Endorsement No 10774/45-1 dated 13.3.45

Referred to the Collector of Trichinopoly ~~Tanjore~~ for early Remarks.

Under Secretary to Government

19/3/45 TPS 10.3.45

To the Collector of ~~Tanjore~~ Trichinopoly
(original to be returned)

Copy of a letter dated the 29th January 1945, from Mr. S. Sitaram, B.Com., New Quadrangle, The Theosophical Society, Adyar, Madras, to the Government of India's Representative with the Govt. of Burma, (Camp) Madras.

I submit this application to you in order to bring to your esteemed notice, the refusal to grant recoverable advances to me by the Collector of Trichinopoly.

2. I was practising at Rangoon as an Incometax Practitioner in partnership with two others under the firm name of Messrs. Sitaram & Venkatram. My share of annual net income was over Rs.20,000/-, for about twelve years until the war broke out. I left Rangoon by the steamer to Calcutta with my wife and children on the 19th December 1941.

3. On my arrival in India I endeavoured to set up practice at Karaikudi near Chettinad. I did not succeed in getting any work as the chettiars, who were my clients in Burma, had almost their all in Burma, Malaya and Indo-China, which were repidly overpowered by the enemy. I left Karaikudi and took up residence with my fatherinlaw and under his support, at Lalgudi in the Trichinopoly District. After a few months I set up family at Trichinopoly for my children's education.

4. I applied to the Collector of Trichinopoly for the grant of recoverable advances. He was pleased to grant me Rs.300/- per mensem from the 1st July 1942, on the execution of a surety bond by my fatherinlaw, Mr. L.S. Saptharishier, Retired Assistant Engineer, P.W.D. I was receiving these advances upto and inclusive of August 1943 for ~~September 1943~~ fourteen months.

5. For the month of September 1943, I informed the Collector in my monthly application, that I was required to work for the Chettiar Community as Honorary Adviser to the Chettiars' Overseas Association, Karaikudi and that I was to be paid "an honorarium of Rs.100 per month, which", according to the minutes of the Managing Committee of the Association, "was to be paid to me with effect from April 1, 1943 to cover my travelling expenses from Trichinopoly to Karaikudi". I had to go to Karaikudi three or four trips a month and stay there for a few days each trip. The Collector ingnored my submission that the sum of Rs. 100/- was ~~paid~~ paid to cover my travelling expenses, reduced the advance payable to me to Rs.200/- and further ordered the recovery of Rs.100/- per mensem on account of the honourarium paid to be with retropective effect from April to August 1943. I received Rs.100/- only in effect for September 1943.

6. For the month of October 1943, the Collector passed orders that the recoverable advances paid to me could not be continued from that month. I interviewed the Collector thrice - thereafter and sent an application for revision of his orders; but the Collector said to me in person that he was not bound to state reasons for his refusal to grant advances. He rejected my further application also without assigning any reason.

7. I am not a Registered Accountant but a Bachelor of Commerce of the Bombay University having had a lucrative practice in Rangoon for 12 years out of a total period of 16 years of my life in Burma, (the first four years I was in Government service). I did not bring any cash with me when I left Burma. My Rangoon firm was dissolved with the fall of Burma as there was no work in India. I have my wife, two daughters in College and two sons in school to support.

My wife and I are insured for Rs.1,22,000 and the premium payable has become a burden to me as an evacuee. I have no regular practice nor an office, but stray miscellaneous work in India yields between to Rs.500 to Rs.1000/- per year. I have been driven to take loans on the insurance policies to support my family.

8. I applied to the Government of India early in 1942 through the Federation of Indian Chambers of Commerce and

5

Industries for a suitable employment. The Government registered my application and did nothing further. Recently I applied to the Department of Commonwealth Relations, Government of India, for the post of an Assistant Refugee Officer in Madras. I received a reply that there was no vacancy.

9. I have now taken up residence at Adyar, as shown at the top of this application from October 1944 for the sake of my children's education. The portion of Adyar ~~ward~~ where I reside is in the Chinglepet District, but served by the Madras City Adyar Post Office.

10. One of my daughters, S. Radha, is studying in the Second year Intermediate class of the Madras University in the Holy Cross College for Women, Trichinopoly. The Collector of Trichinopoly granted educational allowance to her for her first year's course. She applied to the same Collector for similar allowance in respect of the second year's course in June 1944. She has not received the Collector's orders so far.

11. My other daughter, S. Sarojini, is in the Sangitha Siromani class of the Madras University at Adyar from July 1944. It is four year course after High School final. She applied to the Collector of Trichinopoly for educational allowance; but the application was returned with endorsement that she should apply to the Evacuee Welfare Officer, Madras.

12. I request that you will be highly pleased to forward my application with your recommendation to the authorities concerned, so that all the arrears of recoverable advances which have not been paid to me so far and the educational allowances of my two daughters may now be granted. I request further that the advances may be continued to be granted to me until I am able to secure an employment or resume my normal practice on the recapture of Burma.

Sir,

I received educational allowance last year from the Government which enabled me to complete Junior Intermediate studi I have joined the Senior Intermediate from today.

I submit that my father is not receiving the advance now, even though he is still unemployed and is without any other source of income and that therefore I may be granted allowance for the academic year 1944-45 as detailed overleaf (below) and as certified by the Principal of the College.

Statement of Mr. Sophie Principal Holy Cross College.

Student Miss S. Radha of II U.C. (last year) might have purchased those books mentioned in her application. But the cost of French dictionary was Rs. 2-4-0. Regarding other books, I don't know whether she purchased them or not. Let her produce voucher.

As regards dhobi charges, no student seems to have paid Rs 2.8.0 or more. P.M. Rs. 5/- per month does not reasonable. The warden says that even Anglo-Indians pay Rs 2.8.0 per month.

not Rs.5/- as stated by the student. For othe
books, the principal says that she cannot

If she really purchased, it is the duty of the student to produce vouchers, as many students do manage with the books available in college libraries. As the student has failed to produce vouchers, the book allowance ~~has to be~~ need not be sanctioned.

3) With reference to bath & sundry expenses, the student has said that she paid Rs 5/. P.M to dhobi. The principal says, that the maximum charge for dhobi for a student is Rs 2.8.0 P.M. At the rate of Rs 2.8.0 the charge comes to Rs 25/. For soap etc there is no necessity to sanction any amount.
