G.O. No. 862, 28th April 1941

Public Services—Subordinate Services—Pass in Cambridge School Certificate Examination—Recognition as equivalent to minimum general educational qualification—Each case to be decided on merits.

Order—No. 862, Public (Services), dated 28th April 1941.

The Director of Public Instruction has recommended that the Cambridge School Certificate Examination may be recognized as a qualification for the public service like the Matriculation Examination of the Universities of this Province subject to the same conditions as those on which the examination is recognized as equivalent to the Matriculation Examination for the purpose of admission to the college courses of study. The Commission, which was consulted, suggests that each case may be decided on its merits provided that the candidate has undergone a regular course of study at a school before passing the Cambridge School Certificate Examination. His Excellency the Governor of Madras accepts the Commission's suggestion and accordingly directs that each case be submitted to the Government for orders together with full particulars as to the course of study of the candidate in a school, the subjects taken at the examination, marks obtained, etc.
