Copy of Government Memorandum No. 37043.A.2. dated 24-8-1945.

Sub: Post-War Educational Development - First five-year plan.

The Government are anxious that vigorous steps should be taken immediately to implement the first five-year plan and that the first instalment of it, embodying the schemes put down for the first year of that Plan should be ready for consideration for the budget of 1946-47. Account should also be taken, in that connection, of the feasibility of introducing the bifurcated secondary school courses; although that scheme is not specifically in the five-year plan, it is an integral part of the schemes relating to Technical Education; the Government have already approved of the scheme and they had deferred it only for the duration of the war.

2. The Director of Public Instruction is requested to take up the matter and formulate detailed proposals. If the Director considers the employment of a Special Officer necessary for the work, he may make recommendations in that regard also.

To the Director of Public Instruction.

Office of the
DIRECTOR OF PUBLIC INSTRUCTION,
Madras, Dated 8--9--1945.

From

Dr.B.B.Dey, D.Sc.(Lond.), F.R.I.C.
Offg. Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department.

Sir,

SUB: Office of the Director of Public Instruction -
Special Staff required for work in connection
with Post-war Educational development five
year plan - Particulars submitting.

GOVERNMENT in their Memo. No.37043-A-2-Edn.,
dated 24-8-1945 and 37043-A-3 dated 24-8-1945 require that
the Post-War schemes in the first five-year plan should be
taken up at once and started this year itself. In view of
the urgency, importance and vastness of the work I consider
that a Special Officer with necessary staff is essential.
I, therefore, request with reference to para 2 of Government
Memo. 37043-A-2 Edn., dated 24-8-1945 that the following
posts may be sanctioned immediately for the purpose.

1. A special Officer in the Madras Educational
Service.
2. An Assistant to the Officer in the Ministerial
Service.
3. A stenographer in the scale of Rs.37-70 with
special allowance of Rs.25/- p.m.
4. Two peons on Rs.12-17.

In this connection I invite the attention of Government to
Sir Meverel's letter Cl.No.1/44, dated 13-1-1944, wherein
it has been already explained how a Special Officer to deal
with Post-War Schemes is necessary. As the work involves
the successful working of the five year plan within the
time limit the sanction of a staff exclusively for this work
is essential.

If Government agree to the proposals I --
recommend that Sri T.P. Santhanakrishna Naidu, District
Educational Officer, Madras may be appointed as Special
Officer on his grade pay of Rs.260/- plus the War and
House allowance he is drawing now and a Special Pay of
Rs.100/- in consideration of the responsible work which
he has to do. To the post of Assistant to the Special
Officer I propose to appoint Sri R. Sundaravaradan of the
Junior Superintendent now doing duties as ~~War~~
Superintendent. I recommend that he may be paid his present
pay of Rs.175/- plus his present allowance plus a Special
pay of Rs.35/- i.e. 20% of Rs.175/-

I have the honour to be,
Sir,
Your most obedient servant,

M. Muhammad

Establishment - Office of the Director of Public Instruction - Special staff for work connected with Post-War Educational Development - First five year plan - Sanctioned.

From the D.P.I., C.No.521-F/45, dated 8--9--1945.

ORDER MIS.No. 1482 Edn.: dated 19--9--1945.

The Government sanction the employment of the following special staff in the office of the D.P.I., for a period of three months in the first instance to ~~formu-~~
~~late~~ ^{work out} detailed proposals to implement the first five year plan of Post-War Educational Development ~~and also to con-~~
~~sider in that connection the feasibility of introducing~~
^{and} the scheme of bifurcated secondary school courses:

- (1) One Special Officer in the Madras Edl., Service (Rs.200-700 p.m.)
- (2) One Junior Supdt. II Grade on Rs. 100-150 p.m.
- (3) One Stenographer on Rs. 37-70 with special pay of Rs.25/- p.m.

P.T.O.

C.No.40088 - From the D.P.I., C.No.521-F/45 dated 8-9-1945.

The special staff consisting of an Officer of the M.E.S., a Superintendent, a Stenographer and two Peons proposed by the Director for working out details of the schemes included in the first five-year plan does not appear to be over-generous. The idea is that the first instalment of the plan should be ready for consideration ~~for~~ the budget of 1946-47. That part of the Director's proposals should be with Government as quickly as possible, and in any event, much before the 31st October 1945, which normally is the last date for the receipt of Part II Schemes in the Finance Department. Whether Government relaxes the stipulation in regard to the last date or not there ^{be} will/still work other than the first instalment. The special duty may therefore be for a period of three months in the first instance. The Director has proposed a special pay of Rs.100/- p.m. for the Special Officer and a special pay of Rs.35/- p.m. for the Superintendent, and the latter to continue to draw his present pay of Rs.175/- p.m. plus his present allowance.

2. Special Officer.- The Officer proposed for special duty is Sri T.P.Santhanakrishna Naidu, now D.E.O. Madras. He ~~was~~ ^{has been} on special duty in the Director's Office in 1942 for the preparation of the last Quinquennial Report on Public Instruction, when he ~~was~~ ^{not} granted a special pay. ~~of Rs.50/- p.m.~~ ^{A special pay of this size will seem sufficient on the present occasion also. Perhaps a spl. pay of Rs.50 p.m. would be suitable.}

3. Superintendent.- The Superintendent proposed for special duty is Sri R.Sundaravaradan. He is one of the Junior Superintendents on the Director's regular establishment drawing a permanent pay of Rs.140/- or Rs.150/- (?) p.m. and has been employed since about 1943 in the Director's Office as Superintendent on a special rate of pay, viz. Rs.175/- p.m. in connection with the intensification of recruitment to the Army. This pay is met by the Defence Department. There is no objection to his being allowed this pay so long as he is likely to be continued on the particular duty on which he

Miss in Enquiry in 1942 for the preparation of the last Quinquennial Report on Public Instruction, when he was not granted a special pay. A special pay of this size will seem sufficient on the present occasion also. Perhaps a spl. pay of Rs.50 p.m. would be suitable.

This staff was sanctioned by Govt. in Dec. P.W.D. 14.8.45

(4) Two peons on Rs. 12-17 p.m.

The officer of the Madras Educational Service and the Superintendent in the office of the Director of Public Instruction posted for the special work will not be allowed to draw any special pay.

2. The D.P.I., is informed that his proposal that Sri R.Sundaravadanam, Junior Supdt., should be allowed to draw his present pay of Rs.175/- p.m. plus his present allowance if he is posted to work under the special officer cannot be accepted ^{he will not be then doing} as the duties for which the special rate of pay and allowance were sanctioned.

now engaged, but for the special job now proposed for him. The allowance referred to in the Director's letter is apparently the one paid to him from the Defence Estimates for work done by him as E.A.R.O. (Advertising). When he comes to be attached to Mr. T.P. Santhanakrishna Naidu, the Superintendent will apparently not be doing the duties of E.A.R.O. and there is therefore no reason to take account of that allowance. When ministerial officers are employed on special jobs of this kind they are seldom given any special allowances. It does not appear necessary to make an exception in this case.

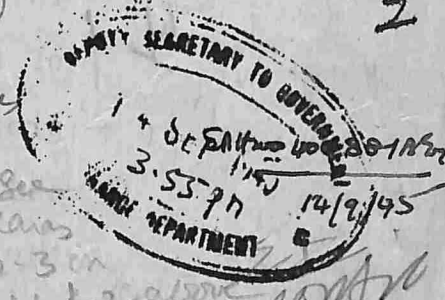

4. The file may be sent to the Finance Department for remarks before circulation.

For working out the details of the scheme in the first 5 year plan, it is proposed to sanction for a period of 3 months:-

- (1) A Special Officer in the M.E.S. (200-700), One Superintendent on Rs 100-150, One Stenographer, and Two peons
- (2) A Special pay of Rs 50/- per month to the Special Officer.

2/ Item (1) above the staff proposed may be accepted subject to the following remarks in the Case of the Superintendent

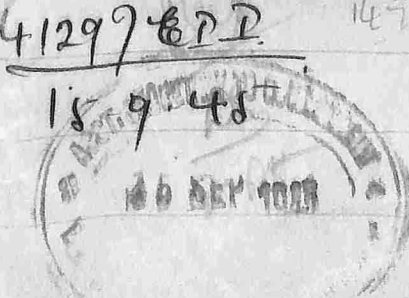

It is proposed to appoint Sri R. Sundaravaran as Supt, now employed on a special rate of pay, viz Rs 175/- per month to the post and allow him that rate of pay so long as he would have continued on that pay but for his appointment to the new post. It will be seen from para 3 of 2/4/45 note overhead that the special rate of pay is attached to that post for performing the duties attached to that post. When on transfer to the new post of Junior Supt under the Spl Officer Sundaravaran will cease to perform those duties.

Line no 41297-822

In the Cues, there seems to be no case for allowing the higher rate of pay proposed by 2/4/45. It seems sufficient to sanction a post of Junior Supt on the usual scale of Rs 100-150.

3/ Item (2) in para 1 above. Proposals for the grant of special pay should strictly satisfy the criteria in F.R. 9(25). In this case, it is stated that the special pay is necessary for the work which will be out of the ordinary in quality and quantity. It does not appear that the work will be of the nature of that referred to in the criteria.

Next I suppose there will be a request for special pay for the execution of the Postwar scheme for the officers working that scheme. Special pay has not been proposed in the 2/4/45 pay scale. It may be mentioned that no special pay was allowed to the officer when he was on special duty in the office of the Director in 1942 for the preparation of the last Quinquennial Report on Public Instruction. [No special pay was proposed to the Assistant Engineer applied for by the D.P.H. for the preparation of plans and estimates relating to Postwar P.H. Schemes]. For may therefore suggest advice against the grant of any special pay in this case.

If the above suggestions are accepted, the extra cost of the proposal will be Rs 2514/- for a period of 3 months. If it is eventually found necessary to continue the staff beyond 3 months involving an extra cost exceeding the limit of Rs 3000/- per annum, it will have to be seen the case.

Finance agrees to the employment of the posed special staff for a period of three months
