With reference to para 2 of the Government order quoted above, I have the honour to state that the office of the Registrar of Books, Madras was inspected by Mr. G.L. Lobo, Deputy Director of Public Instruction, on 11th December 1944 and the report of his inspection reveals considerable improvement in the administration of the office and the library. The general condition has also been reported as satisfactory. I, therefore, consider that the proposal to transfer the duties of the Registrar of Books to another officer may be deferred for the present.

I have the honour to be,
Sir,
Your most obedient servant,

C.No. 2746/45. From the D.P.I., R.O.C.No. 1412 G43, dated 17-1-45.

Registrar of Books - Transfer of duties to another officer.

From the year 1934, the functions of the Registrar of Books are done by the Senior Translator to Govt. A remuneration of Rs.100/- per mensem is paid to the Senior Translator for the purpose. The office of the Registrar including the library ~~attached~~ was inspected in June 1943 by Mr. Lobo, Dy. P.I. under the orders of the D.P.I. His ~~report~~ inspection report revealed several defects and irregularities. The Director recommended that the duties of the Registrar might be entrusted to the D.E.O., Madras. The Registrar's replies to the points raised in the inspection ^{report} notes were obtained. He said that the irregularities and defects noticed in the report were due to the shifting of the office from Madras to Tirupati ~~in~~ and back in 1942 and 1943 and that they were remediable.

2. When the file was circulated to A2, he recorded as follows:- " * * This is an unsatisfactory ~~state~~ state of affairs. If the next inspection shows no considerable improvement, the question of appointing a different officer in charge will be taken up." The decision was embodied in ^{the} final orders issued with G.O.No. 34 Edn. dated 10-1-44, in which the Director was also told that the office and library should be inspected annually.

3. The Director now reports that the inspection conducted by Mr. Lobo on 11-12-44, reveals considerable ~~improvements~~ improvements in the administration of the office and library and that the general condition is satisfactory. The Director considers that his previous proposal for the transfer of duties of the Registrar to the D.E.O., may be deferred for the present. It does not seem necessary to call for ^{a copy of} the ~~ins~~
