Copy of letter from the Collector of Madras No.B.2. 12950/44 dated 19.12.44.

Subject: Clothing-Water proof-Cycle peon-Madras Collector's Office-Supply-Sanction Request of.

Application from the cycle peon V. Munuswamy dated 30.11.44.

Consequent on the orders issued in Government Memo No. 9005/B-44-1 dated 17.5.44 stopping the Secretariat circulation van from delivering local tappals to various Government Offices with effect from 1.6.44 a peon of this Office has been deputed for the receipt and delivery of local tappals. He now puts in a petition that he may be supplied with water proof clothing. The claim seems to be a reasonable one. As the supply to be made is an initial one sanction of Government is necessary. The scale of supply applicable to the cycle peons in certain officers in the city is one water proof ~~coat~~ cap (coat without sleeves) and one water proof turban cover. I therefore request that the sanction of the Government may be obtained for the supply of these water proof clothing to the tapal peon.
