sir, Sub: Calenders and Diaries. 19 JAN 1945

There are four Deputy Inspectors of Municipal Councils and Local Boards working under me. Their designation and Headquarters are as shown below. All of them are touring officers and as such have absolute necessity for tablet diaries. As they are also authorities for conducting elections, card calendars are also necessary for their use. I therefore request that sanction may be accorded to the regular supply every year of two card calendars (one for officer and one for office) and one tablet diary to each of the four Deputy Inspectors and also sheet calendars whenever they are printed.
