His Excellency the Governor wishes to impress upon every person holding a position in any Department of Government his duty to maintain a spirit of alert and confident energy. His Excellency has reason to fear that some Government servants have not been sufficiently alive to this duty and have allowed their morale to be impaired by a pessimistic and defeatist infection. His Excellency wishes again to remind all servants of his Government of the words addressed by the Prime Minister to His Majesty's servants in the United Kingdom in June 1940. He expects them all, and specially those in high places, "to set an example of steadiness and resolution. They should check and rebuke expressions of loose, ill-digested opinion in their circles or by their subordinates. They should not hesitate to report, or if necessary remove, any officers or officials who are found to be consciously exercising a disturbing or a depressing influence and whose talk is calculated to set up alarm and despondency." Such conduct is unpatriotic, it is treacherous and it is unworthy of the fighting men who on the sea, on land and in the air are discharging their much more arduous duties so fearlessly and so gallantly.

Order—No. 1753, Education, dated 10th November 1941.

In G.Os. No. 4, Education, dated 3rd January 1940, and No. 1996, Education, dated 14th October 1940, the Government prescribed certain qualifications for instructors in spinning in elementary schools under local bodies. Under the revised syllabus for elementary schools spinning may be employed for this purpose as a handicraft but no special instructor should be employed for this purpose as the ordinary class teacher should teach handicrafts in these schools. In higher elementary schools spinning and weaving may be taught as a pre-vocational subject. Separate qualifications have been prescribed for instructors in spinning and weaving. In the circumstances there is no need for prescribing qualifications for instructors in spinning as distinguished from spinning and weaving in elementary schools. The two Government Orders quoted above are hereby cancelled.

Sir,

Sub: SUBSIDY - Maintenance - Corporation High school, Nungambakkam

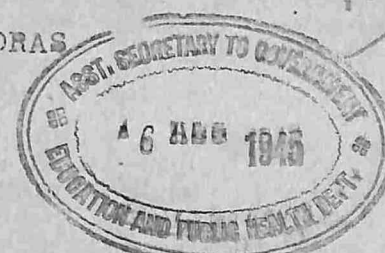

Ref: Govt. endorsement No. 32889-1 B.Edn., dated 24-7-1945

I do not recommend the grant of a subsidy to the Corporation of Madras for the maintenance of the Corporation High school, Nungambakkam. In this connection, I invite the attention of Government to G.O.No. Ms 873 L & M, dated 25th February 1928 and to para 6 of G.O. No. 919 Edn., dated 8--5--1936.

I may add that under the policy enunciated in G.O.No. 1157 Edn., dated 12--6--1930 it does not appear that any subsidy can be recommended towards the maintenance of any schools under local Bodies after 1930.

From the Commr., Corporation of Madras, No. C.A.D.No. 41/355/45, d/ 19-4-45.
From the D.P.I., Rc.No.1080-G/45, d/ 13-8-45.

The Corporation of Madras has requested the Government to grant a substantial subsidy towards the maintenance of the Corporation High School at Nungambakkam. The D.P.I., does not recommend the grant of a subsidy.

2. The school was opened in 1926. In 1927 the Corporation addressed the D.P.I., to recommend to Government the payment of a subsidy towards the maintenance of the school but he refused on the ground that the financial position of the corporation was satisfactory - vide pp. 1-3 of G.O.No.873 L & M., d/ 25-2-28. The net cost of maintenance of the Secondary School in 1943-44 was Rs. 12,127 only. This is the only high school maintained by the Corporation. The amount spent on secondary education is nothing when compared to the corporation's income. There is no case therefore for the grant of any subsidy. The D.P.I.'s recommendation may be accepted.

A draft order is submitted below for approval. L.A., may see before issue.
