Office of the

From

Dr.B.B.Dey, D.Sc.(Lond.), F.R.I.C.,
Officiating Director of Public Instruction, MADRAS.

To

The Secretary to Government,
Education and Public Health Department,
Fort St.George, Madras.

Sir,

Sub: Appointment of a candidate to the post of Sanskrit Pandit
in the Presidency College, Madras - Amendment of Special
Rules for the Madras Educational Subordinate Service.

In G.O.N.Ms.635 Education dated 24-4-1945 an additional post of Sanskrit Pandit in the scale of Rs.65-5/2-80 has been created in the Presidency College, Madras during the academic year. This post is in the II grade of Pandits. The vacancy has to be filled by the promotion of Pandits from the III Grade as per rule 2(a) of the Special rules for the Madras Educational Subordinate Service. There are at present four pandits in the III Grade whose claims have to be considered for promotion to grade II. Of these, two are Oriental Title holders and the other two are B.O.Ls. The Principal, Presidency College, Madras who was consulted in the matter states that none of the Pandits in the III Grade is suitable for the Presidency College, Madras. He further states that the candidate for the post in question should have passed the Siromani or equivalent tests in not less than two branches out of Vedanta Mimamsa or Nyaya - Vide enclosed copy of the Principal's endorsement dated 5-7-1945. None of the Pandits in the III and IV Grades possesses the above qualifications. The vacancy has therefore to be filled by direct recruitment.

There are four grades of Pandits and Munshis as shown below:-

I grade	..	..	Rs.80	-	10/2	-	100
II Grade	..	..	Rs.65	-	5/2	-	80
III Grade	..	..	Rs.45	-	5/2	-	60
IV Grade	..	..	Rs.35	-	4/2	-	43 - 2/2 - 45.

Appointment to grades I and II vests in the Deputy Director of Public Instruction (Personnel) and to grades III and IV in the Principal of Colleges and Divisional Inspectors of Schools. The posts of pandits and Munshis in the III Grade exist in the First and Second Grade classes and those of IV Grade in the High Schools. Whenever a vacancy arises in the III Grade the Principals of Colleges advertise and fill the vacancy and they do not call for a list of Pandits working in the various institutions under the control of the Divisional Inspectors. Whenever a vacancy arises in the I Grade, the Pandits in the II Grade are promoted according to Seniority coupled with merit. But in the case of vacancies in the II Grade a list of Pandits working in the III and IV Grades are called for from the Subordinate officers and Pandits who possess the qualifications prescribed in the statutory rules and who are qualified to handle translation work are promoted to the II Grade. When no qualified pandit is available the vacancy in the II grade is filled by direct recruitment for which no provision exists in the rules. I have, therefore, the honour to request that rule 2(a) of the Special Rules for subordinate Educational Service may be amended as follows:-

Pandits and Munshis.

Grade II.	..	By promotion from Grade III or by direct recruitment.
Grade III	..	By promotion from Grade IV or by direct recruitment.

Pending the orders of Government the vacancy in the post of Sanskrit

Pandit.....

Pandit in the Presidency College, Madras has been filled by an outsider under rule 9(a)(i) of the Special Rules for Provincial and Subordinate Services.

Madras Educational Subordinate Service -
Pandits and Munshis - Appointment -
Amendment of special rules.

⑤
Please see the Director's letter in the c.f. The Director points out that the existing rules do not provide for the direct recruitment of pandits to grade II and III and has therefore suggested amendments of rule 2(a) for the introduction of such a provision. The necessity for amending the rule is explained in detail in the letter cited. It is however, not clear whether it will not be desirable that the provision now suggested, i.e. appointment by direct recruitment, for grades II and III be introduced even for grade I, as such a provision will enable the Dy D.P.I. to make appointment to a vacancy in case a suitable promotee is not available. For orders whether the reference point may be raised for the D.P.I.'s remarks.

Not necessary?

Pl. see below

15.9.45

319

The real point is whether a provision for direct recruitment also will not be a source of hardship to Pandits in two grades. But even without that provision in the rules, the practice is seen to be to resort to direct recruitment whenever in respect of grade III, and whenever necessary in respect of grade II. The Director is the best judge in the matter.

The D.P.I.'s proposal may be applied. It should apparently apply to the women's branch also, although the Director has not made it clear in his letter 15.9.45.
