Office of the Director of Public

Education & P.H. Dept.

Sir,

Sub: Coimbatore - District Board - Board Middle school, Kaniyur  
Retransfer to the donor

In submitting herewith a copy of the letter No. 22296/B3/44 dated 13th April 1945 from the President, District Board, Coimbatore, I have the honour to recommend that in the circumstances explained therein Government may be pleased to approve of the retransfer of the Board Middle school, Kaniyur to its donor. From the date of transfer of the school to the private management, the District Board will not be eligible for the annual subsidy of Rs 670/- sanctioned towards the maintenance of this school in G.O.No. Ms 1239 L & M, dated 5-4-32.

2. As regards the staff employed in the school I may point out that there can be no question of lending their services to the private management. The District Board may, if possible, absorb these teachers in the other Secondary schools under its management otherwise the teachers have to be discharged from the Board's service under the statutory rules relating to retrenchment of personnel. It is then open to the private management to appoint these teachers if they like.

3. After the transfer is actually effected the question of withdrawing recognition of the Board school and according recognition to the school under the private management will be taken up by me.

For Director of Public Instruction.

P.R.K. 14/7/45.

Copy of No. Roc. No. 22296/B3/44 dated 13th April 1945 of the President, District Board, Coimbatore to the Director of Public Instruction, Madras.

Sub: Education - Secondary - Board Middle School Kaniyur -  
Transfer to the donor Srimathi Namagiriammal - Approval requested.

The Board Middle School at Kaniyur had not shown economic strength except in the school years 1937-38, 38-39 and 39-40. There are two high schools at a distance of 12 miles at Dharapuram and Udumalpet. In view of these the District Educational Officer, Coimbatore advised me whether the Middle School may not be closed and converted into a Higher Elementary School. The School which was originally under private management was taken over by the District Board and the owner had given one gift a tope estimated to cost then Rs. 4,000 and Rs. 10,000 in cash for the maintenance of the School. The heir of the donor was referred to about the District Educational Officer's advice and he is not willing to the proposal of the District Educational Officer. A copy of the letter dated 25th January 1945 received from the donor is enclosed. So the District Board has resolved in its Resolution No. 1611 dated 29-3-45 (copy enclosed) that the school may be returned to the family which handed over it to the District Board with the endowment given by them.

This middle school, known as "Venkatakrishna Iyers Board Middle School" was first handed over with its buildings, furniture, equipment etc. with a donation of Rs. 10,000/- in cash and a coconut Tope of about 3 acres worth Rs. 4,000/- after obtaining sanction of Government in G.O. No. Ms. 1239 L & M. dated 5-4-1932. The Donor Sri K. V. Ganapathisubramaniam by guardian and adoptive mother Sreemathi Namagiriammal had executed a conveyance deed duly registered. A copy of the Gift Deed is enclosed. Now that the said donor is not agreeable to the conversion of the Middle School into a Higher Elementary School and that he is anxious to undertake to run the school to the satisfaction of the Educational authorities paying from his own funds any deficit that may arise in running the management.

Under these circumstances the District Board has decided to retransfer the school with its endowments to the donor. I therefore request that early approval may kindly be accorded to the handing over of the school from the commencement of the school year 1945-46.

Copy of Conveyance Deed.

This indenture made this 10th day of August 1932 between minor K.V. Ganapathisubramaniam, adopted son of K. Venkatakrishna Iyer, Brahmin Mirasdar residing at Varadarajapuram, Kolumam Village Udumalpet taluk by guardian and adoptive mother Namagiri Ammal, residing at the said Varadarajapuram, (herein after called the donor) of the said one part and the District Board of Coimbatore constituted under Madras Act XIV of 1920 (hereinafter called the donee) of the other part.

Whereas the donor is well and sufficiently entitled free from encumbrances to the institution called the Kaniyur Hindu High School with the land and premises attached thereto, with the buildings, equipments, furnitures and appurtenances thereon and thereof, together with all the endowments attached thereto and hereinafter described, whereas the donor had agreed to transfer the said High School with the land premises buildings, equipments and endowments consisting of a coconut tope measuring about 3 acres worth Rs. 4000/- and described hereunder and also pay the donee Rs. 10,000/- (Rupees Ten Thousand only) in cash in order that said school may be continued and conducted by the donee as

: 2 :

School under name and style of "Venkatakrisna Iyer's Board Middle School, Kaniyur", and the donee has agreed to accept the said transfer, and whereas the sanction of the Local Government has been obtained to the said transfer and its acceptance, and whereas the said school and the properties thereof in respect of the said Transfer are of the total value of Rs.25,000/- (Rupees twentyfive thousand only) as described hereunder, for the purpose of stamp duty and registration.

Now this indenture witnesseth that the donor doth hereby give, grant, convey and assign the unmentioned properties, into the donee and its successors for ever, who hereby accepts the same and the donor doth hereby covenant into the donee that the donor now hath good title and right to grant, convey and assign the said properties to the donee in the manner abovesaid and that the donee, its successors and assigns shall and may at all times hereafter peaceably and quickly possess, enjoy and conduct the said school as a Middle School under name and style of "Venkatakrisna Iyer's Board Middle School, Kaniyur" with its land, premises, buildings equipments, furnitures, and appertenances without any lawful eviction, interruption, claim or demand whatsoever from or by the donor, his successors or assigns, and further that the donor his successors and assigns and all persons having or lawfully or equitably claiming any estate or interest in the said property given, conveyed or assigned away under this indenture from, under or in trust for the donor, his successors or assigns shall and will from time to time and at all times hereafter at the request and cost of the donee its successors or assigns do execute and register or cause to be done, executed and registered all such acts, deeds and things whatsoever for further and more perfectly assuming the said property with its land premises, buildings, equipments endowments (present and furniture if any), fixtures, and apportnante apportenantees and every part thereof unto the donee, its successors and assigns in the manner aforesaid or as shall or may reasonably be required.

In ~~the~~ consideration of the said payment of Rs.10000/- in cash by the donor it is further agreed between the parties that in respect of the two deeds of mortgage i.e.

1. dated 4th Dec. 1929 for Rs.10000/- executed by K.A. Subbaratha-samy Iyer, residing at Varadarajapuram, Kolumam and

Ref: R.O.C.No. 22296/B3/44, dated 2-1-45 - Secondary Education- Middle school, Kaniyur - Conversion into a Higher Elementary School.

Myself and adoptive mother, Sri Namagiri Ammal are in due receipt of your above references as well as the reminders dated 18-1-1945.

Delay has been caused in replying the above references as I have to obtain the public opinion in and around Kaniyur and ascertain the quantum of popular support that I may expect for the proposal herein made by me. I am submitting this reply on my own behalf as well as that of my adoptive mother Sri Namagiri Ammal.

I am glad that the above reference has been made to me as I think that a duty vests in me to keep up the fair name and tradition of my adoptive father who founded the school and whose object was that an educational institution at Kaniyur was absolutely necessary at least as a Middle school for the purpose of the poor and the needy population of the villages in and around Kaniyur.

The existence of High schools in Udamalpet, Dharapuram and Palani can in no way serve to diminish the expense that has to be incurred if a parent has to send his child from Kaniyur or thereabout to any of these places. The popular feeling in these parts is that I should take up the management of the existing Middle school and run it as efficiently as possible contributing from out of my own private funds, any deficit that may arise in running the school.

In these circumstances I am sorry to state that I don't agree with the view of the District Board that the school not having enough economic strength should be converted from a Middle school into a Higher ~~xxxxxx~~ Elementary school. Nor do I agree with the District Board that every school is a purely economic concern as any other business.

If the District Board is not desirous of running it as a Middle school I would request that the District Board be kind enough to hand me back the school together with the buildings and other properties handed over to the District Board by me when I was a minor. I undertake to run the school to the satisfaction of the Educational authorities paying from my own funds any deficit that may arise in the course of such management. In this connection I would further request the District Board to recommend to Educational authorities that such a step is desirable in the interest of the District Board as well as of the Public in and around Kaniyur.

Expecting an early reply.

Sir,

Sub: Education - Secondary - Bd. Middle school, Kaniyur  
retransfer to the donor - objected to by the public  
of Kaniyur.

Ref: Your letter d/ 21-6-1946 on the letter C.No.5 d/  
16-6-1946 of the President, Panchayat Board, Kaniyur  
and communication of Randit K. Abdul Sukkur.

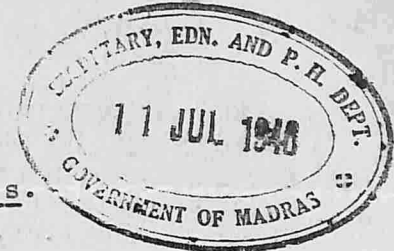

...

The present Board Middle school, Kaniyur, was originally  
high school known as "Hindu High school", run by a private management.  
It was handed over to this District Board as a middle school with its  
buildings, furniture, equipment etc., with a donation of Rs. 10,000/-  
in cash and a coconut tope of about 3 acres worth then Rs. 4,000/- after  
obtaining sanction of Government in G.O.No. Ms. 1239 L. & M., dated  
5-4-1922. The donor Sri K.V. Ganapathisubramania Iyer, by guardian and  
adoptive mother Srimathi Namagiri Ammal had executed a conveyance deed  
duly registered in favour of the District Board.

The District Educational Officer in his letter No.10-B-44  
dated 6-10-1944 (copy enclosed) reported to me that the Board Middle  
school had not shown economic strength except in the school years  
1937-38, 38-39 and 39-40 and there are two high schools at a distance of  
12 miles at Dharapuram and Odampet besides a high school at Palki at  
a distance of 17 miles and advised me whether the middle school may not  
be closed and converted into a higher elementary school. The heir of the  
donor was referred to about the District Educational Officer's advice.  
The donor was not willing to the proposal of the District Educational  
Officer. A copy of his letter dated 25-1-1945 received from the Donor  
is enclosed. So the District Board resolved in its Res. No.1611 d/ 29-3-1945  
(copy enclosed) that the school may be returned to the family which  
handed over it to the District Board with the endowment given by them.

The Government in their order No. Ms. 1478 Edn., d/  
19-9-1945 approved of the proposal of this Board to re-transfer the school  
to the donor.

In the meantime the Board resolved in its Res.No.49  
dated 28-4-1945 to transfer the provision of the above Kaniyur middle  
school, proposed to be transferred for raising the Avanashi higher elementary  
school to a middle school. With great difficulty the Government permitted  
this Board to utilize the amount provided for the middle school, Kaniyur  
towards the maintenance of a middle school at Avanashi and the Director of  
Public Instruction Madras has in his Re. No.845-G/45 d/ 28-5-46  
sanctioned the opening of a middle school at Avanashi by converting the  
Board Boys Elementary school with effect from 1946-47 subject to certain  
conditions. One of the conditions is that the Kaniyur school should be  
transferred to the donor immediately.

Sub: Board High school, Kaniyur - Poor strength in -  
Ref: Procs.No. 63-IR/44-45 dated 12-8-44 of the Divisional Inspector of schools, Coimbatore Division.

A scrutiny of the strength of the Board Middle school, Kaniyur shows that the strength of the school has not such as to make the school self-sufficient. Except in the school years 1937-38, 38-39 and 39-40 the school had not economic strength. I request you to kindly let me know whether the school may not be closed by converting it into a higher elementary school. It may also be noted that a distance of 12 miles from it there are two high schools at Dharapuram and Udumalpet, besides a high school at Palani at a distance of 17 miles.

Copy of letter dated 25-1-1945 from Sri K.V. Ganapathisubramania Iyer, Varadarajapuram, Udumalpet Taluk to the President, District Board, Coimbatore.

Ref: Roc. 22296/B3/44 d/ 2-1-1945 - Secondary Education - Middle school, Kaniyur conversion into a higher elementary school.

Myself and my adoptive mother, Sri Namagiri Ammal are in due receipt of your above references as well as the reminders d/ 18-1-1945.

Delay has been caused in replying to the above references as I have to obtain the public opinion in and around Kaniyur, and ascertain the quantum of popular support that I may expect for the proposal herein made by me. I am submitting this reply on my own behalf as well as that of my adoptive mother Sri Namagiri Ammal.

I am glad that the above reference has been made to me, as I think that a duty vests in me to keep up the fair name and tradition of my adoptive father who founded the school, and whose object was, that an education institution at Kaniyur was absolutely necessary, at least as a middle school, for the purpose of the poor, and the needy population of the villages in and around Kaniyur.

The existence of high schools in Udumalpet, Dharapuram and Palani can in no way serve to diminish the expense that has to be incurred if a parent has to send his child from Kaniyur or thereabout to any of these places. The popular feeling in these parts is that I should take up the management of the existing middle school and run it as efficiently as possible, contributing from out of my own private funds, any deficit that may arise in running the school.

In these circumstances, I am sorry to state that I do not agree with the view of the District Board, that the school not having enough economic strength should be converted from a middle school into a higher elementary school. Nor do I agree with the District Board, that every school is a purely economic concern as any other business.

If the District Board, is not desirous of running it as a middle school, I would request that the District Board, be kind enough to hand me back the school together with the buildings and other properties handed over to the District Board by me when I was a minor. I undertake to run the school to the satisfaction of the Educational authorities paying from my own funds any deficit that may arise in the course of such management. In this connection, I would further request the District Board to recommend to the Educational Authorities that such a step is desirable in the interest of the District Board as well as of the public in and around Kaniyur.
