No. B3-3657/44 dated 14th December 1944.

58929

Sir,

PAPER - Consignments received from Indian Mills through Sea -
Insurance - Sanction of Government - Requested.

I enclose herewith a copy of letter No. Sy/Rc.841/Q-3 dated 18/19-9-1944 from the Deputy Director of Paper, Office of the Chief Controller of Purchase (Supply), Paper Directorate, New Delhi, regarding despatch of consignment of paper by sea. Under article 319 of the Madras Financial Code, Vol. I, no Government property should be insured at the cost of the Government subject to the exception (vii) under the same article. Copy of para 3 of letter No. 122/WPS/44 (4272) dated 19-5-1944 from the Controller of Printing & Stationery (India), New Delhi relating to the acceptance of bills for supplies to the Central Stationery Office indentors is also enclosed.

In cases where transport by rail is not possible on account of the present war conditions, the Calcutta Mills have to despatch

all consignments indented for by the Government of Madras by sea.
I therefore request that Government will be pleased to accord --
sanction authorising me to direct the Mills to insure the goods if
they are despatched by sea for the duration of War at Government cost.

Enc.

R.S.15/12

for Supdt. of Stationery.

Copy of letter No. SY/RC/841/Q3 dated 18/19th September 1944
from the Deputy Director of Paper, Office of the Chief Controller of
Purchase (Supply), Paper Directorate, New Delhi, to All Demanding
Officers.

DESPATCH OF CONSIGNMENTS OF PAPER BY SEA.

In view of the urgency of the demand for the supply of paper
by various indentors and the specific instructions of the Regional
Controllers of Railway Priorities in many cases that the sea route
should be used to relieve congestion on the railways, the mills are
very often required to despatch consignments of Paper by sea. This
raises the question as to whether these consignments should be insured
or not. It is pointed out that Supply Department stores and Govern-
ment stores are not generally insured against war or marine risk, but
if it is desired that a particular consignment or consignments should
be insured, this must be specifically made clear on the body of the
supply order placed on the Mill. The supply order should also make
it clear as to whether the consignment is to be covered against marine
risk - war risk and whether it should be free of particular or general
average. In the absence of any instructions regarding insurance
when despatch is to be made by sea the mills are being instructed to
refer the matter to you for further instructions on receipt of supply
orders.

In some cases it may not be possible for the Direct Demanding
Officer to substitute any directions about insurance on the supply
orders as transport by rail may have been thought possible. In all
such cases where despatch by sea is decided upon at a later stage,
the Mills will refer the matter to you for your direction. These

These insurance charges will naturally be recovered by the Controller of Supply Accounts, New Delhi, when he raises the debit against you if payment is made by the Controller of Supply Accounts. In such cases where direct financial transaction has been authorised by this Directorate the insurance charges will be recovered by the Mills direct from the Direct Demanding Officer concerned.

Copy to the Controller of Printing & Stationery, New Delhi.
the Central Stationery Office, Calcutta.
" All Paper Mills.

II

Copy of para 3 of letter No.122/WPS/44(4272 dated 19-5-1944 from the Controller of Printing & Stationery, India, New Delhi, to the Supdt. of Stationery, Madras.

3. As regards the question of insurance, it is customary to cover all consignments against marine risks. The action of the Mills to cover the goods against war risks would therefore seem to be proper and the charges in this connection may be accepted by you. The Deputy Controller, Stationery, is accepting such bills for supplies to the Central Stationery Office, indentors.
