Office of the Director of Public Instruction, Madras, D/ 29-8-1945.

From

Dr. B. B. Dey, D.Sc. (Lond.), F.R.I.C.
Offtg. Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sub: Queen Mary's College, Madras - Additional peon - Sanction requested.

38753

The Principal, Queen Mary's College, Madras, reports that the strength of the college has considerably increased from 274 in 1943 to 354 in the current academic year. The number of peons sanctioned for the college is six, of whom three are working in the College office and the remaining three are working one in each of Chemistry, Physics and Geography departments. These three peons have whole time work in their respective departments. The three college office peons also have as much work as they can do. The Principal however reports that there are several more class rooms that require to be kept clean. The members of the staff are reported to complain that they can get no assistance from the peons for fetching maps, cleaning section rooms etc. She further states that she can seldom command the services of a peon as there is not a sufficient number of peons for such a ~~big~~ institution with continuous all round expansion. She, therefore, requests the sanction of the post of an additional peon who will work in the office as it is really necessary and urgent.

In the circumstances stated by the Principal, I request that Government may be pleased to sanction the post of an additional peon in the scale of Rs.12-17 for the college for a period of
