Subject: SUBSIDIES - Local Bodies - Maintenance of Secondary
Schools - 1944-45 - Second instalment - Payment of -
proposals - Submitting -(K) Ref: G.O.No. 859, Edn., dated 11th June 1942 and G.O.No. Ms
1044 Edn., dated 13-7-1944.

I have the honour to submit herewith for the sanction of Government a statement showing the distribution of the second instalment of subsidies to local bodies towards the maintenance of Secondary schools under the management in the current year (1944-45). The balance of subsidy now recommended for payment in each case is shown in Col.7 of the statement. The subsidy payable to the local bodies in ordinary areas towards the employment of Hindustani teachers has not been -- included in this statement and proposals for the same will be submitted separately.

2. With reference to the orders issued in G.O.No. 427, Education, dated 17th March 1944, it is reported that the weaving sections in the 6 High schools under the Guntur District Board noted in Board High school, Nidubrola, the margin were abolished with effect from 1st July 1944. Of these classes subsidy is being sanctioned from provincial funds only in respect of the weaving classes attached to the Board High schools, Thurumella, Kollur and Duggirala. The President, District Board, Guntur, subsequently, however requested Government for permission to revive the classes and Government in their Memo No. 37145 B-44-3, Edn., dated 1st November 1944 have informed the President, District Board, that the question of permitting the revival of the classes would be considered if the District Board's Budget for 1945-46 shows that the District Board would be in a position to meet the expenditure from its resources. The President, District Board has again addressed Government stating that he has ordered the revival of the classes in 1944-45 temporarily and requesting to ratify his action. Certain particulars have been called for from the Divisional Inspector, Guntur in this connection. As the action of the President, District Board in having revived of the -- classes has not yet been approved by Government, subsidy is recommended in respect of the weaving classes in the Board High school, Thurumella Kollur and Duggirala only up to 1st July 1944.

3. The expenditure relating to local bodies in ordinary areas (non-agency tracts) can be met out of the appropriation under "37(h) Education - Secondary - Grants to local bodies for secondary education - Ordinary areas - (h) A.I - Teaching - Authorised" while that relating to partially excluded areas (Agency tracts) is debitable to the budget head "37 (h) Education - Secondary - Grants to local bodies for Secondary Education - B. Partially excluded areas - (h) B. Teaching - Authorised" - in the C.B.E. for 1944-45.
