may be allowed to the retention of the post  
of Asst. to Electrical and Mechanical Engineer, Govt. Press,  
sanctioned in G.O. 531 Edn. of 2.9.40  
as a permanent measure. Attention is  
drawn to the connection to the scales on  
pp. 2 and 3 of G.O. 1325 Edn. of 2.10.43. As  
the work of the Asst. to the Electrical and  
Mechanical Engineer is of a permanent  
nature and on the post is continued has been  
existence for 5 years since the date  
of original sanction of the post, there  
seems no objection to sanction the  
permanent retention in the Govt. Press  
post. The draft order on p. 1 is  
for approval. For reply see for acceptance.

With reference to Deputy Secretary's  
query on p. 2 ante it is submitted that the  
scale of pay of this post has not so far been  
revised. It, presumably means the scale  
of scale of pay sanctioned for the post of  
Electrical and Mechanical Engineer, of  
the Govt. Press in G.O. 538 Edn. of 7.4.45.

The scale at A on p. 1 ante is  
194.45 as sanctioned originally in G.O. 531

Edn. of 29.3.40. which is the scale  
1938 scale (New revised scale). In view of

general restriction of 1933 scale, the scale of

the post will now be automatically
