Province. It is not clear then, why a second grade Physical Director is kept there. The grant of special pay as an alternative to the petitioner's request seems to be objectionable in principle. The criterion whether the duties are materially different either in kind or intensity from a Physical Director's

There are 2 1st grade Physical D's. It is not clear WS

normal duties is obviously not satisfied. Also the fact that Mr. Subramaniam is very efficient in the discharge of his duties will not constitute a reason for granting a special pay. The proper way of recognizing such merit is to consider his name for promotion to the higher grade when opportunities arise. There does not seem to be a case for accepting the D.P.I.'s proposal.

3. Finance may suggest that the D.P.I.'s recommendation that a special pay may be attached to the post may be negatived, since it will result in the continuance of the special pay to Mr. Subramaniam's successor also though the merits maintained since the C.F. may not be pursued in the same way as in the case of the present holder of the post. ESPH may clarify by that post was not included in the I grade. Perhaps this may be allowed. WS

that the Govt Brennan College Tellicherry should have a I grade Physical Director while the Presidency College Madras ~~should have a~~ has a II grade Physical Director. The proper course would seem to be to reverse the allocation of the I & II grade posts

in the two cases, and post the Tallicherry "man" to

Please see previous file on pages 44-45 above and orders in circulation above. The draft order may be accepted subject to the following remarks.

Having regard to the fact that the Presidency College and the Post Brennan College, the employment of a Physical Director Grade I in the latter in normal times does not seem justified separately. It may be requested to consider whether the existing post may not be replaced by a Physical Director Grade II.

Presidency College, Madras - Sri P.R. Subramanian Physical Director - grant of Selection grade.

pp1-2 CF C. No. 51930A/46, From the D.P.E. C. No. 5367-C-2/46 & 3-9-46

P. see the letter from the D.P.E. on pp1-2 CF. He recommends that such of the 2nd grade Physical Directors in Govt. Colleges as have drawn pay in the old scale may be allowed to draw pay in the scale of Rs 150-10-250 when they are promoted to the I grade.

Prior to 1945, there were 12 physical directors (11 permanent and one temporary) in Govt. Arts and Professional Colleges for men. These persons have, after taking a University degree, undergone one year's course of training in the Y.M.C.A. College of Physical Edu.

Their pay was as follows:-

old scale - Rs 75-150. (Same as for school teachers)

Revised scale - Rs 70-130.

New revised scale - Rs 70-125.

In 1942, the posts of physical directors in Govt. Arts and Prof. colleges were formed into a separate cadre and the cadre was divided into two grades as follows:-

I grade - Rs 130-15 1/2 - 190.

II grade - Rs 70-9 1/2 - 115 - 14 1/2 - 125

(20% of the total number of posts in the cadre being in the first grade (i.e. 2 of the 11 posts will be in the first grade and the rest in the second grade).

In connection with the restoration of the 1933 scales of pay, the pay of Physical Directors was fixed as follows:-

I grade - Rs 140 - 15 1/2 - 200.

II grade - Rs 70 - 10 1/2 - 130

(20% of the total number in the cadre being in the first grade)

Handwritten notes in a box: "The above is for the Physical Director post in the Presidency College. The post is to be filled by a person who has taken a University degree and undergone one year's course of training in the Y.M.C.A. College of Physical Education."

C. No. 1889 Edn

13-11-45

In September 45, the number of I grade posts has been raised from 2 to 3 and one of these posts has been earmarked for the Presidency College, Madras.

For the reasons stated in para 2 of his letter on P.I.C.F. or C.O. No. 1889 Education, dated 13.11.45, the D.P.I. proposed that a uniform scale of pay of Rs 100 - 10 1/2 - 200 corresponding to the pay of Asst. Lecturers might be sanctioned for all Physical Directors and Physical Directresses. The proposal was not accepted as it was not found ~~considered~~ necessary to consider the proposal in advance of the general scheme for the revision of pay of Staff in Ed. institutions (both Govt and Non Govt) are to be considered as part of the Post War Five Year Plan. It does not seem necessary ~~also~~ to consider the present proposal of the Director in ^{view} ~~advance~~ of the general scheme ~~is also~~ referred to above. ~~It may be noted here that~~ the Director has already been asked to ~~bring forward the scheme~~ for consideration in connection with the Part II estimates for 1947-48. ~~When the pay of the Physical Directors is revised, Sri P.R. Subramanian and others placed in similar position will have no cause for grievance.~~

If the proposal of the Director is ~~to be~~ accepted, it ~~may~~ create an ~~bad~~ anomaly between the I or grade Physical Directors who have drawn pay in the old scale and those who have drawn pay in the new scale. In fact, the Director's ~~proposal~~ present recommendation is quite contrary to the one he submitted in 1945, namely that all the posts of Physical Directors and Directresses should be in the same cadre and on a par with the posts of Asst. Lecturers in colleges. In the circumstances,

Even under the old scales of pay the physical directors had no selection grade (Rs 150-250). There ~~seems to be no justification to allow such a scale in this particular case.~~ ~~Further,~~

Separate file - not put up

para 2 on P.I.C.F. 9/6

It may be for consideration whether the Director's proposal may be ~~negated~~. Finance may see for remarks before circulation.

ES 22-9-46 26-9-46

Please see paragraph 2 of the note on pages 14 to 15 of G.O. No. 714 Education, dated 12.5.1949 and on pages 1 to 2 n.f. of G.O. No. 1889 Education, dated 13.11.1945. Originally the scale of pay for Physical Directors was that for the ordinary grade for School Assistants, namely Rs. 75 to 150 and there was no selection grade on Rs. 150-10-250 as in the case of School Assistants. So when Sri P.R. Subramanian was appointed as Physical Director in 1930 he had no reason to expect that he would be appointed to the Selection Grade. It will be seen ~~from~~ the papers in G.O. No. 1373 Education, dated 7th September 1945 that an additional first grade post of Physical Director on Rs. 140 to 200 was sanctioned and earmarked for the Presidency College for the special benefit of Sri P.R. Subramanian. The present proposal of the D.P.I. ^(it seems) cannot be accepted.

This may be left pending till the proposal of the D.P.I. for the revision of the pay of staff employed in colleges is received. Please remind him.

 Re. see the previous Secy's orders on p 3 ante. In his letter of 2-10-46, the DPT wants time to submit his proposals for the revision of the pay of the staff employed in Colleges. In as much as the ^{need for the} revision of pay of these staff has been admitted by Govt, the pay of physical Directors in Govt Colleges are sure to be revised to a higher scale in keeping with the status of the post. The general revision of pay will, it seems, ^{meet} ~~obliterate~~ the particular grievances in regard to pay of Mr Sri P.R. Subramanian. In the circumstances, it is for consideration whether ~~the~~ the DPT may be informed that Sri Subramanian's case ^{may} ~~cannot~~ be considered independent of the general revision of the scales of pay of the ^{staff employed in} ~~physical Directors in~~ Colleges.

17/10/46 3 This is an independent question - whether Physical Directors are entitled to selection from pay band - & if so to be decided in relation of the level position of revision of pay. If the two bands of Physical Directors were clustered with the two bands in school teachers etc, by what to effect kept up when the distinction of 'B' scale is ^{advised} ~~advised~~ ^{by Govt} ~~advised~~

The following statement shows the old scale of pay, the revised scale of pay and the new revised scale of pay of School Assistants and Physical Directors as it stood from time to time.

Second grade.	75-5-100-10-150.	~~Second grade.~~	75-5-100-10-150
Revised scale or existing scale.		Revised scale.	
First grade.	140-15/2-200	First grade	140-15/2-200
Second grade	70-10/2-130	Second grade	70-10/2-130

Second grade	70-9/2-115-10/2-125.	Second grade.	70-9/2-115-10/2-125

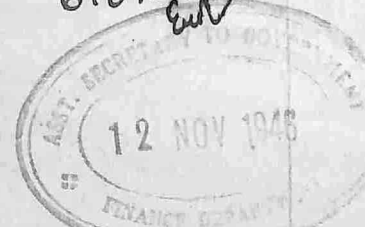

The statement above shows that when the 1933 scales were restored the equation was kept up. The request of the petitioner that he must be given a scale of pay of Rs. 150-10-250 which was in existence for school assistants and headmasters (not for physical directors) prior to 1933. ~~request~~ is not admissible.

Request may be refused.
