Wax.

Memorandum No 34492-B/45-1 Edn d 2-8-45

In order to prevent the waste involved in travelling. Considerable quantities of sealing wax received on letters in Govt Offices it has been suggested that the wax

on sealed official communications could be removed and collected in Govt Offices and sent to the Sgs from each office after a sufficient quantity has been accumulated, if it would be possible to have them melted down

and prepared for re-use in sticks. The Sgs is requested to offer his remarks on the above suggestion to state whether the suggestion is feasible.

Govt for paper and asked for allocation to the Tita flour Mills at the outset explaining the unsuitability of the paper manufactured by the Sirpur Mills. At least, it might have been ascertained from the C. P. S. India or the Dir of Paper whether allocation of this paper to the Tita flour Mills instead of to Sirpur Mills was possible. But the S of S moved Govt & later in the matter, in respect of the local Bodies & the T.V.D., that the Dir of Paper stated that changes in the allocations made to various Mills cannot be made at this stage. Hence, this cannot be considered by any stretch of imagination as dispensing with the need for obtaining prior sanction of Govt for ^{purchasing} paper from Messrs Gerbeton & Co. of the paper offered by the Company ^{reputed to be} the manufacturing Tita flour Mills.

down

On enquiry, the Superintendent of Penitentiary, Madras
reports that the used sealing wax can be melted and prepared for
re-issue in sticks with a little wastage. I have no objection to
receive the used sealing wax collected and sent by the various
Government offices and send it on to the Penitentiary, Madras
for being prepared in sticks.

Government of Madras
Abstract.

Stationery - Economy -
Salvaging of used sealing wax
Orders passed.

Education & P.H. Department.
G.O.Mis.No.1509. Edn., dated
the 25th September, 1945.

ORDER:

Considerable quantities
of sealing wax on letters re-
ceived in Government offices
are at present thrown away.
In order to prevent this -
wastage, the Government direct
that in future, the sealing
wax on covers should be remov-
ed and collected by the peons
in each office; when a suf-
ficient quantity has been ac-
cumulated, it should be sent
to the Superintendent of Sta-
tionery, who will arrange to
have it prepared in sticks for

P.T.O.

for reissue.

(By order of His Excellency the Governor).

C.O. Coorey,

Deputy Secretary to Government.

To the Superintendent of Stationery.

To All other Heads of Departments.

To All Collectors.

To All Departments of Secretariat.

True copy - Forwarded - By order.

Cs.

K. S. Krishnaswami
Superintendent.

Stationery - salvaging of used sealing wax.

C.S. suggested to me that perhaps the seals on sealed communications could be removed ^{& collected} by the persons in each office & returned to the Supt of Stationery when a sufficient quantity has been accumulated, if it would be possible for him to have it melted down & prepared for re-issue in sticks, as it seems rather wasteful that the considerable quantities of sealing wax received on letters should be thrown away. E.P.H. may like to consider this suggestion & consult the Supt of Stationery.

Finance (C)

The draft order below may be perused & the case returned to S.P.H. (On receipt of a copy of the order arrangement may be made for the removal and storage of quantities of sealing wax on covers which are received in this deptt.)

It is doubtful whether the collection of used wax should be sent to the Penitentiary Madras, thro' the Supt. of Sty. May be sent direct to the Penitentiary.

21.9.45. A.B. 1/2.
It will be better to send the used sealing wax to the Supt of Sty. as proposed in the P.T.

42200

He can see what quantity is received
 & will be in a better position to see
 how far the system is successful.
 He can send on the used wax to the
 sign of the Penitentiary, as soon as a
 sufficiently large stock is accumulated
