M A D R A S

Sir,
I have the honour to request you to permit me to accept the membership of the Foundation Committee of the Central Islamic Research Institute offered by the Secretary All India Muslim Educational Conference. The proposed Institute is mainly to encourage research and High scholarship in subjects connected with Islamic History, Philosophy and Literature.

I hope to be of service in this connection if permission is granted to me to accept the membership. There may be one or two meetings during the year but most of the work would be carried on by correspondence.

Submitted to Government.

2. It is recommended that the permission applied for by Khan Bahadur M. Abdul Haq, Principal, Govt. Muhammadan College, Madras, may be granted subject to the conditions that his service in the above Institute will be an entirely private matter which should not in any way interfere with the performance of his official duties and that his absence from the Headquarters in this regard will be treated as casual leave.

18 JAN 1945

For Director of Public Instruction.

To The Secretary to Government,
Education and Public Health Department.

P.R.K. 17/1/45.

THE CENTRAL ISLAMIC RESEARCH INSTITUTE, ALIGARH.

Resolution passed by the Working Committee of the All India Muslim Educational Conference held on 11th November, 1944 for the establishment of "The Central Islamic Research Institute, Aligarh".

As recommended by the Kamalyarjung Education Committee and passed by the open Annual Session of the Conference held at Aligarh in February, 1943, this meeting of the Conference Working Committee resolves "that the Central Standing Committee of the All India Muslim Educational Conference should immediately take steps to establish a Central Islamic Research Institute for advanced study and researches in Muslim History, Oriental languages, and Sciences."

The Institute shall have the following objects;—

- (1) To organise advanced studies and higher research work on Islamics and Islamology.
- (2) To survey the existing published and unpublished literature in European and Eastern languages.
- (3) To analyse the tendencies of traditional and modern scholarship on problems connected with History, Religion, Philosophy, Science, Literature, Arts and Architecture.
- (4) To prepare and publish standard books of Muslim History based on advanced studies and researches with a view to expound the principles of Islam and its cultural heritage.
- (5) To encourage advanced studies in Islamic classical languages.
- (6) To establish a Museum and Research Library of Islamic studies, to preserve and collect manuscripts, records, documents, paintings and pictures and other materials of value in studies of Islamic history and culture and to preserve a catalogue of such manuscripts, etc., existing in India or in any other country.
- (7) To publish the results of researches by Muslim Scholars in quarterly English Journal to be named 'Islamic Research'.

(8) To establish and run its own press for the publication of its Journal, books, and other job work.

(9) To co-operate with the activities of the existing Institutions engaged in similar research work.

(10) To grant research scholarships, prizes and such other financial assistance as may be deemed necessary to carry out the objects of the organisation.

(11) To adopt such other means as may be required to promote the interests of Islamic learning in India.

Means to achieve the objects:

(1) Building and the "Proposed Income" of the Institute:—

(a) The Central Islamic Research Institute will be housed in the palatial Conference Building, Sultan Jahan Manzil, Aligarh.

The Hostel connected with the Institute will be accommodated for the present in the Northern suite of Rooms of Sultan Jahan Manzil. Later on a set of rooms may be erected on the second storey of the Building which would provide ample accommodation for this purpose.

(b) The All India Muslim Educational Conference will collect a sum of Rs. 5 Lakhs within a period of 5 years, beginning from First April 1945 as a reserve fund for the Institute which will yield a recurring income of Rs. 18000 per annum.

(c) By transferring the present office staff with fresh allotment of duties and merging the academic activities of the Conference in the Institute, the permanent part of the conference income of about Rs. 22,000 per annum be utilised for furthering the objects of the Institute.

(d) The proceeds of the sale of the Journal and other publications of the Institute will yield approximately an income of Rs. 10,000 per annum.

(e) Efforts will be made to get permanent grants of at least Rs. 25,000 per annum from the Central and Provincial governments and the Muslim States of India.

(2) "Proposed Expenditure".

Out of the above proposed income of Rs. 75,000 per annum the following will be the important heads of expenditure:—

(s) Travelling allowances and other Miscellaneous expenses	... 4,850
Total Rs.	... 75,000

(3) "Scheme of Work".

(a) The Conference Central Islamic Research Institute shall divide its work into 8 sections according to the 'Objects' detailed above.

(b) Each section will be under the charge of one of the 8 wholetime members of the staff.

(c) Members of the staff will conduct their own researches in the special subjects allotted to them

(d) The research work will be planned by the members of the staff in advance for a period of one year and co-ordinated and supervised by the Director.

(e) In the selection of research projects by the members of the staff particular attention will be paid to those which open out new lines of investigation or such as have been scarcely touched by others.

(f) The Sections of Islamic History and Muslim history of India besides research work will undertake the compilation of such history books as could be prescribed for the courses of studies in the schools, Colleges and Universities of India.

(g) Members of the staff will guide at least two post graduate Research Scholars of the Institute who are admitted for the preparation of theses for Ph.D. Degrees of the different departments of the Muslim University.

(b) The Institute will give financial help and will offer facilities to outside scholars. It will also collaborate with them if they are conducting investigations on any items planned by the Institute.

(i) The Institute will adopt modern methods of propaganda eg. Extension Lectures, Educational Exhibitions and Annual All India and Provincial Conferences to popularise advanced research among the general Muslim intelligentsia of India.

4. In order to prepare the comprehensive details of this "Plan of the All India Muslim Educational Conference Central Islamic Research Institute", to examine the financial aspect, and to adjust it into the present scheme of work of the Conference, this meeting of the Working Committee further resolves to recommend to the Central
