C. No. 207-F/45 dated 23-5-1945.

Sir,

9 Sub: Office of the Director of Public Instruction, Madras.
Grant of Personal Pay to clerks transferred to the
Director's Office from the Office of the District
Educational Officer, Madras.

23419

In the year 1943, a number of experienced clerks of my office went away on transfer to the newly created offices. As the number of candidates for appointment as clerks allotted by the Madras Public Service Commission was not enough, a few experienced clerks from subordinate offices of this department were transferred to my office. Among those who were transferred to this office, there are three clerks, who prior to their transfer to this office, were employed in the Office of the District Educational Officer, Madras in the lower division and drawing the addition to their pay a presidency allowance of Rs.6-8-0 per mensem. On their transfer to my office, which is an 'A' class Office, their pay was fixed at the next higher stage without taking into account the presidency allowance ~~drawn~~ *drawn* by them..

Now these three clerks have put in a petition to me requesting that the loss in their emoluments as the result of the transfer may be compensated by the grant of a personal pay from the date of their appointment in this office, equal to the difference between the pay drawn in the District Educational Officers' Office, and that fixed in this office. I submit herewith a copy of their petition. It is understood that the Government have sanctioned a similar request in the Surgeon General's office in their order No. Ms. 2979 P.H. dated 26-9-1942 and memo. No. 35355-42-2 dated 24-10-42.

I have therefore the honour to request that the Government may be pleased to grant with retrospective effect a personal pay to these clerks equal to the difference between the pay drawn in the two offices. The personal pay may be absorbed in their increments in this office. I consider that, it is not fair to deprive them of any part of their emoluments which they were getting prior to their transfer to my office.

Copy of petition dated 7-5-1945 from

 To The Director of Public Instruction, Madras.

We, the undersigned clerks, typist taken to your office from one of the subordinate offices of the Education Department in the City viz., the District Educational Officer's Office, Madras, beg to submit the following for your kind consideration and necessary action.

Before we were appointed in your office, we have earned several increments in the scale of Rs.30-5/2-55 and in addition to that we were drawing a presidency allowance of Rs.6-8-0. On transfer to the Director's Office our pay was fixed at the next higher stage in the scale of Rs.37-3/2-70 and we were not given the benefit of drawing the presidency allowance of Rs.6-8-0. This has resulted in a recurring loss of Rs.5-8-0 per mensem in our total emoluments. In this connection it is submitted that the presidency allowance drawn by the clerks transferred from subordinate offices of the Medical Department in the city to the office of the Surgeon General with the Government of Madras, is treated as PERSONAL PAY and paid to them.

We request that our cases also may be treated likewise and necessary action may/kindly taken to reimburse the loss and we have so far sustained from the date of joining this office and to treat the difference as personal pay. Particulars about our service and pay are submitted below for information and ready reference.

Please see the reference from the D.P.I. and the

notes of E.P.H above may be perused. The principle of
making good the loss of emoluments sustained by Govt.

servants due to transfer has been accepted by the Govt.

In such cases the loss in emoluments is made good in the
form of a personal compensatory allowance which is absorbed
in future increments see G.O.2099 Pub (War) d.7-9-45. The same
procedure may be adopted in the present case also.

It is observed from X on p.2 C.F. that the pay of
K.V.Sivasubramanyam was fixed at Rs 40 in the Director's
office even though his pay in the D.E.O's office was only
Rs 36. This fixing of ~~the~~ ^{his} pay ~~xxxxxx~~ ^{at Rs 40/-} is not ~~in~~ in order
as the minimum of the scale of pay of clerks in the D.P.I.'s
office is Rs ^(37 in the scale of) 37-3/2-70, which is above his pay in the
D.E.O's office. Hence his pay should have been fixed

B 2

Rs 37 which is the minimum in the new scale and not at

Rs 40. The Director's attention may be drawn to this.

The case may be returned to E.P.H.
