Dear Dr. Dey, (copy enclosed)

An appeal was sent out in March last under the signatures of Sri Lakshmanaswami Mudaliar and others including certain Govt. servants of the Education Dept., for contributions towards the "Dr. B.B. Dey Commemoration Fund" - proviso - of the G.S.C. Rules specifically prohibits Govt. servants from soliciting subscriptions in aid of a fund of this kind. I am to request you to report how, in the face of that rule, the appeal was signed by these officers of the Edu. Dept.

The case is similar to the one disposed of in Scott's Memo 9954/A-3 of 6-6-45.

G.O. 2102 Pub. (L) 18-12-36 relating to G.S.C. Rules is not up to the go. no. 834 E.M. dated 31-5-45 relating to the "Statutory Memorial Fund" proposed by AS in a file in 'B' Subin bearing cm. 20630 A/45.

There is however a small point. The fund should appropriately be brought within the purview of rule 6(4) of the G.S.C. Rules. That rule refers to a fund to be spent in recognition of the services of a Govt. servant who has recently retired. It is true that Dr. Dey: retired as superannuation pension. But he is employed and is now the head of the Dept. For all that, whatever the collection of funds may go as now. Govt. has asked, Pub. may be seen. Collection is being made.

277-9 in reply of an independent body, I do not see this we can try to. But I do think it is advisable to maintain the status quo. This is in view of the fact that Dr. Dey is in employment. The permission asked for may be refused. (Certain views of the S.C. may have been to spend for funds. 18-7-45. The D.P. may be asked, so to be kept. And (L-1).

please see the letter of the D.P.G. together with its enclosures in the ef and the note of the C.P. & Department on pp 2-3 above. According

to rule 4(2)(h) of the G. S. C. Rules, a Govt. servant, may take part in the raising of a fund to be expended in recognition of the services of any other Government servant (or of any person who ~~has~~ recently retired from Govt. service). Hence there seems to be no objection to Sri. M. V. Sitaraman, taking part in the raising of Dr. B. B. Dey Commemoration Fund, though, Dr. B. B. Dey is still in service, provided that, he does not take part in the collection of subscriptions. As Treasurer to the Fund he will be merely receiving the subscriptions collected by

Sir,

A preliminary meeting was held in February 1945 by the students, friends and admirers of Dr. B.B. Dey, D.Sc., F.I.C., I.E.S., to consider the question of raising a fund to commemorate Dr. Dey's services to the cause of chemical research in this Presidency. It was felt that a responsible gazetted officer should be elected Vice-President and Treasurer to receive contributions and operate on a bank account and the choice fell on me. I accepted the office hoping that the Government might waive the operation of the rule 42(b) referred to as a special case. As the permission applied for by me has not been granted as per G.O. No. Ms No. 1490 dated 21-9-45 I am resigning ~~myself~~ the combined office of Vice-President and Treasurer and shall be sending the copy of acceptance of my resignation as soon as it is received. In this connection, I beg to state that beyond being a signatory to the appeal and operating on the bank account, I have not taken any active part in making collections or private appeals.

Sir,

At the preliminary meeting convened for the purpose of raising a fund to commemorate Dr. Dey 's service to for the cause of Chemical Research in this Presidency, there was a general feeling that the inclusion of some of the members of the staff of the chemistry department in the personnel of the committee, would greatly aid the work of the committee particularly in the matter of getting the addresses and occupations of many of the old students and also in deciding the shape the commemoration should take. Beyond being a signatory to the appeal issued, I have not taken any active part in making collections or private appeals.
