From

To

Mr. L. Subbarama Reddy, M.L.C.,
Buchireddipalem, Nellore Dt.

Sir,

Ref: Your letter d. 8-12-1944.

As per para (2) of law 14, Chapter VIII of the Laws of the University, the date fixed for the poll shall not be less than 7 days from the date of the posting of the voting papers. That time has been allowed. Your letter of the 8th December reached me here on the 10th December. Similarly my letter of the 30th November should have reached you on the 2nd December. Even if it was delayed, it should have reached you on the 4th. The University cannot anticipate delays which are not usual and provide accordingly in the laws. What has been done is according to law. From the number of votes polled it is seen that other people living in rural parts have not been inconvenienced. I am

P.T.O.

therefore unable to see how the election could be declared null and void, as the prescribed time was given to the voters to enable them to exercise their votes.

Sir,

The ballot paper to the Senate election from the Madras Legislative Council constituency was received at Buchireddipalem Post on the evening of the 5th instant and delivered to me on the 6th instant. According to your instructions, the ballot paper was returnable to you on the 7th instant at 4 p.m. If the ballot paper should reach you in time, the latest hour that I could register it here was 1 p.m. on the 5th instant. Due to the very short interval you have allowed, I could not exercise my vote and send it in time to you for no fault of mine. There are other members of the Council who belong to rural parts and their difficulty also must have been similar. I am therefore appealing to His Excellency, the Chancellor, to declare the election null and void and order fresh elections as no sufficient time was given to the voters to return their voting papers.

Yours truly,

L. Subbarama Reddy,

d. 8-12-1944.

Dear Sir,

Annamalai University - Election
to the Senate by Members of the
Legislative Council - Objection -
Your letter dated 8th December
1944 to His Excellency the
Chancellor.

I am directed to state that
His Excellency the Chancellor has
carefully considered the objection

son to interfere. He is satisfied
that the election was conducted in
accordance with the provisions of
the Statute.

7th December 1944, was, as provided
in paragraph 2 of Statute 14, not
less than seven days from the date
of the posting of the voting papers,
viz., 30th November 1944. The
postal date stamp on the envelope
in which the voting paper was des-
patched to you bears the date stamp

Objection

Submitted to A₂ for favour of advice
S.C.A/21.12.44.

Note please

J. A. 21/12/44

Attention is invited to the papers in Regre Secto Order No. 150 d 13.12.44. In accordance with the suggestion made in the letter at pp 5-6 of the Order, the conduct of elections to the Senate of the Annamalai University ^{among} members of the Regre Council was taken over by the Registrar (by an amendment of the Statutes).

Statute 14 in Chapter III of the Laws of the University requires that the date fixed for the poll shall not be less than 7 days from the date of the posting of the voting papers. The date fixed for the poll ^{in this case} was 7.12.44. The Registrar's letter to Mr. Subbarama Reddy for forwarding the voting paper ^{appears to have been} posted on 30.11.44. The requirement of Statute 14 was therefore complied with. ^{It is known} why the letter ^{said to have been} posted on 30.11.44 reached Mr. Subbarama Reddy only on 6.12.44. ^{Before}

on account of this time was ^{special} difficulty in Mr. Reddy's case, it does not appear that the election can be set aside.

Legal may be requested to advise.

Cua 23.12.44 Before proceeding with the matter further we may perhaps ask Mr. Subbarama Reddy

to forward to Govt. the cover and the ballot papers

for the removal of Govt. (the cover will give information)

as to the exact date on which the letter was posted, and it is requested to be removed.

A draft letter is being.

If the consideration of the question is

to proceed on the basis of the Statute at

A in the Univ. Registrar's letter, it would

not be necessary to set aside the election

diff to set aside because in the case of the election it is not possible to set aside the election. But if it is possible, the verification board will not be able to do so. Draft for appl.

Issued as Mr. No. 59543 C-1 d 29.12.44 p 7 cf C633 from Sri S. Subbarama Reddy M.C.C. d 2.1.45 p 9 cf

The postal stamp on the front page of the cover addressed to Sri Subbarama Reddy is not clear and it is difficult to find out

the date of posting from the stamp. The statement of the Union Registrar that the ballot papers were posted on 30.11.44 may be accepted. If this is done, there seem to be no grounds for setting aside

the postal stamp on

Paragraph 2 of Statute 14 requires that the date fixed for the poll shall not be less than seven days from the date of the posting of the voting papers. If, as the Registrar says, the voting papers were posted on 30-11-1944, there would be nothing contrary to the Statute in having fixed 7-12-1944 as the date for the poll.
