R.C.No. 311-A/44 dated 28th August 1945.

Sir,

Office of the Superintendent of Sanskrit schools, Madras --
Continuance of temporary clerk.

I have the honour to submit for the favourable consideration of Government the following proposal for the continuance of a temporary post of clerk in the office of the Superintendent of Sanskrit schools, Madras, in the usual time-scale of pay of Rs. 30-3/2-45-2/2-55 with effect from 1.4.1946.

2. The permanent staff in the office of the Superintendent of Sanskrit Schools consists of 1 Upper Division Clerk, 1 Typist and 2 peons. The work of the office has increased very considerably in recent years. In spite of the normal increase of work in the office, there had been no addition to the clerical staff for about 40 years. On account of the heavy responsibility on the single clerk, the post was converted into an Upper Division post in G.O.No. 1666-Edn., dated 7.11.1944. I invite a reference to the statement of the distribution of work in the above office submitted on 14.10.1944 as Post copy of a telephonic message. As the work had become unwieldy for the single clerk, I sanctioned the employment of an additional clerk in the office since 15.10.1943, under the powers delegated to me. My sanction for the temporary post will expire on 1.4.1946. I am convinced that there is a definite and continuous need for the additional clerk in the office of the Superintendent of Sanskrit schools. I, therefore, request that the Government may be pleased to sanction the continuance of the above temporary post of Lower Division clerk, created by me on fixed pay, in the usual time-scale of pay of Rs. 30-3/2-45-2/2-55 for a period of two years from 1.4.1946.

3. Necessary provision for the continuance of the above post will be included in the Budget Estimate for 1946-47.

I have the honour to be,

Yours most obedient servant,

M. R. Ramana

Public (General) Department.

With reference to the proposal to publish a monthly journal, since some departments did not send their reports in time, it was not possible to issue a consolidated summary for the month of June by the 15th July. However, I have included all the information supplied in the annual report to be published as per U.O. Note No. 8361-A1., dated 2nd June 1938, Public (General). I hope the annual report will be ready in the first week of August.

2. A summary of events in each department for the month of July may be sent to me by the 10th August, so that the consolidated monthly account of happenings in July may be issued on the 15th August. This arrangement, I think, will be proper because the annual report would bring up the narration till July, the monthly summary will take up the account from July and carry it on month by month.
