 The office of the Suptg. Engr. (Comms) has been converted into Chief Engr.'s office and the Suptg. Engr.'s office is also to be separately formed. The scale of supply of file boards to Chief Engineer's offices is 1000 ordinary and 1000 urgent, Vide Appendix XLIII G to the Madras Stationery Manual. The existing stock is too meagre and necessitates putting up a no. of cases in the same board, with the result that files get mixed up and often mislaid. I therefore request that the sanction of Government may be accorded for the immediate supply to this office of 500 boards ordinary and 500 boards urgent. Many of the boards are worn out and they could not be sent to Press for renewal, as there are no boards to replace them.

Sir,

Ref: Endorsement No. 23012-1 E.4 dated
14-6-40. Resubmitted.

Cinema is the only form of entertainment the
Panchayat Board wants to control. The Licensing
authority can and does control a cinema when grant-

ing or refusing a license and it is unnecessary to
extend the places of Public Resort Act. The Act
is so frequently used as an instrument of extortion

and oppression that I am strongly opposed to its appli-
cation in villages like Gurrzala.
