 of the supply of stationery articles to the Assistant Commissioners for Hindu Religious Endowments in the mufassal direct by the Superintendent of stationery. The proposals of the Board are contained in my letter No.41020/45-1 SK. dated 10-8-45 to the Superintendent of Stationery, Madras, (Enc:I) and these proposals have been approved by the Superintendent of stationery in his letter No.D-1-4093/45 dated 27-8-45 (Enc:II). A statement showing the headquarters of the Assistant Commissioners and the names of the Railway stations nearest to the headquarters of each of the Assistant Commissioners is also enclosed as desired by the Superintendent of stationery (Enc:III).

The proposals made by the Board would, besides saving considerable time and labour, go a great way to avoid delays in distribution of the stationery articles to the Assistant Commissioners and ensure correct delivery of the articles to them. I have the honour therefore to request that the Government may be pleased to accord sanction at an early date for the proposals of the Board for the supply of stationery articles direct from the office of the Superintendent of stationery to the Assistant Commissioners for Hindu Religious Endowments in the mufassal.

I have the honour to be,
 Sir,
 Your most obedient servant,
[Signature]
 PRESIDENT.

Letter No.41020/45-1.S.K. dated 10-8-45

From Sri. Rao Bahadur T.M.Chinnaiya Pillai, M.A., B.L.,
 President, Hindu Religious Endowments Board, Madras.

To The Superintendent of Stationery,
 Stationery Office, Narasu Nagar, Guindy.

Sir, Sub: Stationery - Supply of -Offices of the Assistant Commissioners for Hindu Religious Endowments in the mufassal.

M. K. Chinnaiya Pillai

I have the honour to state that, prior to the amendment of Madras Act II of 1927 by Madras Act V of 1944, the Board was having only one Inspector for each District or local area, and sending him annually the small quantity of stationery required for his use. After the amendment of the Act in 1944, regular offices modelled on the lines of the Head Office of Presidency. These are placed in charge of Assistant Commissioners for Hindu Religious Endowments appointed by the Government under the Act with statutory powers vested under the Act. The strength of these offices including the Assistant Commissioner ranges at present from 14 to 18.

Under the rules and instructions issued by the Government under the Act, articles of stationery have to be purchased by the Board from the Superintendent of Stationery, Madras. The annual requirements of the offices of the Assistant Commissioners for Hindu Religious Endowments in the Districts are fairly heavy and hence there are several serious practical difficulties in the Board taking delivery in the 1st instance from the Superintendent of Stationery of the articles of stationery required by the Assistant Commissioners and then distributing the same to each Assistant Commissioner as per his requirements. This method would lead also to considerable delays in distribution.

It is therefore proposed by this office to send in future separate annual indents on behalf of the Head office and each of the offices of the Assistant Commissioners separately in respect of the supply by your office of the articles of stationery required by the Head office of the Board and the offices of the Assistant Commissioners. All the Assistant Commissioners will be

/P.T.O./

be required to submit their indents in the Government prescribed form in duplicate and one of the indents will be retained at the head office of the Board and the other will be forwarded by the Board to your office with my counter-signature for the supply of the required articles direct to the concerned Assistant Commissioners. Arrangements may be made by your office to pack securely the articles required by each Assistant Commissioner's office, and to send the packets by Railway Parcel directly to each Assistant-Commissioner with the invoices. The Assistant Commissioners will pay the railway freight and take delivery of the articles. The charges incurred and cost of the articles will be paid by this office on receipt of the regular bill from your office. This method is simple and besides saving delay will avoid all difficulties and complications and in these days of transport difficulties, your office will have greater facilities to expedite the despatch of the stationery articles to the concerned stations.

In the interests of administration therefore I have the honour to request you to kindly see your way to accept my above proposals. If the sanction of the Government is necessary for the purpose, I shall apply for it on receipt of your reply accepting my proposals.

I have the honour to be,

Sir,
Your most obedient Servant,

sd, T.M. Chinnaiya Pillai,
President.

I forward herewith a copy of this Council's Resolution

No. 1165 dated 25-11-1940, together with a specimen of Service
Roll for the use of the Conservancy menials of this Municipa-

lity, and request that the Government may be pleased to accord
their sanction for the printing of the Service Rolls locally.

The Council has decided to grant a time scale of pay,
to allow leave privileges, gratuity etc. to the menials. The

specimen service roll is drafted so as to contain all parti-
culars necessary for leave, gratuity, regulation of work etc.

The form is adopted from the roll in use in the Madras Corpo-
ration. As this is a deviation from the standardised form of
